Dock Space Application

The WLSA has a limited number of dock spaces of various sizes for use by “Active Members in Good Standing”. The WLSA maintains a list of members who have applied for a dock space. Members are added to the waitlist when the WLSA receives a completed Dock Space Application. A Dock Space Application can be downloaded from the WLSA’s website (www.wlsassoc.org) or emailed to you by sending a request to whitelakeassoc@gmail.com. Dock space is assigned on a first come, first serve basis that is also based on the size of the space available and the size of the motorized boat/watercraft. The assigned dock space is owned and managed by the WLSA. The physical dock itself is owned by one or both members sharing the dock. Dues must be paid annually to remain on the waitlist.
