Akron GFS

We are a non-profit, social organization whose charter is to promote and pass along our culture, traditions, heritage and language to future generations. We are a family society and are comprised of amazing volunteers who support all of our functions and maintain our grounds. Every penny goes back into our club and various groups to ensure we are around for years to come. Our organization cannot survive without the help of our community.

On Sunday, June 27th, 2021, a dedication plaque was revealed during our annual Kirchweih ceremony. It reads "Dedicated in Loving Memory of Joseph & Mary Rickert who, along with many others, were instrumental in the founding of our G.F.S." Our Kirchweih program is held on the Sunday of our annual Old European Days.

Purchase a personalized brick for our Blessed Virgin Memorial Garden and support the GFS.
