

# CAREGIVERS CORNER

This book is a Mayo Clinic Guide for offering Care and Support.

“For over twenty years, Ms.

Lunde has made it her mission to improve emotional well-being and quality of life for those living with dementia and their care partners. The book gives you research-backed strategies Ms.

Lunde applies in her work every day. Ms. Lunde has worked in dementia care, education, and research for over twenty years as an associate in neurology in the Mayo Clinic Alzheimer’s Disease Research Center.”
