

Display Your Marbles

I have never met anyone who didn't enjoy looking at marbles. So why keep your favorite marbles hidden in the bottom of the toy box?

Here some simple suggestion for displaying your marbles. I set out my favorite marbles next to my bed on plastic "o" rings from the hardware store.

We keep a re-purposed snow globe on our living room lamp table. At Christmas time the marbles are red, green and white. Shown here are some fall colors.

Glass vases make beautiful displays.

Marbles look really good on vintage wood, such as this 1940' machinist's tool chest. I cut an air filter to fit the wooden drawers to keeps the marbles orderly.

Or on a vintage communion tray.
