In order to comply with COVID-19 safety practices, we are offering Carry-Out services only this year.

We will be taking in-person orders in the upstairs of our club, where we have expanded the room available to allow for social distancing. Please help us by having only 1 or 2 members of your household inside, if possible.

Once your order has been placed, you will move to our reconfigured downstairs area for a few minutes while we fill your order.

When your name is called, you will get your order and exit through our side doors to enjoy your fish fry items at home.

Menus with expanded item descriptions are available online at germanfamilysociety.com

*Face masks are required

*No Phone Orders or Pre-Orders
