RE: UNLAWFUL COPAY for Prisoner Medical Treatment

Dear Corrections Committee,

For many prisoners, YOU ARE ABUSIVELY CHARGING \$5 Medical COPAY which is HALF of my MONTHLY PAY. Such unlawful COMMUNIST behavior modification tactic is stated by MDOC as intended to deny medical treatment. It has caused Premature Death, like MORRIS HOUSTON and ELVIS WILLIAMS at MRF in MAY 2016. MANY PRISONERS DIE for fear of ABUSIVELY being charged COPAY and, thereby, are deprived of life's minimal necessities.

COPAY DENIES many prisoners needed FUNDS TO PURCHASE TOOTHPASTE AND OTHER HYGIENE NEEDS. This has happened to me FOR YEARS AT A TIME because of Copay BANKRUPTING ME when I was severely ill. Such deprivation is a constitutional violation. FLANORY v BONN, 604 F3d 249 (6th Cir. 2010). Some poor prisoners DON'T GO to Health Service when they have INFECTION and spread it to others because they cannot afford the ABUSIVE COPAY.

Those most often are charged with Copay are the elderly, handicapped and weak. YOU ARE the SCHUET STAF (SS) OF the 4TH REICH in charging COPAY to such persons. Your ABUSIVE COPAY "may actually produce torture or a lingering death" of GENOCIDE. ESTELLE v GAMBLE, 429 US 97, 103 (1976). Maybe you should think about HOW MY LEFT HAND FEELS AFTER 3-YEARS OF A nylon SUTURE PINCHING A NERVE for lack of care.

Enclosed GRIEVANCE #286 is on MDOC STAFF at MCF not giving me the Due Process of a Notice of Intent (NOI) to prepare for a COPAY hearing. The NOI was handed to me 2 minutes

before PC PATRICK MISETA telling me, "This is your hearing", after he decided to charge me \$5 COPAY without letting me speak. I never requested to go to Health Service but only asked in OCTOBER 2016 when follow-up on my 23 JUNE 2016 OPEN HEART SURGERY to remove a NYLON SUTURE would be done. I never had a visit for the removal but was charged. THERE IS SUPPOSED TO BE NO COPAY FOR a FOLLOW-UP. THE SUTURE IS STILL IN MY LEFT ARM AND has caused SERIOUS PAIN AND PARTIAL PARALYSIS OF THE HAND for 3 YEARS FOR FEAR OF BEING DEVASTATED BY ANOTHER \$5 COPAY.

GRIEVANCE #299 is on another COPAY charge for which I was NOT given the NOI. On 18 NOVEMBER 2016, I passed out in the chow hall from ACUTE HEART FAILURE, after my 23 JUNE 2016 CABG X3 OPEN HEART SURGERY. A Prison Guard pushed me to MCF Health Service in a wheelchair. MCF Health Service embezzled 3 separate \$5 COPAYS for this emergency visit contrary to policy, then charged me again in MARCH 2017 (Grievances 335 & 336).

In GRIEVANCE #301: I was NOT given a hearing nor a hearing report when charged for this \$5 COPAY. I got the report of an alleged hearing that never occurred after filing Grievance #301(Grievance #304).

MCF GRIEVANCE COORDINATOR BARNES blocked me filing grievances on further EMBEZZLEMENT of \$15 in alleged COPAY charges that were multiple added charges for one visit (Grievances #312 & 319).

JCF ARUS CHRIS YOUNG held a hearing to again charge me for another MCF Medical Visit that I did not request but was ordered to go to by a Prison Guard after I had passed-out on 05 NOVEMBER 2016, 5-months after CABG X3 OPEN HEART SURGERY (Grievances #335 & 336).

In JULY 2018: LCF Health Service gave me defective glasses. My prior glasses had broken when JCF Health Service gave me a broken Rollator-Walker that tripped me and I fell. When I asked for replacement of the defective glasses, LCF Health SERVICE charged me \$5 COPAY for an AUGUST 2018 visit I did NOT request (Grievance #342). Now, I walk around with glasses that make my vision look like through a fishbowl because the astigmatism is wrong. Since I have Menieres Disease (dizziness) and depend on my eyes for balance, YOU are endangering my life by putting me at risk of falling.

I will not again request the SCUM OF CORIZON HEALTH INC to replace the defective glasses they gave me in JULY 2018. They and YOU can pay another \$70,000 for a hospital visit when I fall.

Regarding me: YOU have already paid over \$750,000 in LITIGATION and CATASTROPHIC MEDICAL TREATMENT costs because of the ABUSIVE COPAYS. "An inmate must rely on prison authorities to treat his medical needs; if the authorities fail to do so, those needs will not be met". ESTELLE v GAMBLE, 429 US 97, 103 (1976). You should forthwith end the ABUSIVE MEDICAL COPAYS that You created as an UNLAWFUL BEHAVIOR

MODIFICATION TACTIC TO DENY MEDICAL TREATMENT.

Sincerely,
/s/ Gary M. Northington

Dear Rudy,

My severe hypertensive emergency of 220/101 mmHg on 26 MARCH 2019 went down to 115/64 mmHg on 04 APRIL 2019. On 26 MARCH 2019 after eating oatmeal of my MDOC MADE special diet at breakfast, I had an adrenalin buzz for hours that I did not do anything else to cause. I don't do any illegal drugs because I like reality. One has to wonder if that was an attempt by The BEAST to overtax my heart. After the hypertension, the left side of my face sagged like I'd had a stroke or TIA but it went away by 02 APRIL 2019.

Wow! Thanks for the snail mail of meeting info with addresses of similar soldiers. I sent the earlier one to a friend so he can contact Ed and Elaine.

I hope you got my snail mail on the 29 MARCH 2019 CYBER ATTACK affecting my emails and court access. An update will come later.

All for Jesus!! God Bless! /s/ Gary M.

POMafia #16, part 2: 1 of 3 MOTION TO SHOW CAUSE
..... UNITED STATES DISTRICT COURT
..... EASTERN DISTRICT OF MICHIGAN

Gary M. Northington,
Plaintiff Pro Se, No. 2:16-cv-12931
..... Judge Paul D. Borman
vs Magistrate Mona K. Majzoub
ABDELLATIF, et al, Defendants.
-----/

PLAINTIFF 'S MOTION TO SHOW CAUSE REGARDING

SANCTIONS ON OR CONTEMPT OF DEFENDANTS

Plaintiff Gary M. Northington Pro Se moves this Honorable Court to ORDER Defendants, Defense Counsels, and MDOC STAFF to SHOW CAUSE why they should not be sanctioned or found in contempt of court, and to hold teleconference hearing thereon, for following reasons:

1. From JANUARY 2012 to JUNE 2016, Plaintiff had repeatedly told Defendant BADAWI KHADER ABDELLATIF at every medical visit that Plaintiff had a severe "burning" of ANGINA in his chest upon any exertion. Plaintiff often used the term "pain" with "burning". As time progressed, the "burning" of ANGINA increased to where it occurred upon a slow walk to the bathroom. On 12 JUNE 2016, McLaren Hospital Cardiologist James Fenton told Plaintiff the "burning" ANGINA was Heart Attacks caused by a 95% blockage of his Coronary Arteries and that he had Stroke(s) caused thereby.
2. On 27 JULY, 2016, Plaintiff was released from Duane Waters Medical Center (DWH) shortly after having CABG X3 OPEN HEART SURGERY at McLaren Hospital on 23 JUNE 2016. He could barely walk, had lost substantial amount of memory due to the Heart Attacks and Strokes, and was sleeping about 21-hours a day because he was very weak. It took years for Plaintiff to recover and reeducate his memory.
3. On 01 AUGUST 2016, when Plaintiff filed the COMPLAINT (ECF #1): He was immediately packed-up and transferred to CARSON CITY CORRECTIONAL FACILITY (DRF) from 03 to 25 AUGUST 2016. DRF did not provide the Special 2-gram Low Sodium Diet prescribed for and needed by Plaintiff. Defendants ABDELLATIF, ADRAY and WASHINGTON knew this left Plaintiff on his own, to fend for himself on getting proper nutrition, in a hostile environment where no one wanted to provide Plaintiff with his diet for 22-days.
4. As result of the 12-hour bus ride during the 02-03 AUGUST 2016 transfer, Plaintiff was again hospitalized at the point of IMMINENT DEATH from 06 to 08 AUGUST 2016 with life-threatening Deep Vein Thrombosis and Pulmonary Emboli.
5. During said 03 to 08 AUGUST 2016 transfer and hospitalization, Plaintiff's typewriter and 20 to 22 copies of Complaint, that was approximately a typed version of ECF #13 and ECF #100 combined, disappeared from Plaintiff's personal property. Plaintiff recalls typing Due Process and Equal Protection claims involving Defendants RICHARD D. RUSSELL and MICHAEL A. TROUTEN into the memory of his typewriter on or about 30 JULY 2016 which is why his disbursement (Plaintiff's APPENDIX 3 in Support of Response to Defendants' Motion for Summary Judgment (30 MAR 2016), EXHIBIT A) is dated 30 JULY 2016) (ECF #63, PgID 469-370 (Complaint), PgID 372-373 (typewriter), PgID 373-374 (writing materials taken)); (ECF #148, PgID 1652-1657 (typewriter & 14th Amendment claims on RUSSELL & TROUTEN)); (ECF #159, PgID 2458-2460, 2466, pgh. 37 (typewriter, Complaint with Due Process & Equal Protection claims on RUSSELL & TROUTEN)).
6. On 08 AUGUST 2016, Defendants had Dr. Scott Holmes make a false Medical Record about

Plaintiff's allergies intolerances and reactions to food and paralyzed leg (ECF #100, EXHIBIT N, PgID 1056), then on 17 OCTOBER 2016 did a similar falsification of my Medical Record about the same (ECF #153, EXH A, PgID 1797, et seq, p. 0264).

7. In Plaintiff's Motion to Enjoin (ECF #105) (02 OCT 2017), was addressed that Defendants had incited DR. CHARLES S. JAMSEN to alter Plaintiff's Medical Records to delete maladies of this case from the Records. This was done with intent to unduly affect outcome.

POMafia #16,part 2: 2 of 3 MOTION TO SHOW CAUSE

8. Within Plaintiff's Second Motion to Compel (ECF #148), is a MOTION TO ENJOIN DEFENDANTS who, through subordinates and associates, were and are delaying and refusing to give Plaintiff copies of his often paid-for Medical Records to use in this case (PgID 1655-1657). Plaintiff had to obtain records outside of MDOC at great cost, such as done with Plaintiff's APPENDIX 3, EXHIBIT F, p. 2-3, in support of SUMMARY ANSWER (30 MAR 2019) (mailed to Court on 03 APRIL 2019).

9. Since early-2018, Plaintiff has used his JP5 Electronic Tablet to organize, represent and make pleadings of this case due to some of his cognitive functions and memory being impaired by injuries in issue. Before 29 MARCH 2019, Plaintiff's JP5 tablet contained his WORK PRODUCT, DOCKET LEDGER, MOTIONS, ATTORNEY-CLIENT COMMUNICATION, and OTHER NECESSITIES to prosecute this case. It also held Plaintiff's RESPONSE and BRIEF in Response to CORIZON Defendants' MOTION FOR SUMMARY JUDGMENT (ECF #153), and Plaintiff's Affidavits of EXHIBITS B, C and D of "APPENDIX 3 IN SUPPORT OF PLAINTIFF'S RESPONSE TO DEFENDANTS' SUMMARY MOTIONS (ECF #153 and #173); MEDICAL RECORDS NOT FILED BY DEFENDANTS" (30 MAR 2019) (mailed to the Court on 03 APRIL 2019).

10. On 28 MARCH 2019 via United Parcel Service, DEFENSE COUNSEL(S) received Plaintiff's APPENDIX 1, APPENDIX 2, and APPENDIX 3 in SUPPORT OF PLAINTIFF'S RESPONSE TO DEFENDANTS' SUMMARY MOTIONS (ECF #153 and #173). Said mailing to the Court was delayed until 03 APRIL 2019 for reasons said in paragraphs 11 to 14 herein.

REASONS FOR DELAY

11. On 29 MARCH 2019 from 0500 to 0540 hours, Plaintiff was sitting on his bed after making an entry to his JP5 Electronic Tablet at 0500 hours during which nothing was wrong with it or missing. (Hardware & software of such Tablets are within Plaintiff's training & career field.) At 0528 hours out of the corner of his left eye, Plaintiff noticed his JP5 Tablet go to what he recognizes as a USB/WiFi black screen. This was done by MDOC STAFF at Lakeland Correctional Facility (LCF) upon request of DEFENSE COUNSEL Meredith Beidler to RICHARD D. RUSSELL, MELODY WALLACE and/or LINDA C. WITTMAN of the MDOC Office of Legal Affairs who forwarded this request to LCF STAFF.

12. This 29 MARCH 2019 access to Plaintiff's JP5 Electronic Tablet was unusual since JPay.com blocked prisoner access to WiFi in JP5 Tablets. Only MDOC has access to the WiFi in prisoner JP5 Tablets through a "backdoor" PIN code in the software. Prisoners can only send or receive emails through a hardwired kiosk to which they connect their JP5 Tablet at each MDOC prison.

13. Plaintiff had to reinput and print his 3 Affidavits (pghs. 9 & 10 herein) in order to mail his APPENDIX(S) to the Court on 03 APRIL 2019. At this writing, relevant MDOC STAFF and JPay.com have evaded and refused to answer Plaintiff's questions about MDOC STAFF deleting Plaintiff's aforesaid documents (accompanying GRIEVANCE #305).

ANIMUS BEHIND THE OBSTRUCTIONS

14. Regarding hostile actions of said MDOC Office of Legal Affairs STAFF (pgh. 11): Plaintiff has obtained communications of MELODY WALLACE telling LOCAL PRISON STAFF to obstruct Plaintiff's First Amendment exercise. WALLACE has at times received unlawful compensation for causing problems to Plaintiff from the "PUBLIC OFFICE MAFIA" of S.E. MICHIGAN (GRIEVANCE #305, p. 3-5). This is State (NOT federal) Judges who take unlawful payments to give court judgments in favor of the payer. For example: (a) Judge MICHAEL J. TALBOT took a \$4,000 bribe to unduly affect criminal prosecution of Plaintiff (GR #305, p. 3, pgh. 4); (b) The defrocked Monroe County Prosecutor took a \$2,000 bribe to protect WALTER E. VERDUN from criminal prosecution for killing a man. There were 2 overt attempts to murder Plaintiff before imprisonment and 3 more overt attempts during imprisonment. This S.E. MICHIGAN CRIME CARTEL is very arrogant and operates with impunity in LENAWE, LIVINGSTON, MONROE and WAYNE COUNTIES.

POMafia #16, part 2: 3 of 3 MOTION TO SHOW CAUSE

15. For aforesaid reasons, Plaintiff is delayed over a month in filing his Responses to CORIZON and MDOC DEFENDANTS' SUMMARY MOTIONS (ECF #153 and ECF #173) at a much added expense to himself in funds, time and physical degradation to his health.

16. Plaintiff is unsure how to proceed on putting a stop to such obstructions but believes the Court should enjoin, sanction and/or find Defendants, Defense Counsels and associates in contempt of court after a telephone SHOW CAUSE HEARING regarding this long train of abuses intended to obstruct Plaintiff's court access and, maybe covertly cause his death through stress.

ARGUMENT

Actions of Defendants', Defense Counsels, their subordinates and associates have devastated Plaintiff financially, physically and otherwise.

This is similar to CHAMBERS v NASCO, 501 US 32 (1991), where the Court "noted that the alleged sanctionable conduct was that Chambers and the other defendants had '(1) attempted to deprive this Court of jurisdiction by acts of fraud, nearly all of which were performed outside the confines of this Court, (2) filed false and frivolous pleadings, and (3) attempted, by other tactics of delay, oppression, harassment and massive expense to reduce plaintiff to exhausted compliance'. The Court recognized that the conduct in the first and third categories could not be reached by Rule 11 which governs only papers filed with the Court. As for the second category, the court explained that the falsity of pleadings at issue did not become apparent until after the trial on the merits, so that would have been impossible to access sanctions at the time the papers were filed. Consequently, the district court deemed Rule 11 'insufficient' for its purposes. The court likewise declined to impose sanctions under Sec. 1927, both because the statute applies only to attorneys, and therefore would not reach CHAMBERS, and because the statute was not broad enough to reach acts which degrade the judicial system, including attempts to deprive the court of jurisdiction, fraud, misleading and lying to the Court. Ibid. The court therefore relied on its inherent power in imposing sanctions, stressing that 'the wielding of that inherent power is particularly appropriate when the offending parties have practiced a fraud upon the court'." CHAMBERS v NASCO, 501 US 32, 41-42 (1991).

Plaintiff was told by certain MDOC STAFF that over \$2,000 worth of his personal property confiscated by MDOC shortly after Plaintiff filed AMENDED COMPLAINT (ECF #13), that is the subject of ECF #63, would not be returned to Plaintiff until after he "dismissed the case". Said MDOC STAFF said this was instruction of the ASSISTANT MICHIGAN ATTORNEY GENERAL who, at that time was Peter Y. Ho, James E. Long, and/or Kristen Simmons. It is unsure of which 2 cases he spoke, or if both, because the statement was somewhat cryptic but this case is one of two for certain. However, the long train of abuses by Defendants, et al, in this case is clearly documented as noted in paragraphs 1 through 14 herein.

DECLARATION

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: 12 APR 2019

RELIEF REQUESTED

WHEREFORE, Plaintiff Gary M. Northington Pro Se requests this Honorable Court to issue ORDER for Defendants and Defense Counsels:

- (a) to show cause why they should not be sanctioned and/or held in contempt of court;
- (b) to cease and desist from harassment, intimidation, punishment of Plaintiff for his First Amendment exercise in this case; and/or
- (c) any other relief deemed necessary and just.

Dear Rudy,

These 3 pages are my response to what I told you about in the snail mail regarding MDOC STAFF taking my legal document files. It basically describes them using WiFi to access my JP5 Tablet on 29 MARCH 2019. I've restored some of what they did and Philippians 3:14. The Beast cannot spoil my Holy Spirit party. Hallelujah!!! Or, like the Temptations said in the 60s, "Keep on walking. Don't look back". Or, an old proverb, "Life is too short to cry over spilled milk". I had a beautiful day enjoying the Lord's Blessings and getting things done when He puts everything before me "Because He Knows".

God Bless Y'all!! Gary M.
