STEP 1. These enclosed documents need to be scanned into a computer Art-workshop, cleaned up and begin a file titled "Rangers Re-organization File." We really need a computer Programs expert with imagination because this file is going to become huge as time and knowledge grows. out of this will appear very positive private enterprise(s) without the benefit of government.

Initial Goal

We will become self sustaining carrying 100% liability for all our endeavors. We will create

The EUCARIST  
Group Project

This think tank will invite or find inventors with viable new inventions that can't get to production or market; we will assist them in all aspects of their ideas if it is proven sound.

The Eucarist Project is a Resolution and Remedy think tank that will carry all human endeavor / social advancement to its apex of its center... under God.

The Rangers are private and will provide security- and legal. Eucarist is private and without the United States or UNITED STATES CORPORATION of any form. we carry 100% liability operating under the Three Laws. we operate under our own autonomy.

Love you all

Lets stop talking and go to work.

**CRIMINAL COMPLAINT (Cont.)**

**ARTICLE 6, CONSTITUTION FOR THE UNITED STATES:**

"THIS CONSTITUTION, and the laws of the United States of America which shall be made in pursuance thereof; and all treaties made, or which shall be made, under the authority of the United States of America, **SHALL BE THE SUPREME LAW OF THE LAND**; and the judges in every state shall be bound thereby, anything in the Constitution or laws of any state to the contrary notwithstanding." ...

**16 AM JUR 2D 177,178:**

The general rule is that an unconstitutional statute, though having the form and name of law, is in reality no law, but is wholly void, and ineffective for any purpose;

Since an unconstitutional law is void, the general principles follow that it imposes no duties, confers no rights, creates no office, bestows no power or authority on anyone, affords no protection, and justifies no acts performed under it;

No one is bound to obey an unconstitutional law, and no courts are bound to enforce it;

An unconstitutional law cannot operate to supersede any existing valid law. Indeed, insofar as a statute runs counter to the Fundamental Law of the Land, it is superseded thereby;

The general rule is that an unconstitutional act of the Legislature protects no one. It is said that all persons are presumed to know the law, meaning that ignorance of the law excuses no one; if any person acts under an unconstitutional statute, he does so at his peril and must take the consequences.

**CRIMINAL COMPLAINT (Cont.)**

This "Criminal Complaint" is an Affidavit of Obligation in the normal "Commercial" sense and as such is a "Security Instrument" representing accounts receivable and is a "Distress and Lien" upon the real and movable property and rights to property, including but not limited to Mal-Practice Insurance, Public Official Liability Insurance, Homeowners Liability Insurance, and Performance and/or Fidelity Bonds, etc. of the above-cited Defendants.

All Claims are stated in lawful US Dollars, as defined by the lawful U.S. Constitution, which means for the purpose of this document, that the value of a lawful US Dollar is defined as 371.25 grains of 0.999 Fine Silver per the Coinage Act of 1792. One Troy Oz. of 0.999 Fine Silver = 480 Grains.  $371.25 / 480 = 0.7734375$  or 77.344% of One Troy Oz. One lawful U.S. Dollar equals 77.344% of one ounce fine Silver.

All Payments will be made using the equivalent value as 371.25 grains of 0.999 Fine Silver and the Spot Price of Silver as established by a lawful precious metals regulating agency, or the spot price on the U.S. Silver-Market, whichever is the higher amount at the time of the first day of default, at the highest Value of the day. For example, if the claim is to be paid in Federal Reserve Notes (FRN) and/or other acceptable Funds, these Federal Reserve Notes and/or Funds will only be accepted in payment as adjusted to the current Value of Silver as indicated above. This is the Silver Multiplier and also applies to any accrued interest calculations as a result of this Criminal Complaint.

This is to mean for example, that if the Spot value of Fine Silver is \$30.00 on the day of default, then \$30.00 multiplied by 0.77344 equals \$22.203 value. One US Dollar therefore equals 22.203 FRN.

**Note:** I/We reserve the right to choose how we are compensated, and in which funds, currencies, denominations, etc., including but not limited to payment in 0.999 Fine Silver and/or other precious metal(s).

**LEDGER**

**Notice to Credit/Bonding Companies: The Commercial Value of this complaint is \$ \_\_\_\_\_**

**LEDGER: (Total Counts X \$10,000) X (Total Lien Debtors) = \$ Value**

Total **Constitutional Violations**, by Judge(s) who are Lien debtor(s): \_\_\_\_\_, at \$ \_\_\_\_\_ per count, equals \$ \_\_\_\_\_, multiplied by the total number of Judge(s) who are Lien Debtor(s): \_\_\_\_\_, equals the **1<sup>st</sup> Sub-Total \$ \_\_\_\_\_**.

Total **Constitutional Violations**, by other people(s) who are Lien Debtor(s): \_\_\_\_\_, at \$ \_\_\_\_\_ per count, equals \$ \_\_\_\_\_, multiplied by the total number of other people(s) who are Lien Debtor(s), \_\_\_\_\_, equals the **2<sup>nd</sup> Sub-Total \$ \_\_\_\_\_**.

**1<sup>st</sup> Sub-Total \$ \_\_\_\_\_ Plus 2<sup>nd</sup> Sub-Total \$ \_\_\_\_\_**

**Equals Grand Total \$ \_\_\_\_\_ times Silver Multiplier at default.**

**Note:** Due to the Criminal Offense, once the three-month (Jewish), 90-day (Statutory) time limit expires; interest shall be compounded at 1.00% per month on any unpaid balance of the outstanding Debt.

AFFIDAVIT

Why I am not giving you a verbal declaration of my identity

I, the undersigned affiant, being of sound mind, and over the age of twenty-one (21) years, having first hand knowledge of the facts stated herein, avers the following:

It is not my job/concern to figure out who is who in this prison. It is yours. I cannot be expected to do your job for you. It is your job/responsibility to identify the people here with whatever information you have, on your own, without my help.

Me not helping you, or not doing your job for you, is not "interfering". I am not "interfering with your count" in any way. I am simply answering you truthfully, whether you agree with me or not.

You should already know this information yourself. If you do not already know who I am, how do you know if I am supposed to be held in this prison right now?

You have asked me to verbally declare my identity by giving a name and "register number" (reg. #). However, you also ask to see the identification card (ID card) (which is BOP property, not mine, I never asked for it, nor consent to wearing it). It has the very information you are asking for, plus a photo, yet somehow this is not satisfactory for you. Why not? What else do you need to see? So by your actions, are you saying that you do not believe the info on the ID card is accurate? Well if you do not believe the ID card is accurate, then NEITHER DO I.

There are basically two reasons as to why you would be asking me these questions. 1. There is genuine confusion/uncertainty as to my identity. Or, 2. You are attempting to induce me to verbally declare myself to be the person/entity/"inmate" on your roster; as you are unable/unauthorized to make such a determination unilaterally (For good reason because it is not for you to tell me who I am, it is for me to tell you. No one knows who I am better than me.)

Your asking me this substantiates my long-held assertion that the entity in your records, which has a name in ALL CAPITAL LETTERS, and thus is the only "person" you have any jurisdiction over, is merely a statutory, non-living, government-created business entity which only exists on paper, unless/until a real, live man comes forward to claim responsibility for it, or assume its identity. This is precisely what you are attempting to do right now, but you refuse to admit it, which is fraudulent and bad faith on your part. In defining the term "person", the 9th Edition of Black's Law Dictionary cites:

"so far as legal theory is concerned, a person is any being whom the law regards as capable of rights and duties. Any being that is so capable is a person, whether a human being or not, and no being that is not so capable is a person. even though he be a man...It is only in this respect that persons possess juridical significance, and this is the exclusive point of view from which personality receives legal recognition.

Furthermore, even your own BOP policy admits that the name in your SENTRY system is not necessarily one's "true name". [see attached BOP program statements 5100.08, CN-1; 5800.15, CN-1; in part: "Only the inmate's committed name (as it appears in the Judgment)

will be entered on the 'Load Inmate' transaction. All other names (e.g., true name, aliases, nicknames, maiden name, etc.) will be entered into SENTRY using the 'Update Nicknames and Aliases' transaction." ] (emphasis added)

Thus, you are hereby noticed that the ALL CAPS NAME in your SENTRY system, on the Judgment/Committal Order, and on your "inmate roster" is not my true name. Nor is my true name (nor I) to be deemed an "alias" of a non-true, fictitious name/entity. It should be the other way around, if anything. The "United States"/BOP is forcefully and fraudulently using my true identity as the identity for its fictitious, government created, ALL CAPS entity. This is identity theft, plain and simple. I cannot and will not claim nor voluntarily declare myself to be someone/something I am not.

You should also take note of the fact that you are asked to obtain said "verbal self-identification" every 7 days. This again substantiates my foregoing assertions that you are legally required to maintain my constant voluntary consent to hold me here. Without it, you have no legal authority to operate on me whatsoever. Accordingly, you are hereby noticed that you no longer have (nor ever had) my consent.

Asking me this every 7 days could not possibly be merely for security/accountability purposes. If you truly had the right to hold me here against my will, identifying me would not require my cooperation/participation in any way whatsoever. It too would be done against my will.

Nonetheless, I suppose I should thank you for asking me these questions, because it affords me an opportunity to set your records straight on this matter. And be advised that it is unlawful for you to try to pressure/coerce me to answer in any particular way. It must be completely voluntary. You must record my statement exactly as I give it to you. If you record anything different (whether you agree with it or not), it is bearing false witness/false testimony/perjury. And you can/will be held personally liable, as you are acting outside the ambit of your official capacity. Note:

"It is a general rule that an officer - executive, administrative, quasi-judicial, ministerial, or otherwise, who acts outside the scope of his jurisdiction and without authorization of law may thereby render himself amenable to personal liability..." [Cooper v. O'Conner, 69 APP DC 100, 99 F.2d 135, 18 ALR 1440]

That being said, I hereby declare, verbally and in writing, ab initio and forever, under the penalty of non-statutory, common-law perjury of the dejure United States of America, that I am not [redacted], I do not have/claim any "register number", I am not a "federal" "United States" Citizen, and I am not an "inmate". This is a permanent declaration. If you continue asking me this every 7 days, it shall constitute harrassment.

So as it now stands, with me not being a person positively identified by you, or listed on your roster, I am not a person you are authorized to imprison in this facility. In other words, you are hereby noticed that you are falsely/wrongfully imprisoning me. Therefore, you are also hereby noticed that unless you, without any help from me, can positively identify me as a person you are authorized to detain within the next ten (10) calendar days, YOU MUST IMMEDIATELY RELEASE ME (as is done with all initial arrests). The Constitution does not allow you to detain random, unknown, unwanted people for indefinite periods of time. I challenge you to prove me wrong about anything said herein. Thank you.
