### LEITH VEHICLE OWNERS STILL DRIVING WITHOUT PROPER NORTH DAKOTA LICENSE PLATES AFTER 2 YEARS

Written By Gregory Bruce - Editor Grant County ND News Dot Com

How is it that the same people who filed the charges against the Mayor of Leith can continue to live in **LEITH** since the early part of 2013 and drive their vehicles, one with **WISCONSIN** plates and the other with **NORTH DAKOTA** plates that expired in January of 2014?

It is yet another 'mockery' of justice in **GRANT COUNTY** thanks to the Grant County States Attorney who evidently didn't want to appear holding a grudge and turned it over to the North Dakota Attorney General's office for prosecution! How thoughtful!

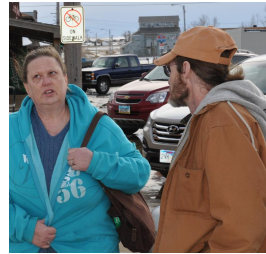

The trial date for the Mayor of Leith is set for **OCTOBER** 1st with two (2) days scheduled. Whoever heard of a 2 day trial for one (1) **MISDEMEANOR** charge?
