Our Purpose Newsletter

"Our watchwords are Truth and Love; and if we abide in these, they will abound in us, and we shall be one in heart, — one in motive, purpose, pursuit."
— Miscellaneous Writings 135:5-7 by Mary Baker Eddy

VOLUME 9

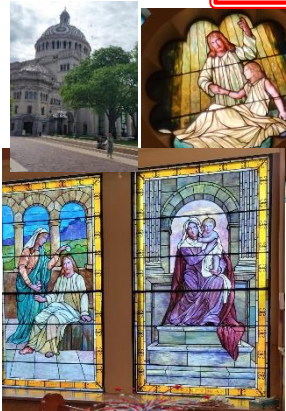

JUNE/JULY 2026

MOMENTS WITH OUR BELOVED LEADER MARY BAKER EDDY

'Christian Science is based on the Bible, including the teachings of Christ Jesus. Jesus understood God to be Love. He understood that God is good, and he was able to heal based on this spiritual truth in a way that was systematic, logical, and understandable. Christian Scientists believe that spiritual healing—as taught by Christ Jesus—is accessible to anyone today.'

HEALING INSPIRED STAINED-GLASS WINDOWS AT THE MOTHER CHURCH

"The Original Mother Church, built in 1894, is at the heart of the Christian Science Plaza and remains today as it was when first built. The building is Romanesque in style, made of New Hampshire granite, and with many stained glass windows depicting Bible events."

Welcome to the Our Purpose Newsletter
The "Our Purpose" church newsletter is designed to inform, motivate and inspire all readers. In addition to listing upcoming church activities, this newsletter will also include historical reflections of our dear Leader Mary Baker Eddy and the Christian Science Movement. All Church members are welcome to submit articles and testimonies to Church member Joyce Warhop at jewarhop@yahoo.com by the 15th of each month. Enjoy!

SPIRITUAL FREEDOM

"The human thought must free itself from self-imposed materiality and bondage. It should no longer ask of the head, heart, or lungs: What are man's prospects for life? Mind is not helpless. Intelligence is not mute before non-intelligence."

(Science and Health with Key to the Scriptures, Mary Baker Eddy, p. 191:16)

"Bear with me the burden of discovery and share with me the bliss of seeing the risen Christ, God's spiritual idea that takes away all sin, disease, and death, and gives to soul its native freedom."

(The First Church of Christ, Scientist, and Miscellany, Mary Baker Eddy, p. 120:9)
