#### SPECIAL HONOR FOR MARY BAKER EDDY

From the [October 1999 issue](#) of The Christian Science Journal

"On October 5, the American National Women's Hall of Fame will honor another select group of American women who have triumphed in the face of overwhelming obstacles and made a "trailblazing" contribution to society. The enduring value of their accomplishments—and of others inducted into the Hall of Fame in annual ceremonies held since 1972—will be celebrated in Seneca Falls, New York, birthplace of women's rights in the United States, and site of the first Women's Rights Convention in 1848."

EXECUTIVE BOARD MEETING

Last year, in time for our Church's 125th Anniversary Celebration, Richard Jones and Joyce Warhop co-authored an article featured in the "Anthology of Women in Riverside, California, 1870-1970: The Extraordinary Lives of Women in Riverside's First 100 Years" published by the Riverside Historical Society.

The article contains the permission to use photographs from the Longyear Museum of Christian Science pioneers Emma Stanton Davis and Emma Deaton Newman who helped establish our Church.

Many thanks to Riverside Historical Society Journal Editor Debbie Quick Newton for the invitation on this project that includes 64 contributors and over 400 pages honoring Riverside's Founding Mothers.
