## Construction Specifications

### Doors and Drawer Fronts:

Doors and drawer fronts in the Illume line feature an MDF core with high-quality Pro Touch Technique lacquered boards and edge-banding in Gloss or Matte Finishes.

### Hinges:

BLUM Concealed Clip-On Hinges with BLUMOTION Soft-Close and Quick-Release Technology. Hinges are six-way adjustable and open at 110°. Please note: Lazy Susan, Easy Reach, and Wall Pie Cut cabinets do not feature the soft-close mechanism.

### Drawers:

The Illume line includes the BLUM Tandembox Deluxe Metal Drawer System with a Pearl Grey Interior. Tandembox drawers have concealed Full-Extension Slides and Integrated BLUMOTION Soft-Close technology with a 75 lb dynamic load capacity.

### Shelving:

3/4" thick Engineered Furniture Board (EFB) shelves, edge-banded in White Linen textured laminate. The adjustable shelves are supported by metal shelf clips. All standard depth base cabinetry includes an 18" deep adjustable shelf, wall cabinetry 12" deep adjustable shelves, and tall cabinetry 21" deep adjustable shelves.

### Box:

The Illume line features Cutting-Edge Threespine® Click Technology for a frameless box with tight seams & rigid construction. Sides, top & bottom panels are 3/4" Engineered Furniture Board (EFB) with front edges edge-banded in White Linen Textured Laminate & White Linen Interior. The back panel is 1/4" Medium Density Fiberboard (MDF) with 5/8" thick hanging rails.

### Toe Kick:

Adjustable furniture feet included with Base & Tall Cabinets for easy leveling during installation; included are clip-on brackets for toe kick trim attachment.

Matching lengths of Toe Kick are available to purchase separately. Toe Kick is 3/4" Engineered Furniture Board (EFB) with edge-banding on all sides.

### Installation Note:

Illume Cabinets are shipped with a protective film on the front face and edge-banding of all Doors, Front Panels, Wainscot Panels, Finished Accessories. Film is recommended to be removed after installation of cabinetry & job site construction is complete.

### Notice regarding Illume Customizations:

Any customizations for the Illume Frameless line are manufactured and assembled in our Newark Manufacturing facility and will not include the Threespine® Click Technology.

## Construction Specifications

- 1 3/4" MDF slab door & drawer front
- 2 BLUM Concealed Clip-On Hinges with BLUMOTION Soft-Close and Quick-Release Technology. Hinges are six-way adjustable and open at 110°
- 3 BLUM Tandembox Deluxe Metal Drawer System with a Pearl Grey Interior, 2-5/8" interior drawer height
- 4 3/4" Machine Edge-Banding, matches White Linen interiors
- 5 1/4" Engineered Furniture Board (EFB) back panel with 5/8" hanging rails, finished with White Linen Textured Laminate
- 6 3/4" Engineered Furniture Board (EFB) side panels, finished with White Linen Textured Laminate  
For matching side panels to complement the Door Style Finish, Wainscot Panels are available (purchased separately)
- 7 3/4" Engineered Furniture Board (EFB) adjustable shelving, Edge-Banded with White Linen Textured Laminate
- 8 Black plastic furniture feet\*, adjustable from 3-3/4" to 5-3/8"
- 9 5-1/2" wide panel beams, front and rear
- 10 Base cabinet has 18" deep shelves
- 11 Wall cabinets are 13" deep with 12" interior depth

\* Note for Cabinets with Adjustable Furniture Feet:  
The overall height dimensions listed throughout the specbook for these cabinets are **before** installation of the included foot attachment.

Featuring  

## What exactly defines a Q12 cabinet?

To fully achieve Q12 eligibility, a cabinet must encompass twelve unique standards of quality. Read below to learn more about the twelve fundamental pillars that establish the Q12 qualification:

### Q1: CAREFULLY SELECTED ELEMENTS

To ensure the absolute integrity of our product, each element is carefully selected. We start by choosing only "Grade-A" materials and make no compromises along the way.

### Q2: PRO-TOUCH TECHNIQUES

Our Allure and Illume cabinets offer high-end finishes that are as beautiful as they are durable and practical. Fabuwood's distinctive pro-touch techniques allow for a sustainable and resilient cabinet finish that is not only easy to clean but will retain its beautiful luster for years.

### Q3: ADVANCED CONSTRUCTION

Our Allure Dovetail and Illume Threespine® construction methods are superior, innovative, and built for a lifetime of use. Fabuwood offers cabinets of the utmost strength, on par with the highest industry standards. Our attention to detail, coupled with advanced construction techniques, means a long lasting, superior quality cabinet every time.

### Q4: ANTI-WARP STRUCTURES

All our cabinets are engineered in a way that eliminates warping, ensuring the cabinets hold up against elemental pressures. Crafted to perfection, every detailed component is created with unfailing durability. Each cabinet we produce is held to a high standard, ensuring long-lasting reliability.

### Q5: METAL SHELF CLIPS

To maintain a maximum level of stability that preserves a shelf's longevity, these metal shelf clips assure sturdiness and durability. With this feature your shelves are sure to stand the test of time.

### Q6: TOUGH BACK BUILDS

For superior structural longevity, the back builds on the Allure and Illume series are built tough and easy to install. Our rigorous pressure testing guarantees that our products won't give in.

### Q7: FLUSH FIT

To achieve an attractive appearance that is convenient and practical, our Q12 cabinets are built with a flush fit to ensure smooth surfaces and easy in-and-out access.

### Q8: UNIQUE INTERIORS

The interior finish of our cabinets is as important as the exterior. Fabuwood offers high end, unique interior finishes for a clean and sophisticated look.

### Q9: ONE-CLICK INSTALLATION

In addition to our soft-close action feature, the cutting-edge Blum Compact Clip Hinge allows for lightning-fast one-click installation and release.

### Q10: FLUID FULL-EXTENSION

Our cabinets are built with smooth full-extension glides to guarantee an enhanced running action that maximizes its storage to full capacity. Fabuwood manufactures its cabinets with Blum's tandem plus runners and soft-closing technology, utilizing space while also preventing damage and deterioration.

### Q11: EZ LEVEL DRAWER FRONTS

On both framed and frameless products, to achieve an aesthetically graceful balance and ensure proper drawer alignment and function, our cabinets use an effortless system, utilizing a degree of mechanical precision for installing perfectly positioned drawer faces.

### Q12: LIMITED LIFETIME WARRANTY

Our integrity-defining limited lifetime warranty is our commitment to quality and excellence. The warranty reflects our pledge to always back our cabinets while delivering an immaculate product. With precise crafting techniques, Q12 cabinets are poised for a lifetime of use.

## Limited Lifetime Warranty

### COVERAGE OF WARRANTY

Fabuwood Cabinetry Corp ("Fabuwood") is pleased to provide the following limited warranty to the first residential purchaser of all cabinets imported to and assembled and sold in the United States by Fabuwood. This warranty does not cover cabinets sold or shipped outside of the United States and Canada. A residential purchaser is a person who purchases and installs the cabinets in a dwelling that is owned and used by that person as a primary or secondary home, or, in the case of a developer or builder, this limited warranty may be assigned to the initial purchaser who uses the dwelling as a primary or secondary home. This warranty, however, is not transferable to subsequent owners of the home. This limited warranty is subject to all limitations, exclusions, disclaimers and procedures set forth herein.

**LIMITED LIFETIME WARRANTY (Only on Allure and Illume series cabinets):** Fabuwood warrants to the original purchasing consumer that all Allure and Illume series cabinets purchased from Fabuwood will be free from all unnatural defects in material and workmanship in accordance with the Fabuwood quality standards sheet under normal residential use as long as the original purchasing consumer owns the home in which such cabinets are installed.

### EXCLUSIONS

THIS WARRANTY SUPERSEDES ANY AND ALL PREVIOUS WARRANTIES BY FABUWOOD AND CONSTITUTES THE EXCLUSIVE REMEDY AGAINST FABUWOOD FOR ALL DEFECTS, DAMAGES AND WORKMANSHIP. THERE ARE NO IMPLIED WARRANTIES EXTENDING BEYOND THE TERMS OF THIS WARRANTY. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, FABUWOOD SHALL NOT BE LIABLE FOR ANY INDIRECT, SPECIAL, PUNITIVE, INCIDENTAL OR CONSEQUENTIAL COSTS, EXPENSES OR DAMAGES (INCLUDING LOST PROFITS), EVEN IF THIS LIFETIME LIMITED WARRANTY IS DEEMED TO HAVE FAILED OF ITS ESSENTIAL PURPOSE. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS, WHICH VARY FROM STATE TO STATE. IT IS POSSIBLE THAT ONE OR MORE OF THE LIMITATIONS AND EXCLUSIONS IN THIS WARRANTY MAY NOT APPLY TO YOU. THE LIMITED LIFETIME WARRANTY ON ALLURE AND ILLUME SERIES CABINETS APPLIES ONLY TO PRODUCTS PURCHASED ON OR AFTER 01/26/2023.

### LIMITATIONS

This warranty shall become void if the cabinets, cabinetwork, drawer slides or hinges are modified from its original form, improperly installed or damaged prior to or during the installation, or used in any way other than for residential purposes. This warranty covers only parts and materials of the cabinets as supplied by Fabuwood. This warranty does not cover any products used or installed in connection with cabinets, such as gas or electric appliances, countertops, or plumbing fixtures. This warranty does not apply to products installed in locations that do not maintain year-round environmental controls. This warranty shall not apply to damages caused by transportation, storage, dirt, chemicals, exposure to moisture, humidity or excessive heat or cold, nor does it cover the effects arising from normal wear and tear, misuse, neglect, accidents, alterations, improper use or failure to maintain properly, house settling, or acts of God. No installer, retailer, distributor, agent or employee of Fabuwood has the authority to alter the obligations or limitations in this warranty.

### QUALITY STANDARDS

This warranty covers all damages and unnatural defects that are deemed as such under the current Fabuwood Quality Standards sheet. The current Fabuwood Quality Standards sheet is available for download in the dealer login section of the Fabuwood website ([www.fabuwood.com](http://www.fabuwood.com)), which should be reviewed at each time a claim for warranty service is being considered. Fabuwood reserves the right to modify or change the Fabuwood Quality Standards sheet at any time without notice.

### DISCLAIMERS

The following is a brief recap of some of the characteristics of the wood and finishes on the cabinets you are about to purchase. Please read them carefully. If some of these characteristics concern you, please choose something else. We bring these characteristics to your attention so you will realize that Fabuwood will not be held responsible for these variations in your cabinetry. It is important to note that wood products claimed as defective are most often the result of atmospheric conditions such as excess moisture and humidity.

Fabuwood strongly recommends testing the intended location of the products for such conditions prior to installation.

**WOOD AND COLOR VARIATIONS:** Wood is a product of nature, and since no two trees are alike, cabinets may vary in color, texture and grain. Wood characteristics naturally occurring such as variations in color, grain, mineral streaks, pinholes and knots are not considered defects. Color variations in cabinets are also a natural occurrence due to species, age, character of cabinets, and exposure to UV light, smoke, certain household cleaners, sunlight, extreme temperatures, and other environmental conditions. For these reasons, new and/or replacement cabinets may not match display samples and/or existing cabinets. This may result in overall color variations, but is not considered a defect.

**WOOD DOORS, DRAWER FRONTS, AND FACE FRAMES:** Wood by nature will undergo expansion and contraction movements over the years as it compensates and adjusts to ever changing atmospheric humidity and temperature conditions. It is very common for center panels on doors to shrink, expand or move during these changes. Typically, the panel will return to its normal position within a year once it has adjusted to seasonal changes. It is for these same reasons that it is very common for doors to warp during these periods. Doors that are warped up to 1/4" are not considered defective. [Note: It is advisable to check if the door was properly installed, since doors that appear warped are very often the result of improper installation.] Painted doors, drawer fronts, and face frames may eventually have visible cracking around the joint areas, and cabinet colors may darken or lighten over time. These variations are considered to be the nature of the material in relation to their environmental exposure and are not covered under this lifetime limited warranty.

**PAINTED FINISHES:** Plywood is a non-porous, smooth grained wood. Additionally, wood by nature undergoes periods of expansion and contraction while it adjusts to atmospheric conditions mentioned above. As such, finish stress lines may become visible on painted cabinets especially at the joints. Any such occurrence is not considered a defect.

**GLAZED FINISHES:** A glazed finish by character is an uneven finish. Some edges and profiles will be larger than others and glazing may vary cabinet to cabinet, door to drawer and item to item. This may result in overall color, texture, and finish variations but these are not considered defects.

### WARRANTY PERFORMANCE

If a defect does occur within the terms and conditions of this warranty such defective part will be repaired or replaced by Fabuwood at its sole discretion. Fabuwood will not provide or pay for the cost of removal of defective product, transportation of defective, repaired or replaced product or installation of repaired or replaced product. If it is not commercially feasible to repair or replace a defective product, we may refund the original price paid by you for the defective product, or provide a credit towards a similar type of product sold by us. Fabuwood will not be responsible for any shipping damages to the defective, replaced or repaired product. If defective item has been discontinued or is not available at the time, Fabuwood reserves the right to replace the item with the most similar item available in Fabuwood's inventory at that time. Fabuwood reserves the right to alter design, specifications and material without obligation to make similar changes to products previously manufactured. Fabuwood cannot guarantee that the finish of any replacement will exactly match the finish and appearance of the defective item due to the natural ageing process of the wood and finishes of the cabinets. Fabuwood may require at its discretion that the customer submit a clear photo, or that a company representative inspect the item being claimed before honoring this warranty.

### CLAIMS

To submit a claim covered under this warranty, the claim must be filed through Fabuwood's EZ pricing system by the original Fabuwood-authorized dealer. In case the original dealer cannot be identified, or they have closed down, the warranty claim, must be emailed to [customerservice@fabuwood.com](mailto:customerservice@fabuwood.com). The email should explain the issue and include pictures showing the claimed defects. Feel free to call 201-432-6555 ext. 1 for assistance.

### NOTE

Please do not send back any items to Fabuwood prior to receiving proper authorization from customer service. Fabuwood takes no responsibility on any items sent back to Fabuwood without proper return authorization.

Last Modified: 01/26/2023: Change of limited warranty duration from 5-years to the original purchaser of the cabinetry for as long as they own their home.
