

The **First Annual *Cuvee Cares* Wine and Spirits Weekend** is in the books!

By the numbers, our inaugural weekend was a smashing success, and it was tons of fun!

Between our 10th Ladies Lunch and our 1st Wine and Spirits with a View at L.O.A., *Cuvee Cares* raised funds in support of a Neonatal Ambulance for the Grady Hospital Foundation, Sonoma County Vintner Foundation and Giving Kitchen.

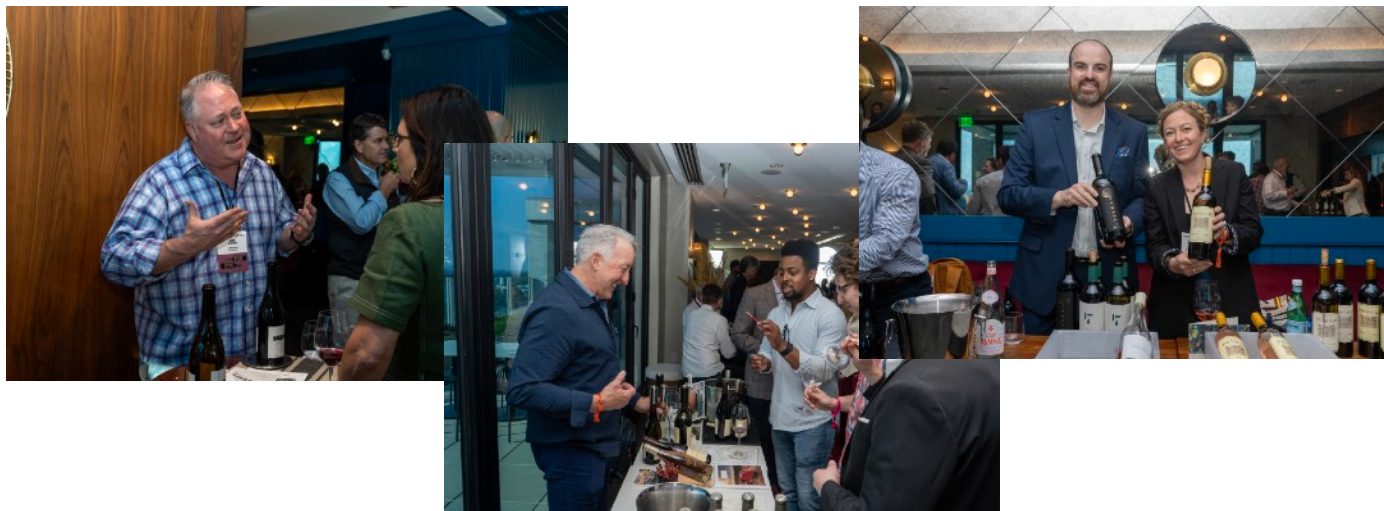

And we're doing it again next year

We entertained **356 attendees** during the weekend festivities

We hosted 26 wine and spirit providers

We soared 300' over downtown Atlanta

We accomplished this year in **THREE** months and using **ZERO** paid staff!  
And we can't wait until next year. Look for bigger and better.
