DEEP STATE COUP D'ETAT#28; D.C. TRAITOR-IN-CHIEF (14 MAR 2022):

A. GENOCIDE BY THE MARXIST-IN-CHIEF

*** MARXIST terrorists' 1st step in erasing and rewriting history is MEDIA LIES (propaganda) AND MURDERING those who know history: (1) In 2014 when Vladimir PUTIN attacked and took Crimea and Donetsk, the OBAMA-BIDEN Administration helped PUTIN MURDER many Ukrainians when it LIED IN MEDIA that it helped defend Ukraine with a SLOW AND FEEBLE RESPONSE of sending only blankets and MREs to Ukraine rather than needed defensive military weapons requested by Ukraine. (2) In 2014 to 2016, the OBAMA-BIDEN Administration LIED IN MEDIA that ISIS terrorists were "J-V" (Junior Varsity) as EXCUSE to pull out the U.S. military and abandoned millions of peace-loving Yzetis to be MURDERED and used as sex slaves by ISIS in Syria and Iraq. (3) In AUGUST 2021 through MARCH 2022, Uncle Joe (as Soviets called STALIN) BIDEN LIED IN MEDIA that he got all Americans and allies out of Afghanistan but had abandoned thousands to be MURDERED and enslaved by TALIBAN terrorists. (4) In JANUARY through MARCH of 2022, Uncle Joe LIED IN MEDIA that he was helping Ukraine defend against Vladimir PUTIN but deliberately BLOCKED sending missiles authorized by President TRUMP, then SLOW-WALKED AND WAS FEEBLE in providing Javelin antitank missiles, Stinger anti-aircraft missiles and old MIG-29 aircraft to Ukraine because BIDEN wants to finish-off the GENOCIDE of Ukrainians PUTIN began under BIDEN'S agenda in 2014. MARXIST MEDIA of ABC, CBS, CNN and NBC have LIED to The People for decades to erase and rewrite history in support of DEMOCRATS' IDEOLOGY OF POPULATION CONTROL (Planned-Parenthood, WAR, etc.).

*** On 03 MARCH 2022, UKRAINIAN President Volodymyr ZELENSKY truthfully said of the Russian soldiers attacking Ukraine, "They have orders to: Erase our history; our country; and all of us" (CBS). This is a warning of things to come in the United States under the ever-increasing MARXIST PUTIN-OBAMA-BIDEN Agenda.

B. BIDEN'S INTENT TO ENSLAVE WE THE PEOPLE

*** During the TRUMP Administration up to 20 JANUARY 2021, the United States was energy-independent while supplying Europe with Liquid Natural Gas (LNG) and other fossil fuels. In JANUARY 2021, Uncle Joe BIDEN began deliberate WEAKENING OF National SECURITY and DESTRUCTION OF the United States ECONOMY by: (1) shutting down 50% of FOSSIL FUEL production in the United States with EXECUTIVE ORDERS 13990 (20 JAN 2021) and 14008 (27 JAN 2021); (2) later slowly emptying out the National Petroleum

Reserve needed for military preparedness; and (3) on 28 FEBRUARY 2022, further ending leases for production of natural gas on federal lands to further cripple fossil fuel availability. Each of said BIDEN actions grossly INCREASED BIDEN-FLATION COST OF fossil FUELS AND thereby CONSUMER GOODS with intent to force We the People to choose between feeding their families, heating their homes or fuel for their cars to go to work. Uncle Joe wants to DISABLE the U.S. and NATO MILITARY by lack of fuel, and to control food, heating of homes and transportation so it's only available those who agree to serve and bow to Uncle Joe's Marxist Klan, led by Vladimir PUTIN.

*** BIDEN used the false RELIGION of an "existential threat of Global Warming" (which has naturally occurred for millennia) to destroy the U.S. ECONOMY AND IMPOVERISH WE THE PEOPLE WITH THE UNLEGISLATED TAX OF BIDEN-FLATION CAUSED AS SACRIFICE FOR his RELIGION.

C. FUNDING THE PUTIN WAR MACHINE

*** Vladimir PUTIN IS LEADING by the ring in Uncle Joe's NOSE as described herein: BIDEN's JANUARY 2021 Executive Orders shutdown U.S. oil production of 830,000 barrels per day which caused the United States to go from being self-sufficient to dependent upon RUSSIA providing 670,000 barrels of crude oil per day, which funded Vladimir PUTIN with \$54-million per day for Russia's War on Ukraine. On 03 MARCH 2022, when asked about cutting-off oil sold by RUSSIA, BIDEN Press Secretary Jen PSAKI said, "We are not interested in cutting-off the world oil supply" but avoided answering BIDEN'S funding of PUTIN'S WAR MACHINE that is murdering thousands of innocent civilians in Ukraine. When Congress attempted to force BIDEN to end buying RUSSIAN Crude Oil on 09 MARCH 2022, BIDEN immediately began deals to buy Crude Oil from terrorists of Iran and Venezuela, rather than paying Canada, Oklahoma and Texas to produce more Oil. To wit, Jen PSAKI and Uncle Joe agreed to fund GENOCIDE by terrorists but effectively told We the People of the United States, "Too bad; you don't matter".

D. THE COMING NUCLEAR WAR

*** On 01 MARCH 2022 Vladimir PUTIN said, "World War 3 will be nuclear". "CORNPOP" PUTIN will not end his aggression in Ukraine that was triggered by "CHICKEN" BIDEN'S appeasement of TALIBAN in Afghanistan, after OFFENSIVE WORDS of "BLOWHARD" Joe's election campaign MADE BIDEN A TARGET because "only ACTIONS SPEAK" (quotes from RT). After Ukraine, PUTIN plans to take back the former USSR countries from NATO, then NUKE Europe because he says they and D.C. are "NAZIS" and "White Supremacists" (emulating BIDEN), in already impending NUCLEAR WORLD 3 WAR. Intel says: After Europe, PUTIN will back Iran's plan to turn the East Coast into a "Glass Parking Lot" because BIDEN demeaned and offended him. PUTIN may then nuke the U.S. from the East Coast to the West to viciously teach Democrats a lesson about childish name-calling of him (it's Vlad's ego).

*** "A stitch in time saves nine". BIDEN blew his 1st "stitch" in Afghanistan, and 2nd stitch in telling PUTIN what he will not do. PUTIN requested military help from China and Syria, and is hiring Chechnya, Hezbollah and ISIS to fight in Ukraine (FNC, 13 MAR 2022) because he's losing. Uncle Joe is always "a day late and a dollar short" (CNN), which means his vicious Green Religion that LIES TO HIDE THE REAL AGENDA and appeases terrorists has begun the Psalm 83 war with Gog and Magog/WW3.
