## VIDEOS

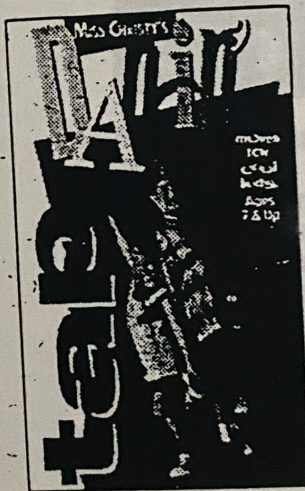

To answer that age-old question, "What can i do now?" here are some solid choices. You'll find several videos here that show kids how become active doers without making a huge investment in lessons and equipment. For entertainment, there are a few choice stories that speak to values.

- Miss Christy's Tap Dancin'
- Miss Christy's Jazz Dancin'
- Miss Christy's Ballet Dancin'

(Peter Pan \$12.98 each) Instead

of just watching other people dance,

here are well paced how-to videos kids can do with Christy Curtis leading a group of girls and boys through the basics of tap, jazz or ballet. No special gear needed. The tap dancers wear taps attached to their sneakers! A

terrific resource for practicing or giving dance lessons a whirl to see what it's like. 7 & up. (800) 272-4214.
