*Do I feel a connection with this photographer as well as his/her photos? Are our personalities a good match?

* Am I comfortable with this person's work and communication style?

*Has this photographer listened well and addressed all my concerns?

** Ask the photographer for at least 5 references, preferably of couples whose weddings were similar to yours in size and/or style. Getting feedback from several people who have actually hired the photographer in question can really help you decide if that person is right for you.*
