

Calpulli Touring Company Event Requirements:

Thank you for bringing Calpulli Mexican Dance Company's artists and programs to your space. The following is a list of items needed to ensure an event everyone can enjoy safely with all the technical elements that allow us to do our work.

Contact us with any questions:

Lisa Javelas, General Manager

lisa@calpullidance.org

Phone: 718.507.2617 ext 2

- ☐ Dance compatible surface / floor (non slippery - not cement, not linoleum)
Preferably either marley or masonite (wood).

Note: Calpulli performs Mexican folk dance with percussive/tap dance style shoes. A hard surface is necessary to produce percussive sounds and the shoes ensure proper protection of the performer's bodies. Please contact us in advance if there are concerns about the flooring/intended performance space. Calpulli will not be made responsible for the impossibility of performing on a non-compatible floor if not made aware in advance and full payment will be due.

- ☐ Stage/performance space must be clean, swept and empty so that performers can make full use of the space. If there are tables/chairs/furniture on the stage we request they be removed or placed backstage prior to the performance date.
- ☐ A clean, empty changing room (not a bathroom) for performers to have privacy to get into costume/makeup and to safely secure belongings during the show
**A room close to the designated performance space is preferred for performer quick costume changes during the show*
- ☐ If available, a parking spot for 1 to 2 company vehicles (transporting costumes and/or instruments and equipment)
- ☐ A rack or table to set down costumes in the changing area
- ☐ Bottled water for 5-7 performers
- ☐ Suggestion: a snack or meal for performers is greatly appreciated but not required

Performances with Recorded Music:

- ☐ 1 speaker with bluetooth connectivity
- ☐ 1 to 2 hand-held microphones for MC/narrator

Performances with Live Music:

- ☐ 3 microphones
- ☐ 3 microphone stands
- ☐ 3 amplifiers (compatible with any instrument). If not available, 3 DI boxes
- ☐ 3 music stands
- ☐ 3 chairs
- ☐ 1 speaker with bluetooth connectivity

Speaker Amplifier Example:
