

# LANGHART HILL &

**2018 Pinot Noir**  
***Gap's View Vineyard***  
***Sonoma Coast***

Pinot Noir thrives on the adobe soils of Gap's View Vineyard, which sits east of Petaluma, 20 miles inland from the Pacific Ocean. This cold site gives us a classic expression of Pinot that is bright and fruit-driven showing red spice, Bing cherry and cranberry aromas. Delicate texture and vibrant acidity round out this refined wine.

Delicate handling in the cellar preserved vineyard character. The fruit was whole-berry fermented following a four day cold soak. Ten months of aging in French Burgundy barrels (15% new) provided additional structure while keeping oak flavor subtle.

Alc: 13.6%

Ta: 5.6 g/L (0.56 g/100 ml.)

pH: 3.65
