2023 Russian River Valley Chardonnay

The Russian River Valley is the perfect place for growing Chardonnay

with the cool breezes and fog moving in nearly every afternoon throughout the growing season.

2023 gave us a small crop of superb quality. The fruit was hand-harvested and whole cluster pressed. The juice was fermented in a temperature-controlled tank and then aged sur lie with occasional battonage in French oak barrels for 10 months.

This Chardonnay displays fresh aromas Meyer lemon, Pippin apple and brioche. The taste is clean with white plum flavors, a balanced acidity and a smooth and bright finish.
