Avon driving park

Avon, ny

Presentation Parade

Through the village of Avon

Sunday July 25, 2025

9:00 am

**REGRETFULLY
CANCELED**

July 15. 2025

Dear Supporter and Friend,

It is with great regret and heavy hearts that we, the 2025 Avon Driving Show Pleasure Driving Show Committee, have decided to cancel the competition for 2025.

Mother Nature has dealt the village of Avon and the Avon Driving Park a few rough blows this summer. Heavy rainfalls in combination with a rainy spring and summer have caused major flooding twice in a very short period of time. The Driving Park and in particular, the track, infield and show arena were under water and have been damaged. The cross country trail is almost nonexistent. At this time, recovery and repairs will require more time and resources than are currently available.

The park is maintained by the village of Avon. At this time, the village authorities are dealing with a lot of damage in the village, so the park will have to wait. We hope that no more heavy rain will fall. In time all will be repaired and made good again.

We are looking forward to the 4th Annual Avon Driving Park Pleasure Driving Show being held next year on July 24, 25 and 26, 2025. We hope you will join us then.

We thank you for your support and understanding of the difficult decision we have had to make this year. We look forward to seeing you next year!

Sincerely,

The Show Committee

The Damage to the Avon Driving Park

6/19/25. the 1st flood

6/27/22. the 2nd flood

The arena and infield after the 2nd flood

The arena and infiel a July 9, 2025. A week later

These photos little represent the damage done. The park is on a clay base which does not provide good drainage.

The photos of the infiel are of the arena where the dressage and cones arena is placed.

The infiel in front of the stables is too soft to support the weight of small rigs let alone large rigs.

Every show committee worked hard to assure the success of the show. Because of each committee member's work, the show promises to be top notch next year, just as it would have been this year.

One individual worked especially hard in gathering sponsors for the show. Thankyou Sharon for all your hard work.

You did a bang-up job!

Offering:

- U-pick raspberries and blueberries in season
- Small round bales of hay available for purchase
 - Soybeans, wheat and hay
