2024 Sonoma Coast Chardonnay

2024 was a near-perfect vintage for Chardonnay on Sonoma Coast. After

a brief heat spike in late June the summer temperatures were moderate with warm days and cool nights.

2024 gave us an average-sized crop of superb quality. The fruit was hand-harvested and whole cluster pressed. The juice was fermented in a temperature-controlled tank and then aged sur lie with occasional battonage in French oak barrels for 14 months.

This Chardonnay displays aromas of lemon zest, vanilla creme and honeydew melon. The taste is both bright and full showing its Sonoma Coast character.
