## Farm Care Information:

- FIRST TIME CUSTOMERS:
  - I will stop over a day or so before you leave to meet you and all your animals, and to see the operation in person. I can either take notes that day, or you can send specific instructions to me however works best for you. (IE: text, email, leave notes at the house, etc)
  - Photos showing identifying marks etc for animals who appear similar may be necessary if feed/care instructions are different for each. (This will help until I get to know all your animals!)
- REPEAT CUSTOMERS:
  - You may request for me to stop over before your trip, or you can just send specific instructions to me however works best for you. (IE: text, email, leave notes at the house, etc.)

May we use your animals' photos for advertisement (Facebook, website, etc):

\*\*We will keep homes and identifying information out of photos and will hold on posting photos until after you have returned home.
