### CRAIG COBB - APRIL'S FOOL OF THE YEAR

*By Gregory Bruce - Editor - April, 2017*

Poor 'Ol Craig Cobb just cannot stand not being in the news. Yesterday on April Fool's Day he just had to make a personal attack against this editor by making a libelous comment on this website's Facebook page about last week's 'Cartoon Of The Week' (below).

First Cobb gets run out of Leith, North Dakota then Antler, North Dakota tears down the Santa Bank he wanted to buy, then Smith Center, Kansas and Red Cloud, Nebraska buy up all the properties he was trying to buy, then Landa, North Dakota refuses to sell him a house so he and his girlfriend could start a family.

**TODAY'S QUOTE**  
 THE THERMOMETER OF  
 SUCCESS IS MERELY THE  
 JEALOUSY OF THE  
 MALCONTENTS.

By the way his girlfriend and her mother who were trying to buy a house in Sherwood to live close to him have since moved back to Texas. I guess they lost their \$10 deposit.

Next Cobb tries to buy half a church in Nome, North Dakota and lo and behold it burns to the ground.

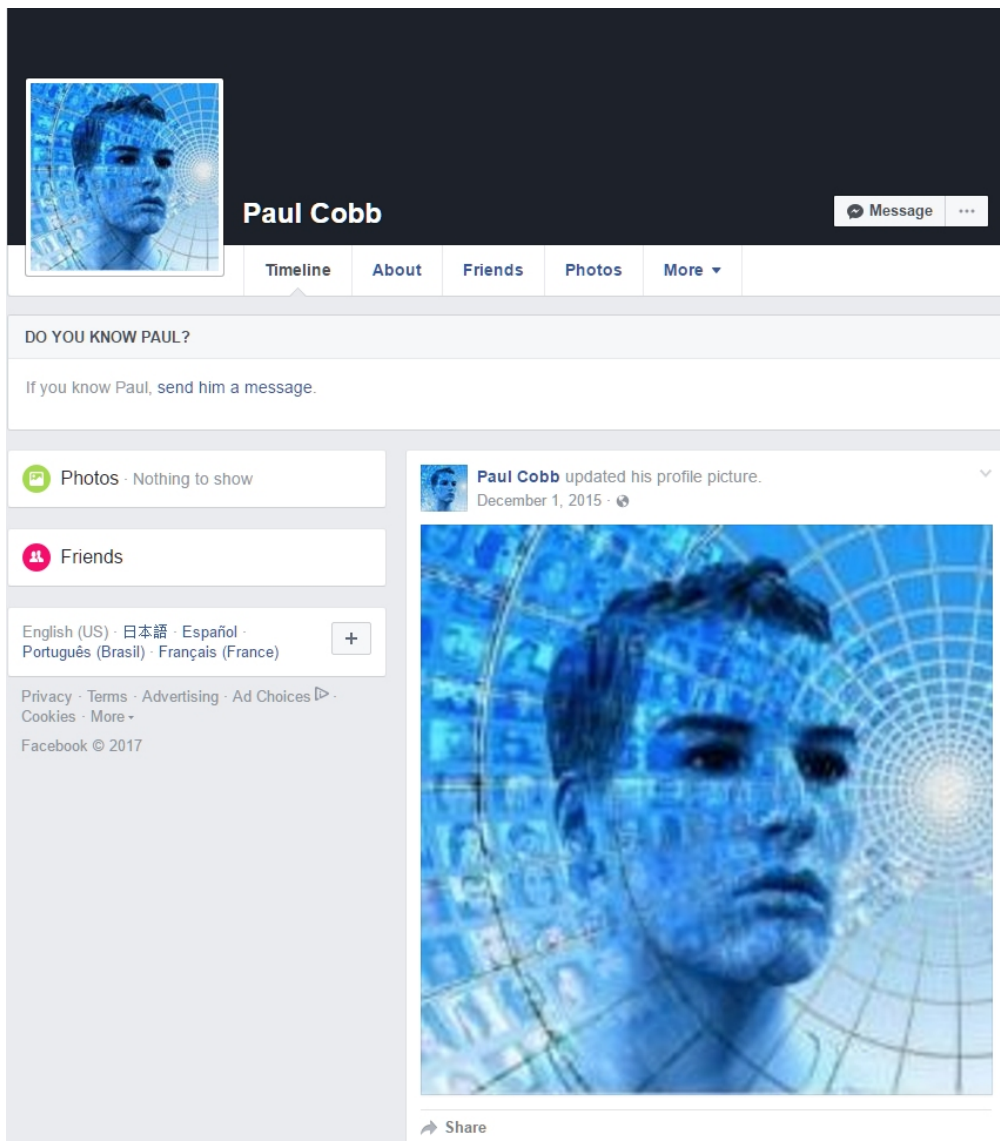

Did he do it or did someone in Nome do it? Who knows but the short survey ran here a week or so ago shows that a little over 50% of those who took it thought so. Either way the City of Leith, North Dakota (unfortunately) led the way on how to rid rural towns of NAZIS.

**Do you think that Craig Cobb started the fire in the church in Nome, ND?**

Craig Cobb's old outdated Facebook page he uses from time to time to launch internet attacks on those he is upset with.

Notice how he uses his other name of Paul to hide? How pitiful.
