About *To Root & To Rise: Accepting Brain Injury*

An inspiring book about moving through grief and coming to acceptance after brain injury. Long-term survivor Carole Starr describes the journey in ways that survivors, caregivers, professionals and students will relate to and learn from. Each chapter highlights one aspect of the acceptance process and contains numerous useful strategies. This book is also a workbook, so readers can apply the strategies to their own experience. *To Root & To Rise* is a powerful resource for anyone impacted by brain injury.
