## Born in Lexington, South Carolina

Because I am a 'lifer' in the military, I've seen the impact of a president more than many of you can imagine. I enlisted with LBJ and saw just what a Democrat clusterflock was all about. I went to Vietnam and saw how we were constantly and incessantly bombarded with micromanagement from Washington that got thousands of military people killed.

I wonder sometimes if I'll get to heaven, but if I go to hell, I'm sure I'll still be a few hundred floors above that bastard Robert McNamara, LBJ, John Kerry, Jane Fonda, and yes, even the hero, John McCain.

After Johnson abdicated rather than having his ass waxed, I lived through Nixon who was hawkish but allowed the generals (and there WERE a few real generals back then versus now) run the show. He was so out of touch that he never knew North Vietnam was about to surrender when the Paris Accord was presented.

Only God could help us after Gerald Ford was beaten by Jimmy Peanuts who'd been funded by Saudi money. The military was turned into Section 8 and even the White House suffered the austerity.

Then the light began to shine and Ronald Reagan swept into the fray. He not only loved the country and the military, they loved him back. Esprit d'corps was off the scale during his presidency. The Liberals were slowly turning into socialists, however, and about this time all the draft dodgers of the 1960's who'd been given amnesty by Jimmy Peanuts were turning out college graduates with degrees in socialism.

Bush 1 was an enigma from the CIA and though he never did much either way, he NEVER DID MUCH EITHER WAY.

Welcome to Bill Clinton. Clinton spent most of his two terms wagging the dog and creating the Oral Office, sending a bomber to blow up Quaddafi's tent and killing a goat or two, while allowing the UN to set up the infamous

of sycophants who follow her.

But a shocking thing happened on the way to the forum. Middle America has had enough and although the pollsters and the pipers tried to convince them not even to bother to vote, they were fed up with the denizens of the swamp. It was time. Florida was designated a swing state ignoring that all those old retirees living in St. Petersburg, and the fed up Cuban Americans of Miami weren't interested in their platform. Ohio and Pennsylvania, where coal production was blacklisted and where Obama had ridiculed them for clinging to their Bibles and their guns lay awaiting this supposed landslide Hillary vote and creamed it.

The Socialist world of the Democratic Party disintegrated. An American who expressed unbridled love of country and respect for police, firemen, and military steam rolled across the heartland and the liberals realized their scheme was trashed. A CONSTITUTIONALIST would be nominated to the Supreme Court and if the hag who'd claimed to retire if Trump were elected would actually leave, the Supreme Court would have a massive majority of CONSTITUTIONALISTS for the next 40 - 50 years.

Now, the same party who had ridiculed Trump on his comments about the election being rigged started screaming that the election was rigged. They even advocated having the election repeated. They created mobs that burned and pillaged, stopped traffic, threatened murder, battery and rape of Trump supporters, and became the anarchists that the socialist dream thrives upon. They run like castrated pigs for safe zones and use diaper pins as their national symbol.

This is exactly what happens when political correctness takes over, and participation trophies are awarded to everyone. They can't conceive how disgusting and subservient they have become. Donald Trump may NOT be the best person for the job, but he's such a welcome respite from the candy assed wimps who've been running the swamp that it's refreshing to see. At the very least, Donald Trump derailed the Socialist train and bought us precious time. If he only does half of what he's promised, we'll still be legions ahead of where Obama has dragged us.

Already countries who held us in contempt are lining up to be found in the favor of America. So, for you liberal

lurkers and you half assed fence sitters, kiss off. You had your big hurrah and now your party is over.

For you staunch Republicans in office, don't gloat so much yourselves. You've been put on notice by the American people that we're fed up with ALL YOU BASTARDS and if you don't start putting America first, you do so at your own peril.

You might want to buy a copy of George McGovern's autobiography and see how shocking and humbling it can be for a professional politician to have to try to find legitimate work once he falls from grace.

This election was pure, unadulterated AMERICAN. Hillary got beaten and AMERICA WON THE ELECTION.

You can claim he's not your president all you want, but unless you forfeit your American citizenship, YES HE IS!

Go cry a river some place where they need water!

#### *EDITOR COMMENT*

*Among the many military friends I have served with, some of us have served in multiple services, both in combat and in peacetime including myself in the US Navy and the US Coast Guard.*

*This article was sent from a retired USA/USAF friend from the state of Washington in the Puget Sound area.*

*We military men and women are everywhere and whole heartedly support our elected commander in chief Donald J. Trump without reservation.*

*There will be a Memorial Day editorial and movie coming around the 15th of May so watch for it.*

*The Memorial Day editorial information and movie (re-produced by my film production company Broken Arrow Productions) was sent by a USAF friend from the far northwest corner of the state of Washington.*

*This shows that the LIBERAL SOCIALIST state of Washington may still have some hope of recovery if there*

*are former military men like my two friends mentioned above in that state.*
