

**Miss Christy's
Dance Adventure**
(Peter Pan Video,
\$12.98, ages 2-6).

Step out in style

with this 35-minute video that makes hoofers out of the tiniest toddlers. Choreographer Christy Curtis leads six boys and girls, ages 2-6, through the fundamentals of dance. Set to original music, the kids learn tap against a farm backdrop, ballet at the pond with a fish motif and jazz at the beach with oversize towels and beach balls. After the steps are rehearsed, Miss Christy puts it all together in a short, easy-to-follow routine. She's perky and encouraging and kids seem to respond with enthusiasm. Yours should, too.
