EDITORIAL

THREE (3) YEARS LATER TO THE DAY

EDITORIAL

One year ago today my friend Lauren Donovan a long time reporter from the Bismarck Tribune newspaper wrote the story about the now **"CONVICTED HOME GROWN NAZI TERRORIST CRAIG COBB"**. [CLICK HERE](#) for that story.

As soon as I can get all of the news stories Lauren has written involving Grant County re-formatted they will be posted.

Within just 3 weeks after **COBB** was released from jail on probation by the former Grant County States Attorney

TODD SCHWARZ he had his computer confiscated by the **FBI** for posting photos of my family members on **NAZI** websites with filthy slurs. Is it any wonder I keep my eyes and ears open for more of his **"NASTINESS"**.

I have had to put up with some locals who do not want their dirty secrets exposed that involve all sorts of corruption that have led many Grant County citizens asking me to look into these issues. Suspicious gravel sales, election fraud, land sale fraud, school boards and commission meetings needing accountability with the many videos I have filmed and produced just to name a few.

The videos, films, photographs, news stories and editorials I have written and produced for the City of Leith and this website covering the **"INVASION OF THE EVIL NAZIS"** and the involvement of former county commissioners and their **"GOOD 'OL BOYS CLUB SPECIAL INTERESTS"** and pork barrel distribution of money have, needless to say have **"PISSSED OFF"** those involved.

I have had restraining orders filed against me by the **NAZIS** and one local Glen Ullin resident who did not like my photographing, filming and reporting on a certain issue involving a land dispute out at Lake Tschida.

The **"REST OF THE STORY"** has not yet happened and will be told as soon as it does with video, photographs, editorials and news stories.
