

October, 2018

Dear Friend,

For over 17 years, the Transformation Project has been a place of healing, restoration, and growth for men and women whose lives have been bound by life-controlling addictions to alcohol and drugs, eating disorders and violence. The services we provide are not government funded but come through faithful friends who donate to our ministry. These gifts along with our fundraising events throughout the year, allow us to provide pre-and post-release discipleship, a biblically based substance abuse program, and life coaching at no cost to addiction-related offenders and their families.

We value our relationship with you and wanted to give you an opportunity to partner with us in the fight against addiction. Our Annual Fundraising Banquet is scheduled for March 28, 2019. Would you prayerfully consider a Sponsorship? By helping us underwrite the cost of the banquet, you are enabling us to use all the funds raised that evening for our day-to-day operating budget.

We have three levels of Sponsorship:

An Executive Partner	\$250-\$499
A President's Partner	\$500-\$1,000
A Vision Partner	Over \$1,000

You'll have your name on our program that will be given out to the 600 guests who attend. We'd love for you to join us that evening, but sponsoring does not require your attendance. If you plan to attend, please contact me at omastrobl@epbf.com or 615-477-0106.

Enclosed is a Sponsorship Form for you to indicate the amount you will give and ask that you please return it to us before March 14th, 2019. Your sponsorship would be greatly appreciated.

Sincerely,

Josephine Strobl
