

PARENTING CLASS NOTICE PER FLORIDA STATUTE SECTION 61.21

Given the large number of children that experience separation or divorce each year and the potential short-term and long-term detrimental economic, emotional, and educational effects suffered by the children involved in these proceedings, the Florida Statute Section 61.21, requires that each parent complete a four (4) hour Parenting Course prior to a final judgment being entered. The course is designed to help separating and divorcing couples focus on what is in the best interest of their children and how-to co-parent.

The Parenting Course can be completed online using any of the providers below. Once completed, please email me a copy of the certificate of completion so that we can submit it to the court. Please remember that both parents need to complete the course and that the Court will not divorce you until each parent's certificate of completion is filed in the Court file.
