

I. WHJBSL Severe Weather & Lightning Safety Procedure

The Wichita Heights Jr. Baseball & Softball League has developed a severe weather and lightning safety procedure to minimize the risk of injury from a lightning strike to players, coaches, support staff and fans. In the case of inclement weather and lightning the respective District's will be using various sources of severe weather/lightening detections devices/sources as well as monitoring local weather information on local television stations. The electronic devices for detecting lightning, as well as the Flash-to Bang method detailed in this procedure, will assist League Officials (Umpires and Field Supervisors) to determine and provide recommendation to head coach(es), players, support staff and fans that competition needs to be suspended and/or terminated for the safety of all involved. Lightning is a dangerous phenomenon. Since t-ball / baseball / softball games are played outdoors, all teams associated with the Wichita Heights Jr. Baseball & Softball League are at risk when there is inclement weather and need to comply with this procedure. Once a game or competition has begun, the Umpire or Field Supervisor holds the responsibility of game suspension and/or termination.

NOTE: In the event that a **SEVERE WEATHER WARNING** has been issued for Sedgwick County and/or Harvey County and/or Butler County, the respective District and/or Field Supervisor (whichever is applicable for the time the WARNING is issued) may determine that it is in the best interest of all involved not begin games and/or continue games (whichever is applicable) until such time as the **WARNING** has expired / lifted. In this situation, a notice will be sent via One Call Now (WHJBSL game cancellation service) to the Head Coach of the teams or the Head Coach will be directly contacted at the field, again dependent upon the time the WARNING is issued.

PRIOR TO COMPETITION - IN WHICH NO WARNING HAS BEEN ISSUED: In the event that "weather" may become a factor before games are to begin, the Field Supervisor and/or Umpire will meet with both coaches and make sure that each coach understands and if necessary - explain that we have a means to monitor the severe weather / lightning and what determines the stoppage of play during the game, if there is imminent danger from the severe weather / lightning. The coaches need to understand that it is either the game Umpire(s) and/or the Field Supervisor that will decide whether to discontinue play based on these procedural guidelines.

ONCE GAMES HAVE BEGAN

- **SUSPENSION OF PLAY:** **TWO** confirmed lightning strikes in the 12 mile or under range regardless of the presence of visible lightning will provide a signal that possible severe weather lightning is in the area.

At that time the Field Supervisor will sound an air horn - **1 SHORT HORN BLAST**. Upon this signal all games will be suspended for 15 minutes according to WHJBSL rules (Page 7 - Section VI) and everyone should leave the field/dugout / bleacher area immediately and remain at the complex.

(Alternate Method: Utilization of the Flash-to-Bang Method. Count the seconds from the time the lightning is sighted to when the clap of thunder is heard. Divide this number by five to obtain how far away, in miles, the lightning is occurring. If it reveals lightning to be within 10 miles, (a 50 second count between the flash of lightning and the bang of thunder) the Field Supervisor will sound an air horn - 1 SHORT HORN BLAST. Upon this signal all games will be suspended for 15 minutes according to WHJBSL rules (Page 7 - Section VI) and everyone should leave the field / dugout / bleacher area immediately and remain at the complex.)

- **RESUMPTION OF PLAY:** Upon completion of the 15-minute suspension of play and if the conditions warrant resumption of play, the Field Supervisor will sound **2 SHORT HORN BLASTS**.

(Alternate Method: Fifteen minutes AFTER the last lightning strike within a 10-mile range using the Flash-To-Bang method and if the Field Supervisor feels conditions warrant the resumption of play, 2 SHORT HORN BLASTS will be sounded.)

- **CANCELLATION OF PLAY AND EVACUATION OF THE PLAYING FIELD:** In the event of eminent severe weather - **4 SHORT HORN BLASTS** will be sounded by the Field Supervisor and immediately following the signal, all athletes, coaches, fans, officials and support personnel are to evacuate the field / complex and seek the nearest enclosed grounded shelter or structure.

NO SEVERE WEATHER SAFETY GUIDELINE / POLICY / PROCEDURE WILL GIVE A 100% GUARANTEE OF TOTAL SAFETY BUT FOLLOWING THESE STEPS WILL HELP AVOID POSSIBLE INJURIES. Adopted by the WHJBSL Board on November 2, 2016.

II. WHJBSL Heat Index Guidelines

The Wichita Heights Jr. Baseball & Softball League has implemented the following guidelines to deal with extreme heat at all baseball and softball games and practices. It is designed to provide coaches, parents and participants with a standard for safe play in situations of extreme heat.

The two values that the WHJBSL will take into account when recommending the modifying or canceling of games/practices are air temperature and relative humidity. The combination of these two elements reflects the heat index. We will rely on the heat index reading that is updated hourly by the National Weather Service at the Eisenhower National Airport.

The WHJBSL has defined five heat index zones. These zones are based on recommended guidelines published by the American College of Sports Medicine (ACSM) for participation in sports activities during periods of extreme heat. Because the heat index does not take into account wind and direct sunlight, two degrees will be added to the stated heat index on sunny and still days. Likewise, two degrees will be subtracted on cloudy and windy days.

Coaches are encouraged to following these guidelines for all practices and games outside the jurisdiction of the WHJBSL.

PLEASE NOTE - The heat index will NOT be decided until 10 minutes prior to start of a game. All evening games will finish with the guidelines with which the games started, even if the zone decreases after the game has begun. However, a daytime game may begin in one zone and increase to another zone during the game in which case the game will be completed in whichever is the highest zone reached.

White Zone

Heat index of 65-80 degrees. In this range, the participant is in very little danger from heat and no special measures will be taken by the WHJBSL and the respective District.

Yellow Zone

Heat index of 81-98 degrees. In this range, coaches will be encouraged to take extra steps to protect their players by making sure they keep them hydrated and by encouraging frequent substitution during games and practices.

Orange Zone

Heat index of 99-105 degrees. In this range, the WHJBSL and the respective District will implement the following at games: All measures taken in the Yellow Zone. Catchers will be allowed to catch only two innings in succession. If it is a practice day, coaches are instructed to keep players well hydrated and to take frequent breaks.

Red Zone

Heat index ranging of 106-115 degrees. In this range, the WHJBSL and the respective District will implement the following for games: All measures taken in the Yellow and Orange Zones; the length of games will be modified according to the schedule below.

- Baseball and softball ages 7, 8, 9 & 10 - games will be reduced by 15 minutes
- Baseball and softball ages 11, 12, 13, 14 & 15 - games will be reduced by 20 minutes

If it is a practice day, coaches are instructed to reduce the time of practice, take frequent breaks and keep players well hydrated by having them drink water.

Black Zone

Heat index above 115 degrees. In this range, the WHJBSL and the respective District will cancel all games and / or coaches should cancel practices until the heat index returns to 115 or below.

Note - During the course of the day, the heat index will rise and fall depending upon the time of day, amount of wind, cloud cover, etc. The above program modifications could also change throughout the course of the day, especially on a weekend. For examples, a 1 p.m. game on Saturday could be played under the Orange Zone guidelines and a 4 p.m. game could be played under Red Zone guidelines.

The above are merely guidelines and it is the responsibility of parents to make the ultimate decision as to the participation of their child in WHJBSL events when heat may be a factor, taking into consideration the age and physical condition of their child. Parents also have the ultimate responsibility to inform their child about the dangers of heat and need for protection, including sunscreen and proper hydration. **Adopted by the WHJBSL Board on November 2, 2016.**

Age Group Specific Playing Rules / Modifications

III. BASEBALL - 7 & 8 year olds (Machine Pitch)

Ages 7-8 years old (cannot be 9 on or before May 1, 2020 and must be a minimum age of 6, as of 1/1/20 to be eligible for this division).

League games for this division may begin the week of May 4th. From May 4th through May 21st games will be scheduled for 6:30 p.m. only, with the exception of any Friday games which may be scheduled for 6:30, 8:00 or 8:30 p.m. Beginning the week of May 25th, games may be scheduled for 6:30, 8:00 or 8:30 p.m. The league season OFFICIALLY ends on July 10, 2020, unless extended by the Board of the WHJBSL.

1. Pitching machine distance - 43 feet.
2. Base distance - 60 feet.
3. The pitching machine settings are (BOTH American & National): Power Lever 5 / Release Block 4 / Micro Adjustment 3. NOTE: The WHJBSL will be responsible for purchasing new springs for each game machine in each District and each District will be required to replace said springs each year on all game machines.
4. Regulation game - 5 innings. (3 innings constitute a complete game.)
5. No inning will begin 1 hour and 15 minutes after the official starting time regardless of the innings played, except in case of a tie game. The next inning shall begin immediately following the last out of the previous inning. If the game is tied at the end of regulation play, the game ends in a tie.
6. Run limits - There is a 5 run limit per half inning at bat. Only five (5) runs will count in every inning played, per half inning.
7. Run rule - In games in which a team is leading by at least 10 runs after 4 innings, the game shall be declared a complete game.
8. Free substitution and batting the roster shall apply as defined in Substitution Rules, Section VII. A player shall not remain on the bench more than one defensive half inning at a time.
9. The infield fly rule **will not** be in effect.
10. A batter is out and cannot run on a dropped third strike.
11. A pitched ball is considered a DEAD BALL, for the purposes of determining whether a catcher and/or pitcher may make a play on a baserunner. The ball is dead at all times until it has been put into play by the batter. A runner shall not score from the third base on a passed ball at home plate. The base runner may attempt to advance only on a fair hit, or on a caught fly (fair or foul) after the runner retouches the base (if caught), or if a play is made on the runner at any base. This releases the runner to advance at his own risk, or if a definite play has been made on him. A runner behind a runner at third may not force the runner at third unless the bases are full. The runner is entitled to third base until he is put out or forced to vacate it for another runner entitled to third base.
12. A baserunner cannot lead off or steal a base and must remain in contact with the base, until the ball has left the pitching machine. In the event that a baserunner does not maintain contact with said base until the ball has left the machine, said baserunner will be declared out.
13. Balls and strikes will not be called, no walk, balk, or bases for a hit batsman will be granted. The batter will be called out after three (3) swinging strikes or five (5) pitches unless a foul occurs on the 5th pitch or later pitch. If a batter attempts to bunt on the 3rd strike or 5th pitch, the batter is out if the pitch is fouled. Bunting is allowed.
14. There will be five (5) pitches per batter (in the absence of a machine and a coach is required to pitch, seven (7) pitches will be used). The batter will be declared "OUT" on the third (3rd) swinging strike. If after the allotted number of pitches have been thrown and no contact has been made on the last pitch, the batter is out. EXCEPTION: If on the last pitch the batter fouls the pitch off, they will receive another pitch (and subsequent pitches on foul balls) until they put the ball in play, swing and miss or let the pitch go by.
15. The pitching machine will be placed, with the front edge over where the pitching rubber is / would be located (43 feet). The field umpire will operate the pitching machine and make all necessary adjustments. At the discretion of the base umpire, he/she may adjust the micro adjustment screw as often as deemed necessary, to compensate for the height of the batter or wind conditions. At no time shall the speed of the machine be adjusted. In addition, either umpire has the authority to declare a NO PITCH, at any time that they deem

necessary or in the event of a malfunction of the machine. A “no pitch” is defined as a pitched ball that leaves the pitching machine and hits home plate or any area in front of home plate OR any pitched ball that leaves the pitching machine and is completely above the batter’s head. In the event of a batter swinging at a pitch defined as a no pitch, whether declared or not by the umpire, the pitch, swing and/or play will count. The make, model and speed/settings are determined by the Board of the WHJBSL.

16. A member of the defending team will field in the pitcher’s position. He must remain behind the pitching rubber and off to either side until the ball has left the machine. Penalty will be a no pitch unless the ball is put into play.
17. If a batted ball strikes the machine, the ball is dead, and the batter is awarded 1st base and all other baserunners are awarded one (1) base.
18. If a thrown ball (intentional or unintentional) strikes the machine or the base umpire / pitcher (while inside the circle), the ball is dead, and play is stopped with the runner(s) going to their base(s) as deemed by the umpire.
19. Five-foot (5’) long hash marks will be drawn across the baselines twenty-seven feet (27’) past 1st base, 2nd base, and 3rd base. If a base runner is on or past the hash mark when the umpire declares “Time”, the runner will receive the next base unless a lead runner negates the advancement. If a base runner is not yet to or on the hash mark when the umpire declares “Time”, the runner must return to the last base touched.
20. There shall be a 16’ circle (8’ in radius) drawn from the center of the pitcher’s plate. The line drawn around the pitcher’s plate is considered inside the circle. Once the ball is returned to the kid pitcher, who has possession of the ball within the circle, the umpire shall declare TIME. A pitcher fielding the ball in the circle is just another fielder and (1) may attempt to make a play on a runner (with runners advancing at their own risk) or (2) may hold the ball until the umpire declares time. Once the umpire has declared time, the position of the runner / runners in relation to the hash marks will determine whether they may advance to the next base or must return to the last base touched (see Rule 0).
 - a. *NOTE: The intent of this rule is to help the players in their decision making. If the player is confused as to where the ball should be thrown, they may throw it to the kid pitcher. However, coaches should be encouraged to teach their players to attempt to make a play on a baserunner(s) when at all possible. Simply teaching/instructing the defensive players to return the ball to the youth pitcher inside the circle in every instance, is poor fundamental coaching and is strongly discouraged. It is also the intent of this rule to help the young umpires make a confident call of TIME when the kid pitcher has the ball inside the circle and is not making a play on a runner(s). Coaches should remember that when TIME is called, it is a judgment call by the umpire, and it cannot be argued or challenged.*
21. Two (2) adults will be allowed on the playing field during the game, which is limited to 2 offensive base coaches. No defensive coaches are allowed on the field, during play.
22. Two umpires are used (one plate and one base who will also run the machine).
23. At the election of the coach, either team may use a tenth player in the outfield. The tenth player must be used as a 4th outfielder and cannot be used as an infielder. Neither team is required to play such a tenth player. Either team may elect to use a tenth player regardless of whether or not the other team uses such a tenth player.
24. On any overthrow that enters **DEAD BALL** territory, the ball is declared “dead” and the award is one (1) base from the last base touched. On overthrows that remain in live ball territory, the baserunner(s) are allowed to advance a maximum of one (1) base, at their own risk. This includes attempts at 1st, 2nd and/or 3rd base that result in the ball going into the outfield. *COACHES NOTE: The purpose of this rule is to encourage the players to attempt to make a defensive play on a baserunner and not just return the ball immediately to the kid pitcher and/or be concerned with multiple overthrows. In the event of an overthrow and once a player or players have reached the next base and/or a player or players are retired, the umpire will immediately declare “time” and the play will be ended.*

NOTE: It is strongly recommended that coaches should teach their players NOT to set up in the baseline. They are encouraged to instruct their infielders to begin/set-up either two steps in front of or behind the baseline, as described as an imaginary line drawn directly between the bases. Additionally, coaches are encouraged to instruct their outfielders to begin/set-up at least 5 steps behind the baseline, as described as an imaginary line drawn directly between the bases.

Required Equipment: Catcher - Full catcher’s helmet (NO SKULLCAPS ARE ALLOWED), facemask with throat protector, chest protector and shin guards - (a protective cup is recommended). Batters - Batting helmet. Baserunners - Batting helmet. On deck batter – Batting helmet. Plate Umpire – Facemask with throat protector, chest protector and shin guards (a protective cup is recommended).

IV. BASEBALL - 9 & 10 year olds

Ages 9-10 years old (cannot be 11 on or before May 1, 2020 and must be a minimum age of 8, as of 1/1/20 to be eligible for this division).

League games for this division may begin the week of May 4th. From May 4th through May 21st games will be scheduled for 6:30 p.m. only, with the exception of any Friday games which may be scheduled for 6:30, 8:00 or 8:30 p.m. Beginning the week of May 25th, games may be scheduled for 6:30, 8:00 or 8:30 p.m. The league season OFFICIALLY ends on July 10, 2020, unless extended by the Board of the WHJBSL.

- 1) Pitcher distance - 46 feet.
- 2) Base distance - 65 feet.
- 3) Regulation game - 5 innings. (3 innings constitute a complete game.)
- 4) No inning will begin 1 hour and 30 minutes after the official starting time regardless of the innings played, except in case of a tie game. The next inning shall begin immediately following the last out of the previous inning. **Tie-breaking procedure** - In the event that the score is tied at the end of the last regulation inning, the following procedure will be used: (1) The first extra-inning shall commence with a base runner being placed at second base. The base runner placed at second base, shall be the last batter from the previous inning. (2) In the event that the score is still tied at the end of the first extra inning, the game shall be considered at tie game.
- 5) Run limits - There is a 5 run limit per half inning at bat. Only five (5) runs will count in every inning played (regular and extra), per half inning.
- 6) Run rule - In games in which a team is leading by at least 10 runs after 3 innings, the game shall be declared a complete game.
- 7) Free defensive substitution and batting the roster will apply. See Substitution Rules, Section VII.
- 8) No pitcher shall be allowed to pitch in more than three (3) innings in a game. NOTE: If a pitcher delivers one (1) pitch in an inning, that pitcher will be charged for one (1) inning pitched. Penalty for violation of this rule: Forfeiture of the game.
- 9) The infield fly rule **will not** be in effect.

NOTE: Although not officially a rule by WHJBSL definition, it is strongly recommended that no pitcher be allowed to pitch in more than six (6) innings in a calendar week. In addition, the generally accepted "pitch count" standard used by Little League Baseball is as follows: No more than 75 pitches per day. If the pitch count reaches 61 to 75, a minimum of 3 days rest should be allowed before said pitcher is allowed to pitch again. If the pitch count is between 41 to 60 pitches, a minimum a 2 days' rest should be allowed before said pitcher is allowed to pitch again. If the pitch count is between 21 to 40 pitches, a minimum a 1 days' rest should be allowed before said pitcher is allowed to pitch again. If 20 or less pitches are thrown in a day, there should be no specific days of rest.

American Division only - A batter is out and cannot run on a dropped third strike.

American Division only - Stealing: The baserunner must maintain in contact with the base until the ball has left the pitcher's hand (normal delivery to home plate). In the event that the baserunner does not maintain contact with the base until the ball has left the pitcher's hand, said baserunner will be declared out. There are no pick-off moves allowed. The baserunner may advance one (1) base on a steal attempt, unless the ball is "hit" into fair territory, which would allow the baserunner to act as a normal baserunner. A baserunner can only advance to home plate on a bases loaded walk, a ball hit into fair territory or a caught fly ball in either fair or foul territory, after tagging up. A baserunner at 3rd base that "comes down the line" at the time of a pitch is susceptible to having a play being made on them as they attempt to return to 3rd base. However, a baserunner in this situation is not allowed

to attempt to advance home regardless of a play being made on them and/or an overthrow at 3rd base. NOTE: On a fly ball in fair or foul territory that is caught by a fielder, a baserunner may tag up and advance at their own risk. This situation IS NOT considered “stealing”.

American Division only - Pitchers: Balks WILL NOT be called.

American Division only - Each batter will face a player pitcher. No walks will be allowed. Once a player pitcher has thrown 4 balls to a batter, the batter will continue their at bat with the existing count and will receive UP TO 3 additional pitches thrown by the offensive coach until they either have hit a ball fair or strikes out. (EXAMPLE: If a batter has a count of 4 balls and no strikes, they will receive up to 3 pitches to hit a ball fair or strike out / if a batter has a count of 4 balls and 1 strike, they will receive up to 2 pitches to hit a ball fair or strike out / if a batter has a count of 4 balls and 2 strikes, they will receive 1 pitch to hit a ball fair or strike out.) A batter cannot end their bat on a foul ball unless the defense catches it in the air. Coach pitchers must remain in the dugout unless they are pitching. Coach pitcher must keep both feet in the pitching circle or within the confines of the pitcher mound (whichever is applicable) when delivering a pitch (exception of stride step) but need not pitch from the pitcher’s plate.

NOTE: Either umpire has the authority to declare a NO PITCH at any time they deem necessary on a pitch thrown by the coach pitcher, AS LONG AS IT MEETS THE FOLLOWING REQUIREMENT - A “no pitch” may be called by either umpire on any pitch thrown by the coach pitcher on a pitch that leaves the coach pitchers hand and hits home plate and/or any area in front of home plate OR any pitched ball that leaves the coach pitchers hand and is completely above the batters head. *(There is no consideration of having a pitch called a no pitch for any pitch thrown by the coach pitcher that is inside or outside)* In the event that the batter swings at a pitch defined as a no pitch, whether declared by the umpire or not, the pitch, swing and/or results of the play will count.

Batters, who are struck by a pitch from a player pitcher without swinging at the ball, will be awarded 1st base. If a batter is hit by a pitch thrown by a coach pitcher and the batter does not swing at the pitch, the umpire shall declare the pitch unhittable and the pitch will be replayed as a no-pitch. If a batter swings at a pitch and it strikes them, it is counted as a strike and no base will be awarded.

A batted ball which strikes the coach pitcher before it is touched by a defensive player is ruled a dead ball and the pitch is ruled a dead ball and the pitch will be replayed as a no pitch. A batted ball that strikes a coach pitcher after it is touched by a defensive player and/or has passed a defensive player playing an infield position shall be considered a live ball and in play. Bunting is only allowed when the pitch is delivered by a player pitcher. Stealing is only allowed when the pitch is delivered by a player pitcher. (This rule was added to eliminate a batter from receiving a “base on balls” by the player pitcher in U10 AMERICAN only.)

Required Equipment: Catcher - Full catchers’ helmet (NO SKULLCAPS ARE ALLOWED), facemask with throat protector, chest protector and shin guards - (a protective cup is recommended). Batters - Batting helmet. Baserunners - Batting helmet. On deck batter – Batting helmet. Plate Umpire – Facemask with throat protector, chest protector and shin guards (a protective cup is recommended).

NOTE: NO BALK WARNINGS WILL BE ISSUED IN ANY DIVISION OF BASEBALL.

V. BASEBALL - 11 & 12 year olds

Ages 11-12 years old (cannot be 13 on or before May 1, 2020 and must be a minimum age of 10, as of 1/1/20 to be eligible for this division).

League games for this division may begin the week of May 4th. From May 4th through May 21st games will be scheduled for 6:30 p.m. only, with the exception of any Friday games which may be scheduled for 6:30, 8:00 or 8:30 p.m. Beginning the week of May 25th, games may be scheduled for 6:30, 8:00 or 8:30 p.m. The league season OFFICIALLY ends on July 10, 2020, unless extended by the Board of the WHJBSL.

- 1) Pitcher distance - 50 feet.
- 2) Base distance - 70 feet.
- 3) Regulation game - 5 innings. (3 innings constitute a complete game.)
- 4) No inning will begin 1 hour and 30 minutes after the official starting time regardless of the innings played, except in case of a tie game. The next inning shall begin immediately following the last out of the previous inning. **Tie-breaking procedure** - Beginning with the first “extra inning” the offensive team shall begin its turn at bat with the player who is scheduled to bat last in that respective half inning being placed on 2nd base. This person MAY NOT be substituted for. If the game is tied at the end of the first extra inning, the offensive team shall begin its turn at bat with the players who are scheduled to bat last and next to last in that respective half inning being placed on 2nd and 3rd base. These persons MAY NOT be substituted for. If the game is tied at the end of the second extra inning, the game ends in a tie.
- 5) Run limits - There is a 5 run limit per half inning at bat. Only five (5) runs will count in every inning played (regular and extra), per half inning.
- 6) Run rule - In games in which a team is leading by at least 15 runs after 3 innings, or 10 runs after 4 innings, the game shall be declared a complete game.
- 7) Free defensive substitution and batting the roster will apply. See Substitution Rules, Section VII.
- 8) No pitcher shall be allowed to pitch in more than four (4) innings in a game. NOTE: If a pitcher delivers one (1) pitch in an inning, that pitcher will be charged for one (1) inning pitched. Penalty for violation of this rule: Forfeiture of the game.
- 9) The infield fly rule **will not** be in effect.

NOTE: Although not officially a rule by WHJBSL definition, it is strongly recommended that no pitcher be allowed to pitch in more than eight (8) innings in a calendar week. In addition, the generally accepted “pitch count” standard used by Little League Baseball. No more than 85 pitches per day. If the pitch count reaches 61 to 85, a minimum of 3 days rest should be allowed before said pitcher is allowed to pitch again. If the pitch count is between 41 to 60 pitches, a minimum a 2 days’ rest should be allowed before said pitcher is allowed to pitch again. If the pitch count is between 21 to 40 pitches, a minimum a 1 days’ rest should be allowed before said pitcher is allowed to pitch again. If 20 or less pitches are thrown in a day, there should be no specific days of rest.

Required Equipment: Catcher - Full catcher’s helmet (NO SKULLCAPS ARE ALLOWED), facemask with throat protector, chest protector and shin guards - (a protective cup is recommended). Batters - Batting helmet. Baserunners - Batting helmet. On deck batter – Batting helmet. Plate Umpire – Facemask with throat protector, chest protector and shin guards (a protective cup is recommended).

NOTE: NO BALK WARNINGS WILL BE ISSUED IN ANY DIVISION OF BASEBALL.

VI. BASEBALL - 13 & 14 year olds

Ages 13-14 years old (cannot be 15 on or before May 1, 2020 and must be a minimum age of 12, as of 1/1/20 to be eligible for this division).

League games for this division may begin the week of May 18th. From May 18th through May 21st games will be scheduled for 6:30 p.m. only, with the exception of any Friday games which may be scheduled for 6:30, 8:00 or 8:30 p.m. Beginning the week of May 25th, games may be scheduled for 6:30, 8:00 or 8:30 p.m. The league season OFFICIALLY ends on July 10, 2020, unless extended by the Board of the WHJBSL.

- 1) Pitching distance - American: 54 feet.
- 2) Base distance - American 80 feet.
- 3) Pitching distance - National 60 feet - 6 inches
- 4) Base distance - National 90 feet
- 5) Regulation game - 6 innings. (4 innings constitute a complete game.)
- 6) No inning will begin 1 hour and 45 minutes after the official starting time regardless of the innings played, except in the case of a tie. The next inning shall begin immediately following the last out of the previous inning. **Tie-breaking procedure** - Beginning with the first “extra inning” the offensive team shall begin its turn at bat with the player who is scheduled to bat last in that respective half inning being placed on 2nd base. This person MAY NOT be substituted for. If the game is tied at the end of the first extra inning, the offensive team shall begin its turn at bat with the players who are scheduled to bat last and next to last in that respective half inning being placed on 2nd and 3rd base. These persons MAY NOT be substituted for. If the game is tied at the end of the second extra inning, the game ends in a tie.
- 7) Run limits - There is a 5 run limit per half inning at bat. Only five (5) runs will count in every inning played (regular and extra), per half inning.
- 8) Run rule - In games in which a team is leading by at least 15 runs after 4 innings, or 10 runs after 5 innings, the game shall be declared a complete game
- 9) The infield fly rule **WILL** be in effect.
- 10) Each coach may use the Re-entry rule or bat the roster with free substitutions as defined in the Substitution Rules, Section V11. The Coach must declare the option under which they are playing to the plate umpire prior to the commencement of the game as well as to the official scorekeeper. Once the coach announces the option and play commences, that team must continue to play the entire game under that option. Each coach may choose either option.
If the Re-entry rule is chosen, at the coach’s option, a designated hitter may be used for any player in the lineup as defined in Substitution Rules, Section VII.
If free substitution and batting the roster is chosen, it is recommended that no player shall remain on the bench for more than one defensive inning at a time.
- 11) No pitcher shall be allowed to pitch in more than five (5) innings in a game. NOTE: If a pitcher delivers one (1) pitch in an inning, that pitcher will be charged for one (1) inning pitched. Penalty for violation of this rule: Forfeiture of the game.

Required Equipment: Catcher - Full catcher’s helmet (NO SKULLCAPS ARE ALLOWED), facemask with throat protector, chest protector and shin guards - (a protective cup is recommended). Batters - Batting helmet. Baserunners - Batting helmet. On deck batter – Batting helmet. Plate Umpire – Facemask with throat protector, chest protector and shin guards (a protective cup is recommended).

NOTE: NO BALK WARNINGS WILL BE ISSUED IN ANY DIVISION OF BASEBALL.

VII. SOFTBALL - 7 & 8 year olds (Machine Pitch)

Ages 8 years old and under (cannot be 9 on or before January 01, 2020 and must be a minimum age of 6, as of 1/1/20 to be eligible for this division).

League games for this division may begin the week of May 4th. From May 4th through May 21st games will be scheduled for 6:30 p.m. only, with the exception of any Friday games which may be scheduled for 6:30, 8:00 or 8:30 p.m. Beginning the week of May 25th, games may be scheduled for 6:30, 8:00 or 8:30 p.m. The league season OFFICIALLY ends on July 10, 2020, unless extended by the Board of the WHJBSL.

- 1) Pitching machine distance - 35 feet.
- 2) Base distance - 60 feet.
- 3) The pitching machine settings are: Power Lever 3 / Release Block 4 and Micro Adjustment 3. NOTE: The WHJBSL will be responsible for purchasing new springs for each game machine in each District and each District will be required to replace said springs each year on all game machines.
- 4) Regulation game - 5 innings. (3 innings constitute a complete game.)
- 5) No inning will begin 1 hour and 15 minutes after the official starting time regardless of the innings played, except in case of a tie game. The next inning shall begin immediately following the last out of the previous inning. If the game is tied at the end of regulation play, the game ends in a tie.
- 6) Run limits - There is a 5 run limit per half inning at bat. Only five (5) runs will count in every inning played per half inning.
- 7) Run rule - In games in which a team is leading by at least 10 runs after 4 innings, the game shall be declared a complete game.
- 8) Free substitution and batting the roster shall apply as defined in Substitution Rules, Section VII. A player shall not remain on the bench more than one defensive half inning at a time.
- 9) The infield fly rule **will not** be in effect.
- 10) A batter is out and cannot run on a dropped third strike.
- 11) A pitched ball is considered a DEAD BALL, for the purposes of determining whether a catcher and/or pitcher may make a play on a baserunner. The ball is dead at all times until it has been put into play by the batter. A runner shall not score from the third base on a passed ball at home plate. The base runner may attempt to advance only on a fair hit, or on a caught fly (fair or foul) after the runner retouches the base (if caught), or if a play is made on the runner at any base. This releases the runner to advance at his own risk, or if a definite play has been made on him. A runner behind a runner at third may not force the runner at third unless the bases are full. The runner is entitled to third base until he is put out or forced to vacate it for another runner entitled to third base.
- 12) A baserunner cannot lead off or steal a base and must remain in contact with the base, until the ball has left the pitching machine. In the event that a baserunner does not maintain contact with said base until the ball has left the machine, said baserunner will be declared out.
- 13) Balls and strikes will not be called, no walk, balk, or bases for a hit batsman will be granted. The batter will be called out after three (3) swinging strikes or five (5) pitches unless a foul occurs on the 5th pitch or later pitch. If a batter attempts to bunt on the 3rd strike or 5th pitch, the batter is out if the pitch is fouled. Bunting is allowed.
- 14) There will be five (5) pitches per batter (in the absence of a machine and a coach is required to pitch, seven (7) pitches will be used). The batter will be declared "OUT" on the third (3rd) swinging strike. If after the allotted number of pitches have been thrown and no contact has been made on the last pitch, the batter is out. EXCEPTION: If on the last pitch the batter fouls the pitch off, they will receive another pitch (and subsequent pitches on foul balls) until they put the ball in play, swing and miss or let the pitch go by.
- 15) The pitching machine will be placed, with the front edge over where the pitching rubber is / would be located (35 feet). The field umpire will operate the pitching machine and make all necessary adjustments. At the discretion of the base umpire, he/she may adjust the micro adjustment screw as often as deemed necessary, to compensate for the height of the batter or wind conditions. At no time, shall the speed of the machine be adjusted. In addition, either umpire has the authority to declare a NO PITCH, at any time that they deem necessary or in the event of a malfunction of the machine. A "no pitch" is defined as a pitched ball that leaves the pitching machine and hits home plate or any area in front of home plate OR any pitched ball that leaves the pitching machine and is completely above the batter's head. In the event of a batter swinging at a pitch defined

as a no pitch, whether declared or not by the umpire, the pitch, swing and/or play will count. The make, model and speed/settings are determined by the Board of the WHJBSL.

- 16) A member of the defending team will field in the pitcher's position. She must remain behind the pitching rubber and off to either side until the ball has left the machine. Penalty will be a no pitch unless the ball is put into play.
- 17) If a batted ball strikes the machine, the ball is dead, and the batter is awarded 1st base and all other baserunners are awarded one (1) base.
- 18) If a thrown ball (intentional or unintentional) strikes the machine or the base umpire / pitcher (while inside the circle), the ball is dead, and play is stopped with the runner(s) going to their base(s) as deemed by the umpire.
- 19) Five-foot (5') long hash marks will be drawn across the baselines twenty-seven feet (27') past 1st base, 2nd base, and 3rd base. If a base runner is on or past the hash mark when the umpire declares "Time", the runner will receive the next base unless a lead runner negates the advancement. If a base runner is not yet to or on the hash mark when the umpire declares "Time", the runner must return to the last base touched.
- 20) There shall be a 16' circle (8' in radius) drawn from the center of the pitcher's plate. The line drawn around the pitcher's plate is considered inside the circle. Once the ball is returned to the kid pitcher, who has possession of the ball within the circle, the umpire shall declare TIME. A pitcher fielding the ball in the circle is just another fielder and (1) may attempt to make a play on a runner (with runners advancing at their own risk) or (2) may hold the ball until the umpire declares time. Once the umpire has declared time, the position of the runner / runners in relation to the hash marks will determine whether they may advance to the next base or must return to the last base touched (see Rule 0).

NOTE: The intent of this rule is to help the players in their decision making. If the player is confused as to where the ball should be thrown, they may throw it to the kid pitcher. However, coaches should be encouraged to teach their players to attempt to make a play on a baserunner(s) when at all possible. Simply teaching/instructing the defensive players to return the ball to the youth pitcher inside the circle in every instance, is poor fundamental coaching and is strongly discouraged. It is also the intent of this rule to help the young umpires make a confident call of TIME when the kid pitcher has the ball inside the circle and is not making a play on a runner(s). Coaches should remember that when TIME is called, it is a judgment call by the umpire, and it cannot be argued or challenged.

- 21) Two (2) adults will be allowed on the playing field during the game, which is limited to 2 offensive base coaches. No defensive coaches are allowed on the field, during play.
- 22) Two umpires are used (one plate and one base who will also run the machine).
- 23) At the election of the coach, either team may use a tenth player in the outfield. The tenth player must be used as a 4th outfielder and cannot be used as an infielder. Neither team is required to play such a tenth player. Either team may elect to use a tenth player regardless of whether or not the other team uses such a tenth player.
- 24) On any overthrow that enters **DEAD BALL** territory, the ball is declared "dead" and the award is one (1) base from the last base touched. On overthrows that remain in live ball territory, the baserunner(s) are allowed to advance a maximum of one (1) base, at their own risk. This includes attempts at 1st, 2nd and/or 3rd base that result in the ball going into the outfield. **COACHES NOTE:** The purpose of this rule is to encourage the players to attempt to make a defensive play on a baserunner and not just return the ball immediately to the kid pitcher and/or be concerned with multiple overthrows. In the event of an overthrow and once a player or players have reached the next base and/or a player or players are retired, the umpire will immediately declare "time" and the play will be ended.

NOTE: It is strongly recommended that coaches should teach their players NOT to set up in the baseline. They are encouraged to instruct their infielders to begin/set-up either two steps in front of or behind the baseline, as described as an imaginary line drawn directly between the bases. Additionally, coaches are encouraged to instruct their outfielders to begin/set-up at least 5 steps behind the baseline, as described as an imaginary line drawn directly between the bases.

Required Equipment: Catcher - Full catcher's helmet (NO SKULLCAPS ARE ALLOWED), facemask with throat protector, chest protector and shin guards - (a protective cup is recommended). Batters - Batting helmet with facemask. Baserunners - Batting helmet with facemask. On deck batter – Batting helmet with facemask. Plate Umpire – Facemask with throat protector, chest protector and shin guards (a protective cup is recommended).

VII. SOFTBALL - 9 & 10 year olds

Ages 10 years old and under (cannot be 11 on or before January 01, 2020 and must be a minimum age of 8, as of 1/1/20 to be eligible for this division).

League games for this division may begin the week of May 4th. From May 4th through May 21st games will be scheduled for 6:30 p.m. only, with the exception of any Friday games which may be scheduled for 6:30, 8:00 or 8:30 p.m. Beginning the week of May 25th, games may be scheduled for 6:30, 8:00 or 8:30 p.m. The league season OFFICIALLY ends on July 10, 2020, unless extended by the Board of the WHJBSL.

- 1) Pitcher distances - 35 feet.
- 2) Base distance - 60 feet.
- 3) Regulation game - 5 innings. (3 innings constitute a complete game.)
- 4) No inning will begin 1 hour and 30 minutes after the official starting time regardless of the innings played, except in case of a tie game. The next inning shall begin immediately following the last out of the previous inning. **Tie-breaking procedure** - In the event that the score is tied at the end of the last regulation inning, the following procedure will be used: (1) The first extra-inning shall commence with a base runner being placed at second base. The base runner placed at second base, shall be the last batter from the previous inning. (2) In the event that the score is still tied at the end of the first extra inning, the game shall be considered at tie game.
- 5) Run limits - There is a 5 run limit per half inning at bat. Only five (5) runs will count in every inning played (regular and extra), per half inning.
- 6) Run rule - In games in which a team is leading by at least 10 runs after 3 innings, the game shall be declared a complete game.
- 7) Free defensive substitution and batting the roster will apply. See Substitution Rules, Section VII. It is recommended that each player present and eligible to play should play at least 1 complete inning on defense.
- 8) A batter is out and cannot run on a dropped third strike.
- 9) The infield fly rule **will not** be in effect.
- 10) Stealing: The baserunner must maintain in contact with the base until the ball has left the pitcher's hand (normal delivery to home plate). The baserunner may advance one (1) base on a steal attempt, unless the ball is "hit" into fair territory, which would allow the baserunner to act as a normal baserunner. A baserunner can only advance to home plate on a bases loaded walk, a ball hit into fair territory or a caught fly ball in either fair or foul territory, after tagging up. A baserunner at 3rd base that "comes down the line" at the time of a pitch is susceptible to having a play being made on them as they attempt to return to 3rd base. However, a baserunner in this situation is not allowed to attempt to advance home regardless of a play being made on them and/or an overthrow at 3rd base. NOTE: On a fly ball in fair or foul territory that is caught by a fielder, a baserunner may tag up and advance at their own risk. This situation IS NOT considered "stealing".
- 11) At the election of the coach, either team may use a tenth player in the outfield. The tenth player must be used as a 4th outfielder and cannot be used as an infielder. Neither team is required to play such a tenth player. Either team may elect to use a tenth player regardless of whether or not the other team uses such a tenth player.
- 12) **AMERICAN DIVISION ONLY** - Each batter will face a player pitcher. No walks will be allowed. Once a player pitcher has thrown 4 balls to a batter, the batter will continue their at bat with the existing count and will receive UP TO 3 additional pitches thrown by the offensive coach until they either have hit a ball fair or strikes out. (EXAMPLE: If a batter has a count of 4 balls and no strikes, they will receive up to 3 pitches to hit a ball fair or strike out / if a batter has a count of 4 balls and 1 strike, they will receive up to 2 pitches to hit a ball fair or strike out / if a batter has a count of 4 balls and 2 strikes, they will receive 1 pitch to hit a ball fair or strike out.) A batter cannot end their bat on a foul

ball unless the defense catches it in the air. Coach pitchers must remain in the dugout unless they are pitching. Coach pitcher must keep both feet in the pitching circle or within the confines of the pitcher mound (whichever is applicable) when delivering a pitch (exception of stride step) but need not pitch from the pitcher's plate.

NOTE: Either umpire has the authority to declare a NO PITCH at any time they deem necessary on a pitch thrown by the coach pitcher, AS LONG AS IT MEETS THE FOLLOWING REQUIREMENT - A "no pitch" may be called by either umpire on any pitch thrown by the coach pitcher on a pitch that leaves the coach pitchers hand and hits home plate and/or any area in front of home plate OR any pitched ball that leaves the coach pitchers hand and is completely above the batters head. *(There is no consideration of having a pitch called a no pitch for any pitch thrown by the coach pitcher that is inside or outside)* In the event that the batter swings at a pitch defined as a no pitch, whether declared by the umpire or not, the pitch, swing and/or results of the play will count.

Batters, who are struck by a pitch from a player pitcher without swinging at the ball, will be awarded 1st base. If a batter is hit by a pitch thrown by a coach pitcher and the batter does not swing at the pitch, the umpire shall declare the pitch unhittable and the pitch will be replayed as a no-pitch. If a batter swings at a pitch and it strikes them, it is counted as a strike and no base will be awarded.

A batted ball which strikes the coach pitcher before it is touched by a defensive player is ruled a dead ball and the pitch is ruled a dead ball and the pitch will be replayed as a no pitch. A batted ball that strikes a coach pitcher after it is touched by a defensive player and/or has passed a defensive player playing an infield position shall be considered a live ball and in play. Bunting is only allowed when the pitch is delivered by a player pitcher. Stealing is only allowed when the pitch is delivered by a player pitcher. (This rule was added to eliminate a batter from receiving a "base on balls" by the player pitcher.)

NATIONAL DIVISION ONLY - ASA fastpitch pitching rules apply to this division.

Required Equipment: Catcher - Full catcher's helmet (NO SKULLCAPS ARE ALLOWED), facemask with throat protector, chest protector and shin guards - (a protective cup is recommended). Batters - Batting helmet with facemask. Baserunners - Batting helmet with facemask. On deck batter – Batting helmet with facemask. Plate Umpire – Facemask with throat protector, chest protector and shin guards (a protective cup is recommended).

IX. SOFTBALL - 11 & 12 year olds

Ages 12 years old and under (cannot be 13 on or before January 01, 2020 and must be a minimum age of 10, as of 1/1/20 to be eligible for this division).

League games for this division may begin the week of May 4th. From May 4th through May 21st games will be scheduled for 6:30 p.m. only, with the exception of any Friday games which may be scheduled for 6:30, 8:00 or 8:30 p.m. Beginning the week of May 25th, games may be scheduled for 6:30, 8:00 or 8:30 p.m. The league season OFFICIALLY ends on July 10, 2020, unless extended by the Board of the WHJBSL.

- 1) Pitcher distance - 40 feet.
- 2) Base distance - 60 feet.
- 3) Regulation game - 5 innings. (3 innings constitute a complete game.)
- 4) No inning will begin 1 hour and 30 minutes after the official starting time regardless of the innings played, except in case of a tie game. The next inning shall begin immediately following the last out of the previous inning. **Tie-breaking procedure** - Beginning with the first "extra inning" the offensive team shall begin its turn at bat with the player who is scheduled to bat last in that respective half inning being placed on 2nd base. This person MAY NOT be substituted for. If the game is tied at the end of the first extra inning, the offensive team shall begin its turn at bat with the players who are scheduled to bat last and next to last in that respective half inning being placed on 2nd and 3rd base. These persons MAY NOT be substituted for. If the game is tied at the end of the second extra inning, the game ends in a tie.
- 5) Run limits - There is a 5 run limit per half inning at bat. Only five (5) runs will count in every inning played (regular and extra), per half inning.
- 6) Run rule - In games in which a team is leading by at least 15 runs after 3 innings, or 10 runs after 4 innings, the game shall be declared a complete game.
- 7) Free defensive substitution and batting the roster will apply. See Substitution Rules, Section VII. It is recommended that each player present and eligible to play should play at least 2 complete innings on defense.
- 8) A 4th outfielder **IS NOT** permitted.
- 9) The infield fly rule **will not** be in effect.

Required Equipment: Catcher - Full catcher's helmet (NO SKULLCAPS ARE ALLOWED), facemask with throat protector, chest protector and shin guards - (a protective cup is recommended). Batters - Batting helmet with facemask. Baserunners - Batting helmet with facemask. On deck batter – Batting helmet with facemask. Plate Umpire – Facemask with throat protector, chest protector and shin guards (a protective cup is recommended).

X. SOFTBALL - 13, 14 & 15 year olds

Ages 15 years old and under (cannot be 16 on or before January 01, 2020 and must be a minimum age of 12, as of 1/1/20 to be eligible for this division).

League games for this division may begin the week of May 18th. From May 18th through May 21st games will be scheduled for 6:30 p.m. only, with the exception of any Friday games which may be scheduled for 6:30, 8:00 or 8:30 p.m. Beginning the week of May 25th, games may be scheduled for 6:30, 8:00 or 8:30 p.m. The league season OFFICIALLY ends on July 10, 2020, unless extended by the Board of the WHJBSL.

- 1) Pitching distance - 43 feet.
- 2) Base distance - 60 feet.
- 3) Regulation game - 6 innings. (4 innings constitute a complete game.)
- 4) No inning will begin 1 hour and 45 minutes after the official starting time regardless of the innings played, except in the case of a tie. The next inning shall begin immediately following the last out of the previous inning. **Tie-breaking procedure** - Beginning with the first "extra inning" the offensive team shall begin its turn at bat with the player who is scheduled to bat last in that respective half inning being placed on 2nd base. This person MAY NOT be substituted for. If the game is tied at the end of the first extra inning, the offensive team shall begin its turn at bat with the players who are scheduled to bat last and next to last in that respective half inning being placed on 2nd and 3rd base. These persons MAY NOT be substituted for. If the game is tied at the end of the second extra inning, the game ends in a tie.
- 5) Run limits - There is a 5 run limit per half inning at bat. Only five (5) runs will count in every inning played (regular and extra), per half inning.
- 6) Run rule - In games in which a team is leading by at least 15 runs after 4 innings or 10 runs after 5 innings the game shall be declared a complete game.
- 7) Each coach may use the re-entry rule or bat the roster with free substitutions as defined in the Substitution Rules, Section V11 or use the ASA DP/FLEX option. The Coach must declare the option under which they are playing to the plate umpire prior to the commencement of the game as well as to the official scorekeeper. Once the coach announces the option and play commences, that team must continue to play the entire game under that option. Each coach may choose whichever option they want. It is recommended that no player shall remain on the bench for more than one defensive inning at a time.
- 8) The infield fly rule **WILL** be in effect.

Required Equipment: Catcher - Full catcher's helmet (NO SKULLCAPS ARE ALLOWED), facemask with throat protector, chest protector and shin guards - (a protective cup is recommended). Batters - Batting helmet with facemask. Baserunners - Batting helmet with facemask. On deck batter – Batting helmet with facemask. Plate Umpire – Facemask with throat protector, chest protector and shin guards (a protective cup is recommended).

XI. GENERAL LEAGUE RULES

WHJBSL will generally be governed by:

Baseball: Current **NBC** rules modifications contained herein.

Softball: Current **ASA** rules for fast pitch with modifications contained herein.

1. Once schedules have been published, no changes can be made without the consent of the Senior District Reps. of the teams involved. **PENALTY: FORFEITURE BY BOTH TEAMS.** NOTE: The Board of the WHJBSL reserves the right to consolidate divisions, if deemed in the best interest of the league.
2. Trophies will be awarded in three (3) places for all age groups.
3. The Board shall select a type of baseball and softball for use in league games. These types of balls shall be used for all league games. Failure to provide league-approved balls, when requested, will result in forfeiture by the home team. The following types of baseballs and softballs are the official balls recognized by the WHJBSL and must be used in all WHJBSL games:
 - ♦ 7 & 8-year-old baseball and 9 & 10-year-old “American” baseball - (any manufacturer) RIF Level 10 baseball.
 - ♦ 9 & 10-year-old “National” baseball, 11 & 12-year-old baseball and 13 & 14-year-old baseball - (any manufacturer) - *minimum* of a High School specification baseball.
 - ♦ 7 & 8-year-old softball and 9 & 10-year-old softball - (any manufacturer) RIF Level 10 - 11" optic yellow softball or (any manufacturer - ASA approved) .47 core 11" optic yellow softball.
 - ♦ 11 & 12-year-old softball and 13, 14 & 15-year-old softball - (any manufacturer) RIF Level 10 - 12" optic yellow softball or (any manufacturer - ASA approved) .47 core 12" optic yellow softball.
4. Only certified / approved bats by the National Baseball Congress and/or Amateur Softball Association may be used in a respective baseball or softball game. **EXCEPTION - SEE RULE 26.**
5. For games scheduled to start at 6:30 p.m. At 6:05 p.m., the **HOME** team will be given the infield for ten minutes. At 6:15 p.m., the **VISITING** team will take the infield for ten (10) minutes. At 6:25 p.m., the Umpires will hold a pre-game conference with the coaches; the game will begin at 6:30 p.m. On fields where a second game is scheduled, the visiting team will take the infield five minutes after the early game is completed, or 8:05 p.m., whichever is later. The visiting team will have ten minutes for infield, followed by ten minutes for the home team; the umpires will hold a pre-game conference immediately following the home team’s infield practice and begin the game immediately thereafter. (This rule is intended to clarify and standardize pre-game warm-ups.)
6. All score books should be signed by the chief umpire after the game.
7. Both coaches will meet with the chief umpire at home plate to go over ground rules, and exchange lineups. **LAST NAMES AND FIRST INITIALS WILL BE USED.**
8. The **WINNING** coach will be required to e-mail the score of the game in to the WHJBSL *Recorder of Standings*, **within forty-eight (48) hours upon the completion of the game or it will be recorded as a LOSS for both teams.** This does not remove the responsibility of the Home Coach calling in postponements or rainouts.
9. Approved headgear must be worn at all times by all offensive players, outside of the dugout. Headgear is required when a batter enters the batting box. If the pitcher toes the rubber while the batter is in the batter’s box and the batter is without a helmet, the batter will be called OUT.
10. All players must have numbers on their shirts or uniform tops. No two players shall have the same number.
11. Each team may have only one offensive conference per inning. An offensive conference is defined as a stoppage of play by the offensive team that involves a “verbal” communication between the batter and an offensive coach. A batter requesting time (and if granted), stepping out of the batter box with one or both feet and receiving “signs” from an offensive coach, will not be considered verbal communication/an offensive conference. Umpires will caution the coach if a second offensive conference is called for in an inning, and if the coach persists, the umpire may eject the coach from the game. Injury time-outs are not to be confused with offensive conferences.

12. SUBSTITUTION RULES:

The following substitution options may be available to a coach, depending upon the division in which his/her team is playing. If the coach has an option, the coach must declare the option under which they are playing to the plate umpire prior to the commencement of the game as well as to the official score keeper. Once the coach announces the option and play commences, that team must continue to play the entire game under that option.

FREE DEFENSIVE SUBSTITUTION AND BATTING THE ROSTER

Each Coach may substitute at the beginning of each half inning, any of his or her defensive players. That is any field position can be changed without having to report to the umpire. This does not mean that there will be changes in the batting order, once it has been given to the umpire. This rule does not apply to relief pitchers. It is recommended that no player shall remain on the bench for more than one defensive inning at a time.

A pitcher removed from that position for a relief pitcher might return to pitch again as long as it is in a different inning. It may not violate the WHJBSL substitution rule.

An offensive player can only be substituted for due to injury or illness. If the player is removed from a position on the base path for any injury or illness, he or she may return to play later in the game. If the player is removed for injury or illness, no out will be credited when the player's name comes up in the batting order again, but they cannot participate for the remainder of the game.

RE-ENTRY RULE

Any of the starting players may be withdrawn from the game and re-enter once and only once, including a player who was the designated hitter, provided such player occupies the same batting position when re-entering the line-up. A substitute who is withdrawn from the game may not re-enter. In the case of an injury to a runner, and there are no eligible substitutes left on the bench, the coach may use any player on the bench, but this player may not go into the field after the inning is over.

DESIGNATED HITTER

A designated hitter (DH) may be used for any one starting defensive player and all subsequent substitutes for that starting defensive player in the game. A starting defensive player cannot be listed as the DH in the starting line-up. A DH, if used, must be selected prior to the start of the game and his name must be included on the line-up cards given to the umpires and official scorer. Failure to declare a DH precludes the use of a DH in that game. If a pinch hitter or pinch runner is used for the DH, that player becomes the new DH. The player who was the DH may re-enter as the DH under the re-entry rule. The role of the DH is terminated for the remainder of the game when: (1) The defensive player, or any previous defensive player for whom the DH batted, subsequently bats, pinch hits, or pinch runs for the DH; or (2) The DH or any previous DH assumes a defensive position. A DH and the player for whom he is hitting are "locked" into the batting order. No multiple substitutions may be made that will alter the batting rotation.

13. Any pitcher, who hits 3 players during an inning and/or 5 players during the course of a game, will be removed from the pitching position and cannot return to pitch again during that game. The official scorekeeper is to record the number of batters that are hit by a pitcher and notify the home plate umpire when 3 players are hit in an inning and/or 5 players during the course of a game, have been hit by the same pitcher.
14. Five (5) warm-up pitches or 90 seconds between innings. 7-8-year-old baseball and softball have 120 seconds.
15. No equipment shall be left on the playing field during the game (including foul territory).
16. The starting time will be entered in each score book at the direction of the chief umpire.
17. In the 9-10 groups and up, BEFORE a pitch is thrown (batter is up), a defensive coach may tell the umpire that they will intentionally walk the batter, and the batter may take first base without any balls thrown.
18. Steel cleats are not allowed in any age group, except 13-14 baseball and 13-15 softball.

19. CRASH RULE:

A fielder must be in possession of the ball to block a base.

A baserunner must slide (a baserunner may make contact with a fielder as a “continuation of the slide”, if in the judgment of the umpire, said contact is not excessive). **OR**

(in the absence of a slide) A baserunner must avoid contact with the fielder.

“CATCH - BLOCK - TAG / SLIDE or AVOID CONTACT WITH THE FIELDER”

FIELDER NOT IN POSSESSION OF THE BALL

A fielder **NOT** in possession of the ball and blocking a base, will be deemed to have **OBSTRUCTED** the baserunner, if in the judgment of the umpire, the baserunner's progress was impeded to the extent that they did not reach a base they would have reached if the obstruction had not occurred or if the ball precedes the baserunner and the baserunner is tagged before they have obtained the base, if in the judgment of the umpire, the baserunner would have reached said base if they had not been obstructed or the fielder had not blocked the base without first obtaining possession of the ball. **NOTE:** If a fielder is not in possession of the ball and is blocking a base and the baserunner deliberately collides with the fielder, the baserunner will be called out.

INTERPRETATION: If the fielder does not have the ball in their possession, they cannot block a base or impede the progress of a baserunner. If they do, obstruction is probably going to be called.

FIELDER IN POSSESSION OF THE BALL

If a fielder is in possession of the ball and is blocking a base, the baserunner has 4 options.

1. Slide.
2. Avoid contact with the fielder.
3. Try to go back to the previous base.
4. Give themselves up.

If a fielder is in possession of the ball and the baserunner does not slide, they are required to avoid making contact with the fielder. In the absence of a slide and the baserunner makes contact the fielder, the baserunner will be called out, regardless of a tag being made or if the baserunner reaches a base before a tag is made on the baserunner.

INTERPRETATION: If the fielder has possession of the ball, the baserunner must

1. Slide.
2. Avoid contact with the fielder.
3. Try to go back to the previous base.
4. Give themselves up.

If they choose #2 and contact is made with a fielder in possession of the ball, the baserunner will be called out.

CRASH

If in the judgment of the Umpire, a baserunner maliciously collides with a fielder (whether in possession of the ball or not), the baserunner will be declared out, ejected and all other baserunners will return to their original base.

AVOIDING A FIELDER

If a baserunner runs more than 3 feet outside of the baseline (a direct line between the baserunner's path and the base) to avoid being tagged, unless his/her action is to avoid interference with a fielder fielding a batted ball, said baserunner is deemed to be in violation of rule 6.05 and/or 7.08 (NBC) and 8.7 (ASA) and will be declared out. However, if a baserunner runs more than 3 feet outside of the baseline or runs more than 3 feet outside of the baseline to avoid contact with a fielder not in possession of the ball, the baserunner shall not be considered to be in violation of the above rules and should not be declared out.

INFIELD FLY RULE

An INFIELD FLY is a fair fly ball (not including a line drive nor an attempted bunt) which can be caught by an infielder with ordinary effort, when first and second, or first, second and third bases are occupied,

before two are out. The pitcher, catcher and any outfielder who stations themselves in the infield on the play shall be considered infielders for the purpose of this rule.

BALK CLARIFICATION

All balks will be called according to NBC & MLB rules. You may find the official blk rules on page 74 (2019), Rule: 6.02 (a), in the MLB Rulebook. (Available online)

20. Players, coaches and/or spectators will not be allowed behind the catcher or backstop.
21. Only the players, bat person, and 2 offensive coaches per team will be allowed on the field of play.
22. In the interest of safety and proper conduct in the dugout, it will be strongly encouraged that each team assigns a “bench parent”. This will be stressed in 7 & 8 baseball and softball and 9 & 10 baseball and softball, but it is recommended for all age groups. Responsibilities for the bench parent are as follows:
 1. Keep the players sitting on the bench in the dugout until it is their time to bat, be on deck and/or take the field.
 2. Prevent players from unsafe use of the equipment while in the dugout. No swinging of bats or tossing of the balls.
 3. Control any taunting, name calling, language or any other unsportsmanlike actions towards their own teammates and/or players on the opposing team.
 4. Help make sure the players gather their own equipment and pick up the dugout area before the next team enters the dugout.
23. A team must have at least seven (7) players and one adult no later than 15 minutes past the scheduled starting time or forfeit the game. In the event that a team does not have the required number of players (9) available at game time, said team will be considered as “playing short.” Said team will be required to take an automatic out (location in the batting lineup at the discretion of the coach) for any and all players that the team is short, up to a maximum of two (2). In the event that a team begins a game with less than nine (9) players and a player or players arrives late, said players will be placed in the spot in the lineup that the team was required to take the automatic out. In the event that a team is playing two (2) players short, the location of a player arriving late and being inserted into the lineup, will be at the discretion of the coach. Any player or players arriving after a game has begun, may be placed in the lineup, regardless of whether the team has batted through their lineup or not. If a team has the required number of players to begin a game, any late arriving players will be placed at the end of the batting lineup. NOTE: This rule applies to teams “playing short” and teams that have the required number of players to begin a game. Teams forfeiting three (3) games due to lack of sufficient number of players are dropped from trophy contention. Nine (9) positions will be batted. Failure to fill a batting position will result in an out being declared for that position each time it is due to bat unless player has been injured or becomes ill during the game, creating the shortage.
24. All teams with uniforms shall comply with official baseball/softball rules regarding uniforms when on the playing field. No liquor, beer, or tobacco advertising will be allowed on the uniforms.
25. League Standings: in the event of a tie by two or more teams for a position in league standings, the following criteria shall be used in the order they are documented to determine final league standings.
 - ✓ (*League standings/league trophies*) Head to head competition, runs allowed, runs scored (only the games involving the tied teams), then coin flip. In the event that the above procedure does not resolve the tie, trophies will be awarded to all teams involved in the tie if for 1st, 2nd, or 3rd.
26. T-Ball bats will be permitted in any baseball & softball game. T-Ball bats are defined to include all baseball bats identified by the manufacturer as T-Ball bats as well as those baseball bats known as bottle barrel bats (those bats which have an unchanging bat diameter for the majority of the length of the barrel). Baseball bats are not allowed to be used in softball games and softball bats are not allowed to be used in baseball games.
27. Each baseball and softball age group division as follows shall be divided into a National League (Upper Division) and American League (Lower Division). Teams may play in either League, regardless of the age of their players, however teams are encouraged to participate in the league, which represents the age of their players. Teams with 40% or more of their players in the higher age bracket who are playing in the American League will be ineligible for trophy contention and will only receive participation medals (if provided by the league) regardless of final standings. NOTE: The Board of the WHJBSL reserves the right to consolidate divisions, if deemed in the best interest of the league.

28. All rules prescribed by the current NBC rules for baseball and by the current ASA rules for fast pitch softball shall be further modified with regard to the playing field to conform to the actual conditions existing at each field. In the event that a District chooses to use a portable pitching mound, it is recommended that the size shall be a minimum of 6” high, 7’ wide (with tapered sides) and 7’ long (with tapered front and back). All backstop and fence distances shall be modified to conform to the space available at each playing field.
29. A player or coach who is bleeding or who has an open wound shall be prohibited from participating further in the game until appropriate treatment has been administered. If medical care or treatment can be administered in a reasonable amount of time, the individual would not have to leave the game. The length of time that is considered reasonable is umpire judgment. The re-entry rule would apply to players. If there is an excessive amount of blood on the uniform, it must be changed before that individual participates again.
30. Players and umpires are not to wear jewelry (except for watches for umpires) on the field of play. This rule is intended to reduce the risk of injury, reduced unnecessary distractions, and reduce game time lost by hunting for lost jewelry.
31. Courtesy runners **ARE NOT** legal in baseball or softball.
32. Requests to have a game or games rescheduled (non-rainout): All requests must be made **in writing** and **submitted to the appropriate home District or coach** (whichever is applicable) at least **seventy-two (72) hours prior to the scheduled date and time** of the game(s). Requests must meet the following requirements:
- A team must have less than 7 players available.
 - or*
 - During the month of **May (only)** – extracurricular “school” activities.
- NOTE: FOR THE REQUEST TO BE VALID, IT MUST NOT INVOLVE ANY OF THE 5 ITEMS LISTED BELOW.**
At the discretion of a District, based on the validity of the circumstances for the request to reschedule a game(s), a District may waive the 72-hour notification requirement, if deemed prudent.
- ❖ **Requests to reschedule a game or games, WILL NOT be considered for the following reasons:**
1. To allow the team to participate in a non-WHJBSL tournament.
 2. To allow the team members to attend a non-WHJBSL function.
 3. To allow the team members to participate in another sport activity.
 4. To allow the team members to attend any type of camp.
 5. Coach and/or Assistant Coach are not available for the game.
33. **7 & 8 American & National baseball and 7 & 8 softball** - On any overthrow that enters **DEAD BALL** territory, the ball is declared “dead” and the award is one (1) base from the last base touched. On overthrows that remain in live ball territory, the baserunner(s) are allowed to advance a maximum of one (1) base, at their own risk. This includes attempts at 1st, 2nd and/or 3rd base that result in the ball going into the outfield. **COACHES NOTE:** The purpose of this rule is to encourage the players to attempt to make a defensive play on a baserunner and not just return the ball immediately to the kid pitcher and/or be concerned with multiple overthrows. In the event of an overthrow and once a player or players have reached the next base and/or a player or players are retired, the umpire will immediately declare “time” and the play will be ended.
34. Each District shall designate a home and visitor dugout (and label if possible).
35. All defensive coaches are restricted to the dugout, unless otherwise specified in the rules and if the dugouts have gates, they should remain closed. **NOTE:** This rule was implemented for safety and coach’s interference reasons. Coaches are not allowed outside the dugout, sitting on a bucket calling pitches, thus avoiding the possibility of interference being called.
36. **NO BALK WARNINGS WILL BE ISSUED IN ANY DIVISION OF BASEBALL.**
37. The pitcher’s glove may be of one solid color or multicolored as long as the color(s) are not the same color as the ball being used in the game, i.e. - white and/or bright yellow, whichever is applicable. A pitcher may not wear any item on the pitching hand, wrist, forearm, elbow or thigh which in the judgment of the umpire is distracting to the batter. A pitcher may wear a white and/or bright yellow undershirt, only if the majority color of the uniform top is of corresponding color. If the uniform top color or majority of the color is not white and/or bright yellow, a white and/or bright yellow undershirt cannot be worn by the pitcher.
38. **TIME LIMIT EXPIRING DURING AN INNING:** If the time limit expires in the top half of an inning and the visiting team is behind by 1 or more runs AND has the opportunity to score a run or runs (based on the

runs per inning rule) to tie the game or take the lead, the game will continue until such time as a winner can be established.

If the time limit expires in the top half of an inning and the visiting team is behind by 6 or more runs, the game is ended at the expiration of the time limit, regardless of the number of outs and the score at this point will be declared the "official score."

If the time limit expires in the bottom half of an inning and the home team is behind by 1 or more runs AND has the opportunity to score enough runs (based on the *runs per inning rule*) to tie or take the lead, the game will be continued until such time as a winner can be established.

If the time limit expires in the bottom half of an inning and the home team is behind by 6 or more runs, the game is ended at the expiration of the time limit, regardless of the number of outs and the score at this point will be declared the "official score."

39. Hit by pitch (HBP), or hit batsman (HB), is a batter or his/her equipment (other than his/her bat) being hit in some part of his/her body and/or equipment by a pitch from the pitcher, if all of the following conditions are met: (1) is touched by a pitched ball outside of the strike zone, (2) and he/she attempts to avoid it - in the judgement of the umpire (or had no opportunity to avoid it), (3) and he/she did not swing at the pitch. If all these conditions are met, the ball is dead, the batter becomes a baserunner and is awarded first (1st) base and the other baserunners advance if they are forced to vacate their base by the batter taking first (1st) base.

If the case whereas a batter swings and the pitch hits him/her anyway, the ball is dead, and a strike is called. If the batter does not attempt to avoid the pitch - in the judgement of the umpire, he/she is not awarded first (1st) base and the pitch is ruled a strike if in the strike zone or a ball is out of the strike zone.

A *hit by pitch* or *hit batsman* can also be called on a pitch that has touched the ground. Such a bouncing pitch is like any other and if a batter is hit by such a pitch, he/she will be awarded first (1st) base unless in the judgement of the umpire he/she make no attempt to avoid and/or does not swing at said pitch.

40. **Balks** - If there is a runner or runners on base, it is a balk when: The pitcher, while touching his plate is to step directly towards a base before throwing to that base. If a pitcher turns or spins off his free foot without actually stepping or if he turns his body and throws before stepping, it is a balk. A pitcher is to step directly towards a base before throwing to that base and is required to throw (except to 2nd base) because he steps. It is a balk if, with runner on 1st and 3rd base, the pitcher steps towards 3rd base and does not throw, merely to bluff the baserunner back to 3rd; then seeing the baserunner on 1st base start for 2nd base, turn and step toward and throw to 1st base. It is legal for a pitcher to feint a throw to 2nd base.

41. **Borrowing players or players.** In an attempt to keep teams from having to "play short", the following procedure can be used in the event that a team does not have the required number of players (9) to play in a game. Under no circumstances should the Coach approach the player(s) themselves directly. Coaches should arrange the borrowing of players between themselves, and/or coaches & parents and then notify their home District. Upon acceptance by their District, said District will notify the appropriate representative of the opposing District. The District representative from the District in which the game is being played will then notify their head coach, field supervisors and umpires. Said notification shall take place no less than eight (8) hours before said game start time, in which the borrowed player or players is to participate in. The following criteria should be used in borrowing a player:

- A team may borrow a player or player(s) only to avert having to play with less than nine (9) players.
- A player or player(s) borrowed should come from the same District UNLESS said District only has one (1) team or in the event that there are two (2) teams, they are playing each other. In this instance, a team needing to borrow a player or players will be allowed to solicit a player or player(s) from another District.
- The borrowed player(s) (1) must be registered on a team within the WHJBSL and must come from the same age division as the team requesting their use or the division below as long as said player meets the minimum age requirement.
- Said borrowed players are restricted from playing either the pitching and/or catching position.
- A player may be borrowed in accordance with these procedures, a MAXIMUM OF TWO (2) TIMES by any one team throughout the course of the season. After playing as a borrowed player two (2) times on any one team, said player becomes ineligible to play with said team again.

If a team does have to play with less than 9 players, they must follow General Rule #23 as it relates to "playing short".

XII. ORGANIZATION

ARTICLE ONE. Governance

~The Wichita Heights Junior Baseball & Softball League (herein referred to as WHJBSL) will be governed by a Board of Directors composed of a group of representatives selected by the District's based on the number of teams from the previous year (1-10 teams = 2 reps; 11-18 teams = 3 reps; 19-26 teams = 4 reps; over 27 teams = 5 reps. There are seven (7) Districts: Andover Parks & Recreation, Bel Aire Recreation, Circle Recreation, El Dorado Parks & Recreation, Park City Baseball & Softball, Valley Center Recreation Commission and Whitewater Park Board. In the event that a District is not represented by at least one (1) representative and/or alternate for two (2) consecutive meetings or is not represented by at least one (1) representative and/or alternate for a minimum of four (4) of seven (7) meetings (September through April), said District's association with the league can be terminated.

ARTICLE TWO. Elections

~Representatives of each District shall be elected according to District rules no later than September 15th. Names and addresses of the elected District representatives and alternates shall be submitted in writing to the Board President no later than October 1st. Each District shall also elect one alternate for each elected representative. Those elected representatives and alternates when acting in place of an elected representative shall be the only persons entitled to vote at board meetings.

~There shall be elected by the Board of Directors the following officers: President, Vice President, Secretary and Treasurer. These officers shall be elected on or before November 1st and shall be elected for a term of one year. All officers except the President must be current district representatives or alternates. All officers except the President shall have the right to vote. All officers shall be elected by secret ballot. The candidate receiving the most votes shall win. Officer candidates must be nominated and seconded by a current Board member, or alternate acting in the place of a Board member. Nominees at the discretion of the Board may be permitted to make speeches before the election subject to such rules as the Board may enact.

~If the Board is unable to elect a President as described above, leadership of the Board shall be provided by a Committee of the Presidency to be composed of one representative of each District.

~If the Board is unable to elect a Secretary or a Treasurer, the duties of these offices shall be performed by District representatives to be appointed by the President, may be performed by the Committee of the Presidency, or shall be delegated to the President by the Board upon motion duly passed by a majority vote. The President may veto any such delegation of duty.

ARTICLE THREE. Powers and Duties of Officers

~The President shall have the power and duty to call a meeting at any time he or she may deem necessary, except that the annual November meeting shall be called no later than 15 days in advance. The President may not vote on any matter before the Board, except in order to break tie votes. The President may not veto on any action of the Board except as hereinbefore provided. The President shall preside over all meetings and shall preserve order and provide for the efficient conduct of business.

~The Vice-President shall carry on the duties of the President in his or her absence. The Vice-President shall also be responsible for procuring suitable accommodations for meetings of the Board. When acting in the capacity of an absent President, the Vice-President shall retain his or her ability to vote on all board matters.

~The Treasurer shall be responsible for collecting, depositing and preserving all money that belongs to the League. The Treasurer shall keep written records of all transactions. The Treasurer shall provide written monthly reports to the Board in which is described all receipts, payments, investments, and balances. The Treasurer shall obtain the approval of the Board in advance of all payments or purchases in excess of \$250.00. The Treasurer shall deposit all League monies in a federally insured financial institution.

No checks shall be written carte blanche and a check register shall be kept which at all times will allow for the determination of the date of payment, amount, and person or entity paid.

The Secretary shall be responsible for preparing minutes of all meetings of the Board and for preserving all records of the Board. The Secretary will provide for a substitute to record the business of any Board meeting at any time the Secretary cannot be present.

ARTICLE FOUR. Powers and Duties of Board of Directors

-The Board of Directors will be responsible for determining organizational business (including disciplinary action against coaches, players, umpires and spectators when appropriate), general WHJBSL rules, and rules governing the play of baseball, and softball. The Board shall provide master schedules for play in all divisions (age groups) to the Districts. The Board shall select and purchase trophies and participation awards for the Districts. The Board will pursue and maintain affiliations with appropriate sanctioning bodies (if deemed necessary) for baseball and softball. The WHJBSL shall provide a *Recorder of Standings* for game results and this person will provide periodic standings for all divisions. The Board will set by majority vote league fees per team based on projected league expenditures. The WHJBSL shall set birth date cut-offs to match appropriate affiliation requirements, the divisional splits will be determined by the Board. The WHJBSL shall notify the Districts, whose teams are involved in the playoff situation. The WHJBSL can provide additional tournaments as approved by the Board.

ARTICLE FIVE. Power and Duties of Districts

-Districts will provide the WHJBSL the total number of teams their fields will support. No field shall be scheduled at greater than 90% of capacity. Districts shall limit the registration to that number of teams. The Districts will be responsible for providing umpires for all home games. The districts shall establish divisional play priorities for all their fields. The Districts shall establish registration fees and procedures in conformance with League guidelines. Districts may pursue and acquire insurance, as they deem necessary. The WHJBSL will not provide blanket coverage. All District activities shall conform to WHJBSL policies and procedures. The districts will support the decisions of the League Board of Directors. The Districts will be responsible for rescheduling their incomplete or rained out games.

ARTICLE SIX. Meeting and Quorum

-In addition to the annual meeting at which time officers shall be elected, and such other meetings as the President may call, other meetings may be called by the Board upon written notice signed by at least one elected representative of each district and filed with the Secretary not later than two weeks before the meeting. Written notice of any such meeting shall be delivered to each member of the Board not later than ten (10) days before the scheduled meeting.

-Written notice of the annual meeting for the election of officers shall be provided no later than fifteen (15) days before the meeting.

-In the event the Committee of the Presidency organizational structure is employed, any member of the Committee may call a meeting of the Board. Verbal notice to each district of any meeting provided to the senior representative of each district would be sufficient.

-In order for the Board to conduct legal business, not less than 35% of the Board Members or alternates acting in the place of Board members, shall be present.

ARTICLE SEVEN. Amendments of Bylaws or Rules of Play

-Any Bylaw or Rule of Play may be amended at any time during a legal meeting by a majority vote of the representatives (or their alternates).

ARTICLE EIGHT. Conduct of Meetings

-The conduct of meetings shall be in accordance with *Roberts Rules of Order*. All Votes shall be by a show of hands, or by voice vote.

ARTICLE NINE. Vacancies

-Any Vacancies not herein specifically provided for shall be filled in the same manner as that in which said officer was originally chosen, provided, however, that a vacancy in any office other than President may be filled temporarily by a majority vote of the Board for the balance of the term, if for less than sixty (60) days. If the balance of that term shall exceed sixty (60) days, then the temporary appointment shall not exceed sixty (60) days and the President shall call a special meeting for the purpose of electing someone to fill that vacancy for the balance of that term. If the office of President becomes vacant, then the Vice President shall call a special meeting for the purpose of electing a President at the earliest date possible (not to exceed thirty days).

XIII. LEAGUE AND DISTRICT RESPONSIBILITIES

League responsibilities shall be as follows:

- ❖ **The Board** - the league shall provide a Board as outlined in Section I. The Districts shall support the decisions of the Board.
- ❖ **Rules** - the Board will be responsible for determining organizational business, general league rules, and rules governing the play of baseball, and softball.
- ❖ **Schedules** - the WHJBSL shall provide master schedules for play in all divisions (age groups) to the Districts.
- ❖ **Trophies** - the WHJBSL will select and purchase trophies and participation awards to be provided to the Districts.
- ❖ **Standings** - the WHJBSL shall provide an e-mail format for game results and the *Recorder of Standings* will provide periodic standings for all divisions.
- ❖ **League fees** - the Board will set, by majority vote, league fees per team based on projected league expenditures.
- ❖ **Player eligibility** - the WHJBSL shall set birth date cut-offs to match appropriate affiliation requirements. The Board will determine the divisional splits.
- ❖ **League tournaments/playoff** - the WHJBSL shall notify the Districts whose teams are involved in the playoff situation. The WHJBSL can provide additional tournaments as approved by the Board.
- ❖ **District responsibilities** - the WHJBSL shall establish District responsibilities in support of WHJBSL objectives.

Districts' responsibilities shall be as follows:

- ❖ **Capacity management** - the Districts will provide the League the total number of teams their fields will support. No field shall be scheduled at greater than 90% of capacity. Districts shall limit the registration to that number of teams.
- ❖ **Umpires** - the Districts will be responsible for providing umpires for all home games.
- ❖ **Field management**- the Districts will provide playable fields for all home games. The Districts shall establish divisional play priorities for all their fields.
- ❖ **Registration and fees** - the Districts shall establish registration fees and procedures in conformance with League guidelines.
- ❖ **Insurance** - Districts shall pursue and acquire insurance as they deem necessary. The WHJBSL will not provide blanket coverage unless required to do so for sanctioning purposes by the sanctioning bodies selected.
- ❖ **Support of the League** - All District activities shall conform to League policies and procedures.
- ❖ **Rescheduling uncompleted or rain out games** - The District shall be responsible for rescheduling of all uncompleted and/or rain out games, held on their home fields.
- ❖ **Implementation of Recommended Communicable Disease Procedures**- it shall be the responsibility of each District to determine the proper practices and procedures necessary to implement the League's Recommended Communicable Disease Procedures.
- ❖ **Coaches Certification / Training** - Any "nationally recognized" certification/training program. NYSCA and/or ASEP are recommended. Coaches are responsible for distributing S.A.G.E. materials and securing S.A.G.E. parental volunteers. It is required that at least one (1) certified coach be present to start each game. Coaches are not required to submit certification cards at the game, but their contact information should be made available (name, contact information and District) and must be presented to game officials before the start of a game. In the event that it is determined that a certified coach is not present, this information will be turned over to the Review/Protest/Rule Interpretation Committee and they will determine appropriate disciplinary action - up to and including forfeiture of the game in question.
- ❖ **Parent Education / Training** - Each District will offer at least one (1) WHJBSL - S.A.G.E. Sportsmanship program for their parents before the beginning of the season. Each District is required to assign a non-board member person - per team, to serve as a S.A.G.E. representative for said team and to distribute sportsmanship literature/materials and to follow up with coach/parent complaints to ensure WHJBSL policies are followed. **NOTE:** Said representative does not have the authority to enforce WHJBSL policies individually. Said representative is to maintain contact with the other Districts S.A.G.E. representatives and collectively make recommendations to WHJBSL officials for disciplinary action and to follow up to ensure that WHJBSL decisions are carried out. All parents / guardians are required to sign the Sportsmanship Pledge for Parents, at registration. The Sportsmanship Pledges will be kept by said District and a copy made available to individual team S.A.G.E. representatives.
- ❖ **Rosters** - Each team is required to submit an official roster to their respective District no later than one week before the first playing date for the specific division. In turn, the District shall submit a copy of said roster to the League Secretary no later than the first playing date for the specific division. Roster changes shall be submitted to the respective District and the League Secretary before said player or players are eligible to participate.

XIV. PLAYER ELIGIBILITY REQUIREMENTS

- A player will be permitted to play in the District he or she desires, subject to District capacity constraints, but once he or she has submitted their name to be placed on a roster, and that roster has been forwarded to the WHJBSL and/or District, he or she **MUST** remain on that team unless approval to move said player to a new team has been granted by the Review/Protest/Rule Interpretation Committee. No new player may be added to the roster after June 15th without the approval of the League. **A player may play on one (1) team and in one (1) division, in the league.** The WHJBSL strongly discourages the practice of “playing up” beyond reasonable limits. This policy was adopted to require a “minimum age” that a participant **MUST** be, to be eligible to play in a specific division.
 - 7 & 8-year-old baseball and softball: Must be at least 6 years old on or before 1/1/20.
 - 9 & 10-year-old baseball and softball: Must be at least 8 years old on or before 1/1/20.
 - 11 & 12-year-old baseball and softball: Must be at least 10 years old on or before 1/1/20.
 - 13 & 14-year-old baseball and 13, 14 & 15-year-old softball: Must be at least 12 years old on or before 1/1/20.
- Neither the WHJBSL, the Board members, nor the coaches will be held responsible for any injuries or accidents to players, managers, or game officials while participating in activities sanctioned by the WHJBSL. Each player will be required to submit a signed affidavit to that effect, to the League before he or she is eligible to play or practice.
- Any team or part of a team playing games or tournaments outside of the WHJBSL and forfeiting a league or playoff game as a result will be dropped from trophy contention.
- Each coach shall be required to check playing member’s birth certificates when submitting their rosters.
- Use of ineligible/suspended players, suspended coaches and/or spectators - All games will be forfeited where this occurs. The WHJBSL may impose additional penalties as deemed necessary.
- All team players must be legally registered with the District and must appear on the team’s official roster that is submitted to the WHJBSL. If a team uses an illegal player and it is discovered during the game, the penalty shall be immediate forfeiture of the game and the illegal player is suspended for their next regular / re-scheduled game and the coach is suspended from coaching for the next three regular / re-scheduled games. If the use of an illegal player is discovered after the game has been completed, the offending team will forfeit the game, the illegal player shall be suspended for their next regular / re-scheduled game and the coach is suspended from coaching for the next three regular / re-scheduled games. Subsequent violation of this rule shall result in both the player and coach being declared ineligible for further competition for the remainder of the season.

XV. PROTESTS

- **ONLY DECISIONS** on **INTERPRETATION** of **RULES** may be protested and **NOT DECISIONS OF JUDGEMENT**, whether it be baseball, softball, or conduct on the playing field.
- Only the head coach or their assistant may protest the game. The Head coach's or assistant's name must appear on the League roster forms.
- The protesting coach must make his/her intentions clear **AT THE TIME** of the disagreement to the umpires and opposing coach. At the point of protest the number and position of runners, the count on the batter, the number of outs, and the official time of the protest **MUST BE NOTED IN BOTH SCORE BOOKS** and **SIGNED BY BOTH COACHES**.
- A **\$50.00 protest fee** must be given to the umpire at the completion of the protested game. Checks should be made payable to the Wichita Heights Junior Baseball & Softball League.
- The Protest Form must be filed with one of their District Representatives within 48 hours after the completion of the game.
- Umpires must forward within 24 hours a letter relating the circumstances of the protest, and the \$50.00 collected from the protesting coach to a WHJBSL Representative from their District or to an officer of the WHJBSL Board.
- Time expired during the protest while the game is in progress will not be included in the allotted game time. (Exception: See General Rule F (3).)
- The **Review / Protest / Interpretation Committee** will consist of the Head Representative of each District. In the event of an even number of Districts / Representatives, either the President of the WHJBSL and/or other WHJBSL officer may sit on the Committee. However, the President and/or other league officer may not vote on any matter, except in order to break a tie vote. The President and/or other league officer may not veto any action of the Committee. In the event that a Head Representative of a District cannot fulfill their responsibility, they may appoint a representative from their District to serve in their place. Both coaches must be notified of the time and place of the protest meeting.
- The **Review / Protest / Interpretation Committee** may decide upon its own procedures, including whether or not the coaches or others may present arguments and the time restraints upon such arguments. The Protest Committee may question the persons in attendance and may request the attendance of any person believed to have pertinent information.
- The **Review / Protest / Interpretation Committee** must rule on each protest within 7 days after receiving it. The majority vote of the Review / Protest / Interpretation Committee is sufficient to decide a protest. The decision of the Protest Committee shall be made known to the coaches involved in the protest, either at the conclusion of the hearing or by telephone notice, by a member of the **Review / Protest / Interpretation Committee**, the Board President, or a member of the Committee of the Presidency. Although the actual notice or telephone notice may be followed by a written decision, the time for appeal begins from the time of the actual notice or telephone notice of the decision.
- In all cases, the decisions of the **Review / Protest / Interpretation Committee** will be final unless appealed to the Board of Directors. Any such appeal must be done in writing to the President of the WHJBSL, or in the absence of a Board President, to the members comprising the Committee of the Presidency, within 48 hours after receiving the Committee decision. A \$50.00 appeal fee must accompany the appeal.
- All money will be returned to the protesting coach if the protest is upheld. If the protest is denied, the money will be deposited in the WHJBSL treasury.
- After reviewing the appeal, the Board will hold a hearing. The protesting coach or their assistant **MUST** appear, or the protest will not be considered. In all cases, the Board must make a final ruling within ten (10) days after the receipt of the notice of appeal.
- A neutral WHJBSL official attending the game will decide protests during play-off games. His/her decision is final and cannot be appealed.

XVI. MISCONDUCT (*also refer to Misconduct Policy*)

- A District Representative, WHJBSL official, or the coach of their own team may cite a player for misconduct which occurs before, during, or after a game. The citing individual may suspend the player from playing in their next 1, 2, or 3 games. This may be appealed to the WHJBSL District Representative within 48 hours after the imposition of suspension. The player may continue to play while the appeal is being heard. The District Representative that brings the appeal to the Board may not vote on the appeal. The Board must meet within 72 hours of the appeal. This citation procedure will not nullify the power of an umpire to remove a player from a game presently in process.
- A District Representative and/or WHJBSL Official may recommend a sanction upon a player, coach and/or spectator, which becomes confrontational after a game. Said Representative / Official will forward a written assessment of the situation to their respective District Head, who will forward the report to the District Head of the other District. The matter will then be turned over to the Review/Rule Interpretation/Protest Committee for investigation and said committee will make a final ruling based on the circumstances of the incident. Sanctions may include - verbal warning and/or game / game suspensions of the offending party or parties.
- Occurrence of the following may result in indefinite suspension or other disciplinary actions by the Board of Directors:
- The use of tobacco (in any form), alcoholic beverages, or profanity on the playing field or in the dugout by players, coaches, and umpires.
 - ✓ Harsh disagreement with game official by coaches, players, or spectators.
 - ✓ Harsh oral or physical abuse of players by coaches, officials, or spectators.
 - ✓ Any other non-sportsmanlike conduct that might reflect adversely on the WHJBSL.
- Throwing bats: Each team will receive one (1) warning per game for a batter throwing the bat, at the discretion of the umpire. On subsequent violations after a team has received their warning the batter will be called out; the ball is dead, and all runners will return to the last base touched at the time of the violation.
- Fake tag: A form of obstruction by a fielder who neither has the ball nor is about to receive the ball and which impedes the progress of a runner either advancing or returning to a base. When a runner, while advancing or returning to a base is obstructed by a fielder who fakes a tag with the ball, the obstructed runner and each other runner affected by the obstruction will always be awarded the base or bases he/she would have reached, in the umpire's judgment, had there been no obstruction. If the umpire feels there is justification (after a warning has been issued to a team), a defensive player could be ejected from the game.
- No person playing on or representing the opposition shall call the pitcher by name or by or by number or by position during the wind-up or delivery of the pitch. The baserunner cannot make any verbal communication to the pitcher.
- A base runner may not clap his or her hands when the pitcher is on the rubber.
- Penalties for misconduct as defined above (other than those items which have a specified penalty), by players, coaches, or fan(s) include expulsion from the game and/or premises, or forfeiture of the game by the team of the offending player, coach, or fan(s). The chief umpire, non-participating Board members, or District officials may levy penalties in attendance. Forfeiture shall only be levied after a clear warning that the offending action must cease, or forfeiture of the game shall follow. Forfeiture, due to the extreme nature of the penalty, shall be used only when all other reasonable efforts and penalties have been exhausted. Any team required to forfeit a game by virtue of the above-specified misconduct shall also be required to forfeit their next scheduled or rescheduled game as of the time of the forfeiture. The umpire may levy an out against an offending team due to misconduct from a coach, player or spectator, for inappropriate / unsportsmanlike behavior.
- The WHJBSL will not tolerate violence. Any act of violence or threat of an act of violence will be cause for a team to be barred from further League play. This rule applies to all players, coaches and fans; (This rule applies only to misconduct with the expressed goal to deter poor sportsmanship.)
- Participation/attendance at a game by a suspended coach and/or spectator - Participation / attendance at a game by a suspended coach and/or spectator will result in a forfeiture of said game, when the incident occurs. The WHJBSL may impose additional penalties as deemed necessary.

Please refer to [CODE OF CONDUCT & MISCONDUCT POLICY](#) for additional sanctions / information

XVII. SHORTENED, RAIN-OUT OR POSTPONED GAMES

- The decision to end a game before completion shall be that of the chief umpire or District official. A fifteen-minute delay must be provided before a game is ended due to rain or threatening weather. This 15-minute delay **WILL NOT** count as a part of the game's time limit. Games that have not reached the point of being considered a complete game and that are stopped for any reason beyond the control of the home District will be considered a "no game" and will be replayed from the beginning. Games that have reached the point of being considered a complete game and the game is called while an inning is in progress and before it is completed and one (1) of the following situations prevails:

- ✓ The visiting team has scored one or more runs to tie the score and the home team has not scored, provided the home team has been allowed to bat in the bottom of the inning.
- ✓ The visiting team has scored one or more runs to take the lead and the home team has not tied the score or retaken the lead during their bat in the bottom of the inning.

The game will be considered suspended game. A suspended game shall be resumed at the exact point of the suspension of the original game. The completion of a suspended game is a continuation of the original game. The batting lineup should remain the same unless a player from the original game is missing from the suspended game. In this case, all players listed after a missing player will be moved up and any new players that were not present at the original game, will be placed at the end of the lineup for the suspended game. On fields without lights, no inning will start after 8:30 p.m. *Districts are strongly encouraged to contact both coaches of any uncompleted games within 48 hours of the date of the regularly scheduled game. Every attempt should be made to re-schedule uncompleted games, including rainouts, on the earliest possible date.*

- **BEFORE THE NEXT RAINOUT SATURDAY**, on which the home teams' District has a suitable field available and neither team has a WHJBSL game scheduled. The only exception to the above statement is if a team already has 3 league games scheduled during a said week. (Monday through Friday).
 - Any games not made up under the above conditions should then be scheduled for the next available "rain-out" Saturday if at all possible.
 - In the event that an uncompleted game is not re-scheduled under either of the above provisions, the League Director shall then have the authority to reschedule the game on the next available field in the Heights League and on the earliest open date for both teams, **REGARDLESS OF THE NUMBER OF GAMES THAT EITHER TEAM HAS DURING A GIVEN WEEK.**
- Games may be made up on Sundays if fields and umpires are available.
- No make-up games shall be scheduled after **July 10, 2020** for baseball and softball.
- All uncompleted games will be e-mailed - within 48 hours of the date the game was being played - to the WHJBSL *Recorder of Standings* by the home team or it will go down as a forfeit.
- If the grounds are wet, the home team should notify the other teams as soon as possible.
- In case of severe or threatening weather, and BOTH coaches agree the game or scheduled game can be postponed unless considered a complete game according to Section VI.
- Any game not played on its scheduled date shall be rescheduled by the home team's district re-scheduler.
- Lightning rule: Each District shall rank its umpires with the highest-ranking umpire present on a complex at any given time being designated as the chief umpire. Such chief umpire shall have the authority to suspend all games at that complex due to the presence of lightning or other serious weather conditions. When the chief umpire, because of weather conditions, suspends one game at a complex, then all other games at the same complex are automatically suspended at the same time. District Representatives present at the complex have greater authority than the chief umpire does as defined above.
- A losing team's coach may call the game before the short game rule becomes effective if he or she desires by signing BOTH score books.

XVIII. UMPIRES

- The home plate umpire will be the chief umpire.
- Umpires will be in complete charge of the game, and all rulings made by them will be final unless protested.
- The *recommended* minimum age of the umpires (both plate and field) for each age division shall be as follows:

✓	7-8 (Baseball and Softball)	14 years old
✓	9-10, 11-12 (Baseball and Softball)	14 years old
✓	13-14 (Baseball) & 13, 14 & 15 (Softball)	16 years old
- The home District is responsible for providing two (2) qualified umpires for all home games in said District.
- The chief umpire will notify each head coach of the official starting time.

XIX. WHJBSL Forfeit Policy

Forfeiture payment procedure - In the event of forfeiture by a team, requiring that the \$50.00 forfeit fee be paid, shall follow the following procedure: The offending District will be required to remit the \$50.00 forfeit fee to the WHJBSL Treasurer within 48 hours of the date of the forfeited game. It shall be the Districts' responsibility to collect the \$50.00 forfeit fee from the offending team within their District. The WHJBSL Treasurer, upon receipt of said forfeit fee, will remit the forfeit fee to the offended District.

Forfeit policy: Any team or part of a team playing games or tournaments outside of the League and forfeiting a League or playoff game as a result will be dropped from trophy contention, post season tournaments and will be required to pay a \$50.00 forfeit fee before said team is allowed to play subsequent games. In the event that a team has forfeited a league game due to a lack of players, said team will be placed on probation for the remainder of the season. A second forfeiture due to a lack of players will result in a \$50.00 forfeit fee being paid, before said team is allowed to play subsequent games. In the event that a team (not having the minimum number of players) forfeits a 3rd game during the league season, said team is dropped for trophy contention, post-season tournaments and will be required to pay a \$50.00 forfeit fee before said team is allowed to play subsequent games. In the event that a District and/or team refuses to make up a game (rescheduled or rain-out) before the expiration of the League season, the Review/Protest/Rule Interpretation Committee will examine the circumstances and has the authority to fine said District \$100.00 per game not made up.

Any rain-out games pending after July 4th can be subject to a team or teams requesting a "no-game" to their District. The District will review the circumstances and render a recommendation to the Review/Protest/Rule Interpretation Committee. Said decision made by the Review/Protest/Rule Interpretation Committee will be to either declare the game or games as "no game(s)" and no penalty will be issued OR declare that the game or games will either be played or forfeited (see forfeit policy). In the event that the game is declared a "no game," a win or loss for either team WILL NOT be entered into the league standings.

XX. WHJBSL Residency Requirements

The Wichita Heights Jr. Baseball & Softball League welcomes the use of City and community facilities by local youth sports organizations. The intent of this document is to create a policy that considers the needs of the WHJBSL, and the needs of each community while minimizing the impact on the neighboring surrounding communities as it relates to teams from one community, participating “within” another community. We expect that each organization would always be respectful to their neighbors, staff and community as a whole. The WHJBSL policy is designed to create fairness in the allocation of facilities and program and are based on the accurate provision of information by the youth sports leagues. Although the WHJBSL may check to verify accuracy, all youth sports community organizations are expected to verify the residency requirements in good faith. If information is found to be inaccurate or overstated, the WHJBSL has the authority to request for a team to play “within” a certain community based on the following residency requirements.

The WHJBSL offers baseball for ages 8 and under, 10 and under, 12 and under, 14 and under and softball for ages 8 and under, 10 and under, 12 and under and 15 and under. If a community offers a certain age division and based on residency requirements established by each community and if the majority of said players on the team meets these requirements, said team must play in the community whereby the majority of the players reside, based on those residency requirements.

If a community does not offer a certain age division within their community, said team is eligible to petition the WHJBSL Board and request admittance into another community which will be offering the age division.

Lastly, if a community offers an age division and the majority of the players on the team meet the residency requirements established by said community, said team is required to participate with the program offered by this community unless permission is granted by the WHJBSL Board allowing for the team to participate “within” another community.

XXI. Code of Conduct Policy and Misconduct Policy

PLAYERS CODE OF CONDUCT

- I **WILL** encourage good sportsmanship from fellow players, coaches, officials and parents at every game and practice by demonstrating good sportsmanship.
- I **WILL** attend every practice and game that I can and will notify my coach if I cannot.
- I **WILL** expect to receive a fair and equal amount of playing time.
- I **WILL** do my best to listen and learn from my coaches.
- I **WILL** treat my coaches, other players, officials and fans with respect regardless of race, sex, creed, or abilities, and I will expect to be treated accordingly.
- I deserve to have fun during my sports experience and will alert parents or coaches if it stops being fun!
- I deserve to play in an environment that is free of drugs, tobacco, and alcohol and expect adults to refrain from their use at all youth sports events.
- I **WILL** encourage my parents to be involved with my team in some capacity because it is important to me.
- I **WILL** do my very best in school.
- I **WILL** remember that sports are an opportunity to learn and have fun.

COACHES CODE OF CONDUCT

- I **WILL** place the emotional and physical well-being of my players ahead of any personal desire to win.
- I **WILL** remember to treat each player as an individual, remembering the large spread of emotional and physical development for the same age group.
- I **WILL** do my very best to provide a safe play situation for my players.
- I **PROMISE** to review and practice the necessary first-aid principles needed to treat injuries of my players.
- I **WILL** do my best to organize practices that are fun and challenging for all my players.
- I **WILL** lead by example, in demonstrating fair play and sportsmanship to all my players.
- I **WILL** ensure that I am knowledgeable in the rules of each sport that I coach, and that I will teach these rules to my players.
- I **WILL** use those coaching techniques appropriate for each of the skills that I teach.
- I **WILL** remember that I am a youth coach, and that the game is for the children and not the adults.

PARENTS CODE OF CONDUCT

- I **WILL** encourage good sportsmanship by demonstrating positive support for all players, coaches, and officials at every game, practice, or other youth sports events.
- I **WILL** place the emotional and physical well-being of my child ahead of personal desire to win.
- I **WILL** insist that my child play in a safe and healthy environment.
- I **WILL** support coaches and officials working with my child, in order to encourage a positive and enjoyable experience for all.
- I **WILL** demand a sports environment for my child that is free of drugs, tobacco, and alcohol, and will refrain from their use at all sports events.
- I **WILL** remember that the game is for youth - not for adults.
- I **WILL** do my very best to make youth sports fun for my child.
- I **WILL** ask my child to treat other players, coaches, fans, and officials with respect regardless of race, sex, creed or ability.
- I **PROMISE** to help my child enjoy the youth sports experience by doing whatever I can, such as being a respectable fan, assisting with coaching, or providing transportation.
- I **WILL** require that my child's coach be trained in the responsibilities of being a youth sports coach and that the coach upholds the Coaches' Code of Conduct.

XXII. Coach Ejection Policy

Any ejection against a coach will require that said coach leave the playing facility, which is defined as the *playing field, bleacher/spectator area and immediate commons area*. Said coach must leave the playing facility within one (1) minute and have no further contact with anyone associated with the game or the game shall be declared a forfeit. This requirement also includes the “additional” game suspensions.

Any **coach** who is **ejected** from a game for unsportsmanlike conduct during a Wichita Heights Jr. Baseball & Softball League sponsored league game, is suspended from participation for **the remainder of that game + the next scheduled** (regularly scheduled or make-up) **game**. During said suspension, the offending person is not allowed to be at the playing facility, before - during - after the teams’ next scheduled (regularly scheduled or make-up) game. **NOTE** - WHJBSL sponsored league games only: In addition to non-participation during said suspension, the offending coach must meet with the Senior Representative of said District (or his/her assignee) and also complete a “sportsmanship” program, before said suspension can be lifted.

Any **coach** who is **ejected** from a game for unsportsmanlike conduct for a **2nd time** during a Wichita Heights Jr. Baseball & Softball League sponsored league game, **is suspended from participation for the remainder of that game + the next two (2) scheduled** (regularly scheduled or make-up) **games**. During said suspension, the offending person is not allowed to be at the playing facility, before - during - after the teams’ next two scheduled games. **NOTE** - WHJBSL sponsored league games only: In addition to non-participation during said suspension, the offending coach must meet with the Senior Representative of said District (or his/her assignee) and also complete a “sportsmanship” program, before said suspension can be lifted.

Any **coach**, who is **ejected** from a game for unsportsmanlike conduct for a **3rd time** during a Wichita Heights Jr. Baseball & Softball League sponsored league game, **is suspended from participation for a period of one (1) year**. During said suspension, the offending person is not allowed to be at the playing facility. In addition to non-participation during said suspension, the offending coach must meet with the Senior Representative of said District (or his/her assignee) and also complete a “sportsmanship” program, before said suspension can be lifted and must petition and meet with the Board of said District and ask for possible reinstatement, before said suspension can be lifted. **NOTE** - If a coach is granted reinstatement by the Board of the District, they are to serve a one (1) year probation (beginning from the date of the reinstatement) period. If during this probationary period, said coach is ejected from a game for unsportsmanlike conduct, they are suspended from participation for a period of two (2) years and must repeat the requirements for possible reinstatement, as listed above.

Any **coach** that has been **ejected** from a game, that **verbally abuses** any District / WHJBSL **employee/official / volunteer** after an ejection, said coach may be required to serve additional game suspensions at the discretion of the District / WHJBSL Board.

Any **coach** that **physically assaults** any District / WHJBSL **employee, official and/or volunteer** and/or **player** or **coach**, **will be suspended from all District / WHJBSL activities for life**. In addition, law enforcement will be called and the District / WHJBSL will encourage prosecution.

NOTE: Please refer to the WHJBSL “misconduct policy” for team sanctions concerning multiple ejections.

This policy was approved and adopted by a majority vote of the Board of the Wichita Heights Jr. Baseball & Softball League on December 7, 2005.

XXV. Misconduct Policy

Any **player, coach** and/or **spectator** attending a Wichita Heights Jr. Baseball / Softball League game, **who is ejected**, must **immediately** (within 1 minute) **leave the playing area, bleachers** and/or **adjacent commons area**, whichever is applicable. Any **player, coach** and/or **spectator** who has been **ejected** and "*challenges*" the **authority of the umpire(s), field supervisor** and/or Wichita Heights Jr. Baseball / Softball League official and/or **refuses to leave the playing area, bleachers** and/or **adjacent commons area** (whichever is applicable) within **1 minute**, the **game shall be declared a forfeit**.

Any **player, coach** and/or **spectator** who has been **ejected** and **physically assaults** an **umpire, field supervisor** and/or Wichita Heights Jr. Baseball / Softball League official **shall be banned from all Wichita Heights Jr. Baseball / Softball League functions for a period of 1 year** and must petition the Wichita Heights Jr. Baseball / Softball League board for possible reinstatement. In addition, the Wichita Heights Jr. Baseball / Softball League will recommend / encourage prosecution.

Any team who accumulates **3 ejections** (by players, coaches, spectators and/or any person associated with said team) during the league season, **said team will be ineligible for further competition and shall be required to forfeit the remainder of their league games** and will be ineligible for post-season competition, sanctioned by the Wichita Heights Jr. Baseball / Softball League.

In the event that the Police are called to a Wichita Heights Jr. Baseball / Softball League game because of misconduct by players, coaches and/or spectators and a **police report is made**, said **team will be required to forfeit their next regularly schedule league game**. **If the police are called** (and a report made) for a **second time** during the league season on a team, **said team will be ineligible for further competition and shall be required to forfeit the remainder of their league games** and will be ineligible for post-season competition, sanctioned by the Wichita Heights Jr. Baseball / Softball League.

Additional penalties / sanctions may be levied by the individual "Districts", as they deem necessary.

This policy was approved and adopted by a majority vote of the Board of the Wichita Heights Jr. Baseball & Softball League on December 7, 2005.

XXVI. Zero Tolerance Policy

Verbal and Physical Abuse of
Sports Officials, Coaches,
Players and Spectators.

Inappropriate Conduct & Behavior
by Players, Coaches and Spectators.

The Wichita Heights Jr. Baseball & Softball League and its member District's, fully endorses and supports good sportsmanship and fair play. Furthermore, the Wichita Heights Jr. Baseball & Softball League and its member Districts are very interested in a healthy, learning and supportive environment for its players, coaches, officials, parents and fans. Due to the increase of abusive and intimidating behavior that exists in youth sports, the Wichita Heights Jr. Baseball & Softball League has adopted a **ZERO TOLERANCE POLICY**.

It is the responsibility of **ALL** players/coaches/parents to maintain the highest standards of conduct for themselves, their players and supporters in all games. Abusive, confrontational and obscene language or gestures, violent play/conduct, fighting; inciting, escalating and other behavior detrimental to individuals, the game and the sport will not be tolerated. A player's/coach's/parent's responsibility for umpire support and spectator control includes the time prior to, during and after the game at the field and surrounding areas.

All persons responsible for a team and all of the spectators shall support the umpires at all times. Failure to do so will undermine the umpires' authority and has the very real potential of creating a hostile environment for the kids, the umpires and all of the other participants and spectators.

Zero Tolerance is designed to require all players, coaches, officials, parents/spectators, team officials, and administrators to maintain a sportsmanlike and educational atmosphere before, during and after all Wichita Heights Jr. Baseball & Softball League games. A growing problem in youth sports today is the common attitude that winning is everything in any athletic contest; the competitors should do their best to try and win. Mastery of the fundamental skills and the fun of playing are essential to the development of a lifelong interest in baseball/softball. Children are playing to make new friends, be part of a team, learn values such as respect for others, and for **FUN!**

Unfortunately, a small percentage of coaches, parents and spectators are ruining that fun for the kids and everyone else. There are two problems: 1) Coaches, parents and spectators are causing problems at fields by verbally abusing sports officials, opposing coaches, players, parents and spectators or interfering with the coach. 2) Some coach and parents are putting too much pressure on their kids to perform or to play at an elite level. These issues are causing kids, umpires, and coaches to leave the game early at an alarming rate. **The goal of this policy is to make coach/parent/spectator inappropriate behavior, socially unacceptable!**

Fair Play and Respect

Fair play and respect are the backbone of any successful youth sports program. In order for a positive environment to be created, it is imperative that all participants have respect for their opponent, the officials, themselves and the game of baseball/softball, as a whole. Oftentimes, the atmosphere on the bench and in the stands influences the environment on the field for all participants. Maintaining a positive attitude based on trust and respect, while displaying good sportsmanship, is a must for every participant in order for our game to continue to grow and to promote the development of skills and enjoyment in the game. Being positive, playing fair, showing respect and having fun is a philosophy that cannot be ignored. Remember baseball/softball is just a **Game** and should be **FUN** for everyone – **especially the kids!**

THEREFORE:

No one (players, coaches, parents and/or spectators) is to address an umpire or make comments on or about an umpire's call or non-call while in attendance at any Wichita Heights Jr. Baseball & Softball League game.

Exception for coaches or players:

- Responding to an umpire initiating communication.
- Making substitutions (coaches).
- Pointing out emergencies or safety issues. All conversations are to be in a polite, respectful tone of voice. No sarcasm. No intimidation.

No one (players, coaches, parents and/or spectators) is to address any other participant at the game (players, coaches, parents and/or spectators) in an obscene, threatening, vulgar or intimidating manner while in attendance at any Wichita Heights Jr. Baseball & Softball League game.

Penalties

- **Minor infraction: *Verbal warning.*** Any person who visually demonstrates any sign of dissatisfaction with any umpire's decision or non-decision in any manner that openly embarrasses the umpire and/or challenges his or her judgment. Taunting or baiting behavior. Abuse of equipment, such as but not limited to: Slamming gates, kicking bases and/or kicking dirt on a plate/base in disgust at the decision of an umpire.
- **Major infraction: *Warning, dismissal or ejection, depending on the seriousness of the infraction.*** Any person who has committed a subsequent minor infraction, use of obscene or vulgar language / racial/ethnic slurs, threatening language or behavior, touching/holding/grabbing an umpire, threatening physical violence or physical violence and/or throwing any objects onto the field in anger or show of dissatisfaction with the decision of an umpire.

In the event of an ejection, Wichita Heights Jr. Baseball & Softball League "ejection" policy will be applied.

XXVII. Review / Protest / Rule Interpretation Committee

Formation of Committee

The **Review / Protest / Interpretation Committee** will consist of the Head Representative of each District. In the event of an even number of Districts / Representatives, either the President of the WHJBSL and/or other WHJBSL officer may sit on the Committee. However, the President and/or other WHJBSL officer may not vote on any matter, except in order to break a tie vote. The President and/or other WHJBSL officer may not veto any action of the Committee. In the event that a Head Representative of a District cannot fulfill their responsibility, they may appoint a representative from their District to serve in their place.

Review

The Committee may review any situation deemed necessary and/or prudent to the overall function of the WHJBSL as a whole. This shall include, but not limited to: A complaint filed by a parent alleging abuse of a player, inappropriate conduct/language allegedly used at a WHJBSL function and ejections. Review matters may be handled via e-mail voting.

Protests

- ✓ **ONLY DECISIONS on INTERPRETATION of RULES** may be protested and **NOT DECISIONS OF JUDGEMENT**, whether it be baseball, softball, or conduct on the playing field.
- ✓ Only the certified head coach or their certified assistant(s) may protest the game. The Head coach's or assistant's name must appear on the League roster forms.
- ✓ The protesting coach must make his/her intentions clear **AT THE TIME** of the disagreement to the umpires and opposing coach. At the **point of protest** the **number and position of runners**, the **count on the batter**, the **number of outs**, and the **official time** of the protest **MUST BE NOTED IN BOTH SCORE BOOKS and SIGNED BY BOTH COACHES**.
- ✓ A **\$50.00 protest fee** must be given to the umpire at the completion of the protested game. Checks should be made payable to the Wichita Heights Jr. Baseball & Softball League.
- ✓ The Protest Form must be filed with one of their District Reps within 48 hours after the completion of the game.
- ✓ Umpires must forward within 24 hours a letter relating the circumstances of the protest, and the \$50.00 collected from the protesting coach to a League Representative from their District or to an officer of the WHJBSL Board.
- ✓ Time expired during the protest while the game is in progress will not be included in the allotted game time. (Exception: See General Rule F (3).)
- ✓ The Review/Protest/Rule Interpretation Committee as described above will be convened and will review the facts of the protest. Both coaches must be notified of the time and place of the protest meeting. The Review/Protest/Rule Interpretation Committee may decide upon its own procedures, including whether or not the coaches or others may present arguments and the time restraints upon such arguments. The Review/Protest/Rule Interpretation Committee may question the persons in attendance and may request the attendance of any person believed to have pertinent information.
- ✓ The Review/Protest/Rule Interpretation Committee must rule on each protest within 48 hours after receiving it. The majority vote of the Review/Protest/Rule Interpretation Committee is sufficient to decide a protest. The decision of the Review/Protest/Rule Interpretation Committee shall be made known to the coaches involved in the protest, either at the conclusion of the hearing or by telephone notice, by a member of the Review/Protest/Rule Interpretation Committee. Although the actual notice or telephone notice may be followed by a written decision, the time for appeal begins from the time of the actual notice or telephone notice of the decision.
- ✓ In all cases, the decisions of the Review/Protest/Rule Interpretation Committee will be final
- ✓ All money will be returned to the protesting coach if the protest is upheld. If the protest is denied, the money will be deposited in the League treasury.

Rule Interpretation

The Committee may review any rule and render an official interpretation on the meaning and/or spirit of said rule, submitted by any District Representative or Head Umpire/Field Supervisor. Any and all rule interpretations are binding and shall be adhered to at all games. Rule interpretations may be handled via e-mail voting.

Adopted by the Board of the Wichita Heights Jr. Baseball & Softball League, 1/10/07.

XXVIII. The S.A.G.E. / W.H.J.B.S.L. Sportsmanship Program

(please note that we may not be able to implement all parts of this program)

The Mission:

To remind us that the game is for the kids, that respect for others is a lesson we can help teach, and that setting a good example is more important than winning.

Program Outline

- Parents, coaches and players should sign a Sportsmanship Pledge form spelling out appropriate conduct and the reasons good sportsmanship is so important.
- It is recommended that coaches attend and complete the NYSCA certification requirements, and they reinforce S.A.G.E.
- Preseason team meetings are to be held to discuss the S.A.G.E. program and if possible, show the **Youth Sports Educational** video, in which players, psychologists, coaches and others explain how to make youth sports a positive experience which helps kids' self-esteem and promotes respect by and for everyone.
- Parent representatives are chosen from each team (we ask that each team have a minimum of 2 parents) who become a visual reminder of the program at games. The parent representatives will attend a seminar on sportsmanship and be certified through the PAYS (Parent's Association for Youth Sports) and be given a colorful S.A.G.E. t-shirt. We ask that the parent representatives wear their t-shirt to all games.
- The S.A.G.E. parent representatives are not enforcers of the program. There should be no confrontations. We are encouraging all adults who hear negative comments to NOT react quickly and/or emotionally. After a pause, no reaction or a pleasant "relax and enjoy the game" is often best. We thank all parents and coaches who are helping us help the kids by reporting disrespectful behavior.
- The WHJBSL will take whatever action is necessary and prudent concerning poor sportsmanship and in compliance with the WHJBSL Code of Conduct. Consequences for inappropriate behavior by spectators, players, or coaches may include a conversation with those involved and/or suggesting or mandating that they attend a sportsmanship seminar or meeting with WHJBSL representatives. They may also include, but not limited to, suspension from attending games.
- Parent representatives will be asked to periodically distribute sportsmanship brochures, literature, cards, etc... to spectators as reminders of the do's and don'ts of good sportsmanship.

Team S.A.G.E. Representatives

By volunteering to become a S.A.G.E. Representative, you are helping us provide a better sports experience for our children.

Kids consistently say that their main goal in playing sports is having fun. If we adults can subdue our egos, eliminate the disrespect for officials and others, and stop putting pressure on the kids, their youth sports experience can be a good one, regardless of whether they are great athletes. Most adults behave well, but a relative few can negatively influence our children's behavior.

Many of the difficulties arise because we adults sometimes overemphasize the importance of winning. We also may have unrealistic expectations about our children's ability and their chances of playing in or after high school. In these next few pages, we will give you the tools to help make the youth sports experience a positive one for all the kids involved.

S.A.G.E. T-shirts

We ask that you wear your S.A.G.E. t-shirt anytime you are at a WHJBSL youth sports activity or any youth sports activity for that matter. By wearing your t-shirt, you are demonstrating your support for the program, and that you are trying to help the WHJBSL provide a better experience for the kids.

Meetings

Each District is responsible for setting up and conducting their own S.A.G.E. meetings. Please check with your District to see when and where these are being held.

What to do if a problem arises at the field

First, we want to emphasize that we do not want confrontational situations. In addition, most Districts will have a field supervisor / head umpire or someone in charge, and it is their responsibility to handle adverse situations. If someone is criticizing the coaches, players, officials, or otherwise acting in a negative emotional manner, that may not be the best time to talk to them. Remember – there should be no confrontations. Think of yourself as a gentle reminder of the S.A.G.E. program.

If the "someone" is from your team, and you feel comfortable in talking to them during the game, pleasantly suggest that he/she relax and enjoy the game. You may feel more comfortable talking to them at halftime or talking to all the parents either after the game, or before the next game. Also, when conversing away from the game, you can mention that the coaches, kids and/or referees are doing the best they can, that our sportsmanship pledge explains why he/she needs to be respectful, and that their behavior can embarrass the team and their child.

If the "someone" is from the other team, their S.A.G.E. representative (if present), should try in a friendly way to deal with it. If their representative, or another parent from their team does

What to do if a problem arises at the field - continued -

not calmly try to deal with it, you can use the "Relax and enjoy the game" line or another that you feel comfortable with. If not, NOT talking further to the offender is generally the best way to avoid an argument. **If necessary, remind your team's parents not to respond.** Not responding to the offender, can help quiet down some of the inappropriate behavior.

To reiterate, in any of these situations, remain calm and use a positive tone and if this does not bring an end to the situation or a positive response, do not proceed and get into an argument.

Periodically, the WHJBSL or the member Districts will supply the S.A.G.E. representatives with "sportsmanship literature" that can be handed out and possibly defuse a situation before it ever happens.

At the conclusion of the game, make a written assessment of what happened and what was said. You should inform the coach and forward the written assessment to the WHJBSL or the member Districts. Be careful not to exaggerate or over generalize. This communication is kept anonymous. We do not view this as tattletaling, but rather an effort to set a better example for the kids and help their self-esteem by eliminating disrespect for everyone and pressure to perform.

Too often in dealing with these types of situations, we get conflicting stories about what has happened. Nonetheless, once informed that something occurred, the WHJBSL or the member Districts is usually able to take steps to prevent a recurrence.

Try to discourage folks from being negative by setting the example yourself with positive comments (FOR BOTH TEAMS) like "good try," "great effort," "you'll get it next time," "don't worry about it," etc...

Praise should be directed to **ALL PLAYERS.**

While you are at it, go shake the hand of the coaches and officials after the game.

Let's hope more folks than ever can relax have fun and **RESPECT** everyone and enjoy the game. **Thank you again!!!**

XXIX. RECOMMENDED COMMUNICABLE DISEASE PROCEDURES

- While risk of one athlete infecting another with HIV/AIDS during competition is close to non-existent, there is a remote risk that other blood borne infectious diseases can be transmitted. For example, Hepatitis B can be present in blood as well as in other body fluids. Procedures for reducing the potential for transmission of these infectious agents should include, but not be limited to, the following:
- The bleeding must be stopped, the open wound covered and if there is an excessive amount of blood on the uniform, it must be changed before the athlete may participate.
- Routine use of gloves or other precautions to prevent skin and mucous-membrane exposure when contact with blood or other body fluids is anticipated.
- Immediately wash hands and other skin surfaces if contaminated (in contact) with blood or other body fluids. Wash hands immediately after removing gloves.
- Clean all blood contaminated surfaces and equipment with a solution made from a proper dilution of household bleach (CDC 1 - 100) OR OTHER DISINFECTANTS BEFORE COMPETITION.
- Practice proper disposal procedures to prevent injuries caused by scalpels and other sharp instruments or devices.
- Although saliva has not been implicated in HIV transmission, to minimize the need for emergency mouth-to-mouth resuscitation, resuscitation bags, or other ventilation devices should be available for use.
- Athletic trainers/coaches with bleeding or oozing skin conditions should refrain from all direct athletic care until the condition resolves.
- Contaminated towels should be properly disposed or disinfected.
- Follow acceptable guidelines in the immediate control of bleeding and when handling bloody dressings, mouthguards, and other articles containing body fluids.
