At approximately noon today I arrived in
Leith, ND with Lee Cook to install a
security system with cameras on his
home. Kynan Dutton, Craig Cobb, and
Deborah Dutton approached myself and
Lee Cook on the street as Kynan Dutton
was carrying a rifle, Craig Cobb was
carrying a shotgun, and Deborah Dutton
was carrying a cell phone camera. They walked
within 10 feet of me photographing them.
They then walked around the town twice on
the city streets and all the while continuing
to carry their weapons.
