

Wichita Heights Jr. Baseball Softball League

LEAGUE UPDATE

11/10/2020

To our Players, Coaches, Prospective Participants, and Families:

The organizing Board of the Wichita Heights Jr. Baseball Softball League is once again meeting monthly in order to plan for the upcoming 2021 season – a new season full of HOPE and OPPORTUNITY! Most of our districts will begin the registration process in January 2021.

The WHJBSL is comprised of the following groups: Andover Parks & Recreation, Bel Aire Recreation, Circle Recreation, El Dorado Parks & Recreation, Park City Baseball & Softball, Valley Center Recreation Commission, and the Whitewater Park Board. Each entity is solely responsible for the day-to-day operations and decisions for their local program. Please contact your local district representatives for more specific information regarding the registration process.

Regards,

Don Argo

WHJBSL President
