

CAPABILITY STATEMENT

Inovitech LLC, established in 2011, is a 100% woman owned small business located in the Washington, DC metropolitan area. Inovitech specializes in building cloud computing applications and provides consultancy services to legal professionals. Our mission is to empower legal professionals so they can increase efficiency and improve collaboration through the use of IS-A-TASK™, the first stand-alone legal project management application designed for government, corporations, law firms, and service providers. IS-A-TASK™ centralizes project scope, embeds dynamic workflow, centralizes communication, and tracks cross matter project management activities such as tasks, deadlines, cost, and staff utilization.
