Cocktail

wireless multi-room music capabilities to cover the entire venue weather cocktail is inside, outside, or both

Reception

DJ & MC services provided by DJ Ramzy with QSC sound system, dancefloor lighting, and 15+ years of professional DJ and wedding experience

Why book DJ Ramzy?

- ✓ Only uses high quality industry standard equipment from QSC, Pioneer, Shure, Apple, and Technics
- ✓ Owns 25k song library of 320kbps+ quality music to entertain any age group, culture, or background - not played via Spotify or ripped from YouTube
- ✓ Works well with others - provides audio output for videographer; input for live band or musicians, and close coordination with planner
- ✓ Skilled on the microphone - knows the right thing to say at the right time to contribute to the atmosphere and entertain, not distract
- ✓ Interacts with guests and takes requests to engage with audience and enhance the event
- ✓ Comfortable with international crowds and niche music tastes
