

## **Compliments and Complaints**

At Growing Stars Pre-school, we believe that parents are entitled to expect courtesy and prompt, careful attention to their individual needs and wishes. We hope that at all times parents are happy with the service provided and we encourage parents to voice their appreciation to the staff concerned. We record all compliments and share these with staff. We welcome any suggestions from parents on how we can improve our services and will give prompt and serious attention to any concerns that parents may have. Any concerns will be dealt with professionally and promptly to ensure that any issues arising from them are handled effectively and to ensure the welfare of all children, enable ongoing cooperative partnership with parents and to continually improve the quality of the preschool.

We have a formal procedure for dealing with complaints where we are not able to resolve a concern. Where any concern or complaint relates to child protection, we follow our Safeguarding/Child Protection Policy.

### **Internal complaints procedures**

Stage 1 - If any parent should have cause for concern or any queries regarding the care or early learning provided by Growing Stars Pre-school, they should in the first instance take it up with the child's key person or a senior member of staff.

Stage 2 - If the issue remains unresolved or parents feel they have received an unsatisfactory outcome, then they must present their concerns in writing as a formal complaint to the manager. The manager will then investigate the complaint and report back to the parent within 5 working days. The manager will document the complaint fully and the actions taken in relation to it in the complaints log (appendix 8)  
(Most complaints are usually resolved informally at stage 1 or 2.)

Stage 3 - If the matter is still not resolved, then Growing Stars Pre-school will hold a formal meeting between the manager, parent and a senior staff member to ensure that it is dealt with comprehensively. The Pre-school will make a record of the meeting and document any actions. All parties present at the meeting will review the accuracy of the record and be asked to sign to agree it and receive a copy. This will signify the conclusion of the procedure.

Stage 4 - If the matter cannot be resolved to their satisfaction, then parents have the right to raise the matter with Ofsted. Parents are made aware that they can contact Ofsted at any time they have a concern, including at all stages of the complaint's procedure, and are given information on how to contact Ofsted. Ofsted is the registering authority for Pre-schools in England and investigates all complaints that suggest a provider may not be meeting the requirements of the Pre-schools' registration. It risk assesses all complaints made and may visit the Pre-school to carry out a full inspection where it believes requirements are not met.

A record of complaints will be kept by the Pre-school. The record will include the name of the complainant, the nature of the complaint, date and time complaint received, action(s) taken, result of any investigations and any information given to the complainant including a dated response.
