

ANGELS OF THE VALLEY

Presented by Lehigh Valley Health Network

A Partnership with ArtsQuest and

Speak Up for Ben, Inc.

SpeakUpForBen.org

This memorial banner project aims to raise awareness of the opioid epidemic and reduce the stigma associated with people who have lost their lives due to the disease of substance use.

The project also recognizes the grief felt by families and friends in our community who have lost a loved one as a result of drug use. The banners signify the passing of someone cherished and sends a message that the tragedy of drug-related death is preventable, and those who are suffering should feel no shame in asking for help.

*The banners are displayed in Bethlehem on the SteelStacks campus of ArtsQuest during the month of September (National Recovery Month). New banners are created each year and hung alongside previously created banners. **Photo submissions are accepted by ArtsQuest only during the month of July.***

Should you wish to receive notification when ArtsQuest opens the submission portal, please email info@oasisbethlehem.org.

Once the portal is open, upload your photo and complete the online form:
