

Hello Spartan families,

We want to express our sincerest gratitude to everyone who participated in tryouts for our 2025-2026 season. The dedication, enthusiasm, and commitment to the sport displayed was apparent and inspiring and we're thoroughly impressed with the effort from all of our participants. We recognize that tryouts can be both exciting and nerve-wracking so we deeply appreciate the courage and hard work from each and every one of you: players and parents alike.

We are thrilled to announce the players selected for each team. The numbers correspond with the number of the pinnie assigned for your player to wear during tryouts (not the number they chose for their in-season jersey).

We encourage you to continue developing your skills and look forward to seeing you at future opportunities. We are partnered with many different local programs that continue to offer the experience of basketball and can help further your basketball skills.
