

# Opulent VIP

We'll help you find the riches inside of you.

## Counseling & Behavioral Health Services

We can help clients with many issues, including ADHD, defiance, disrespect, depression, anxiety, behavioral issues, self-esteem, family problems, and many other issues. Services are provided weekly. We serve children, adolescents, and adults.

We also offer psychosocial rehab (PSR) services to help train on social skills, job and employment skills, and general independent living skills!

## WE DRIVE TO SEE YOU!

Our community outreach model enables our clinicians to visit you at home, at school, or at any other community location, or via Telehealth.

*We provide counseling in the home, school, community, or via Telehealth.*

Most Medicaid plans accepted (Staywell, HealthEase, WellCare, CMS, Sunshine, Cenpatico, Beacon, Simply, Aetna Better Health, Humana, Clear Health Alliance, Straight Medicaid), and low-cost self-pay rates. - See our website for details and updated list.

No PCP referral needed.
