Mayor and City Council
Leith, ND 58529

RE: Nuisance and Hazard Abatement in the City of Leith.

Mayor and City Council,

A community survey was carried out within your city on August 29, 2013, by a member of Custer Health's Environmental Health Department. The owners of dangerous and dilapidated buildings and vermin harborage were given notices to remove identified public health hazards within 30 days of delivery of the notice.

The 30 day due date has now passed on all the subject properties. You are hereby directed to carry out the abatements as stipulated on the attached notices. Please carry out this work within 30 days of your receipt of this notice. Costs of the abatement can be billed back to the properties upon which the work is done.

Please notify Custer Health when you have completed the abatements. Thank you.

Regards,

Tom Kaspari, M.D.
Health Officer, Custer Health

Jen Hauge, State's Attorney
Todd Schwarz, Asst. State's Attorney
