

# Sparkleffect

*Coming home to a house that Sparkles is everything!*

*First and foremost, I would like to thank you all for your patience during these difficult times and re-booking in my cleaning services, which will be resuming June 1/20.*

*Rest assured, I will be taking extra measures to ensure the safety of all my valued clients. I have detailed a list below on how I plan to do this. I look forward to seeing you all once again! Until then, please stay safe and healthy!*

*Microban 24 gives the surfaces in your home long-lasting protection, preventing the spread and growth of bacteria for 24 hours.*

## **COVID-19 (Coronavirus) Safety Cleaning**

- Before cleaning airing out rooms for at least 20 minutes, if possible
- Wearing of disposable protective gloves and mask, which will be discarded after each cleaning
  - Reusable cleaning cloths will be machine-washed at highest heat setting with bleach
  - Cleaning first, then disinfecting - 1st with soap and water then with disinfecting product
- Frequently touched places will be disinfected - light switches, doorknobs, remote controls, faucets and handles
