MORRISON #1; DECLARATION (17 FEB 2026):

. . DECLARATION OF GARY M. NORTINGTON

* I, Gary M. Northington, am competent to state the following, and declare:

* 1. JCF Warden Brian MORRISON is a vicious wild animal that lacks most human qualities. Those who know him outside the prison crowd describe him as a NAZI. Most prisoners and MDOC STAFF who know him inside the prison crowd hate him. Only those few who are part of his CRIMINAL PUBLIC OFFICE TEAM OF PSYCHOPATHS like him. The driving force of Brian MORRISON and his CRIMINAL CARTEL is ABUSE OF POWER and illegal money from sources outside prison that feed his greed and innate animosity (Title 18 United States Code, Sections 241 & 245). MORRISON and HIS TEAM are not civilized persons (Abnormal Psychology & Modern Life, "Sociopath").

* 2. On 27 AUGUST 2019 while at Lakeland Correctional Facility (LCF), I put a one page writing about MEDICAL ABUSE CAUSED DISABILITY on a friendly webpage. Brian MORRISON, who is psychotic about prisoners using the First Amendment, discovered this. MORRISON then ORDERED his LCF Housing Unit-C Guard, __ SHEPPARD, to check with me about the webpage. Guard SHEPPARD keyed my webpage up on his computer and called me into his office. When SHEPPARD turned up the volume with me singing one of my songs, "A New Beginning," SHEPPARD asked, "Is that you." I answered, "Yes." On 29 AUGUST 2019, despite me being on medical hold at LCF for ongoing CARDIOVASCULAR CARE by JACKSON CARDIOLOGY at HFAH, the then Inspector Brian MORRISON had me transferred from LCF to the Upper (Peninsula) Regional Facility (URF).

* 3. The 12-hour diesel therapy (bus ride) to URF-East caused a large blood clot which I felt form in my 100% paralyzed lower left leg. Such transfers are also LIFE-THREATENING because they aggravate my ACUTE, CONGESTIVE AND ISCHEMIC HEART FAILURE. Upon arriving at URF-East, I was forced to drag my left leg on a one-half mile walk to URF-West Health-Service without my ROLLATOR-WALKER. As I walked, I felt pieces that broke off of the lower left leg blood clot going through the left side of my heart and into my PULMONARY ARTERIES which made me Short of Breath. Based on prior experience, I took extra aspirins because I know the severe physical stress of MDOC's 12-hour bus trips (even between prisons that are 40-miles apart). At URF-West Health-Service, I was given medication to dissolve the small blood clots which had lodged in my Pulmonary Arteries. When I was transferred on 29 AUGUST 2019, Brian MORRISON contacted the URF Prison Administration to do the following:

* 4. At URF on 15 OCTOBER 2019, a Jailhouse Informant came to my bunk and showed me a drone picture of a Cotton Correctional Facility (JCF) Prison Guard, J. SIMMS (a homosexual). The Informant said, "Look at this," and tried to hand me the picture of SIMMS, upon which I quickly put my hands in my pocket. The INFORMANT WAS ATTEMPTING TO get my fingerprints on the picture to CREATE A FALSE CONSPIRACY CONVICTION where he would have falsely said I asked to have SIMMS murdered. The Informant then said his friend made the picture because the friend was going to kill SIMMS, allegedly because SIMMS made a homosexual proposition to the Informant. I later wrote the URF Institutional Inspector and Deputy Warden, telling them to stop having their INFORMANTS attempt to falsely manufacture crimes against me. I learned in SEPTEMBER 2025 that this was the normal Modus Operandi MORRISON used to retaliate against, oppress and silence, prisoners who exercised First Amendment Rights in media (see paragraph 9).

* 5. Around 15 OCTOBER 2019 at URF-East Health-Service, I saw a Medical Provider who said, "You are not supposed to be here because you are under care of Jackson Cardiology. You are scheduled to see them." On 29 OCTOBER 2019, I was given the 12-hour diesel therapy ride to JCF at Jackson, Michigan. At JCF, the Property Officer was J. SIMMS, the homosexual who the URF INFORMANT had told me his friend was to kill.

* 7. On 01 NOVEMBER 2022, when I picked up my property that came with me from URF to JCF, SIMMS took my \$50 prescription sunglasses and about \$40 worth of Hobbycraft items and threw them in the trash without required hearing. SIMMS took my jogging shorts and held the crotch of them to his face for a minute or two, then did the same with my sweatpants. I peacefully and calmly watched from about 20-feet away (John 14:27, 16:33 [from memory]). SIMMS then walked to me, with his doggy-breath mouth about 3-inches from my face and said a slang term for a private part of his body "has a personal thing for you." I instantly backed away before he touched me, and almost fell while dragging my paralyzed left leg. SIMMS kept my shorts and sweatpants, which I never saw again, then days later leaned over me in the JCF Chow Hall and whispered something about my clothing in my ear while I was eating. I wrote a PREA (Prison Rape Elimination Act) Grievance on this behavior of SIMMS. SIMMS thereafter retaliated by writing a sexual misconduct ticket on me that quoted my PREA Grievance (which was supposed to be confidential). THE PAROLE BOARD USED THIS FALSE MISCONDUCT, IN JANUARY 2022, TO DENY ME PAROLE. Since MORRISON'S INFORMANTS could not falsely manufacture a CONSPIRACY CONVICTION, MORRISON'S CRIMINAL MAFIOSO obviously CREATED A FALSE MISCONDUCT WITH INTENT TO INTIMIDATE AND SILENCE ME.

MORRISON #2, DECLARATION (17 FEB 2026):

* 8. Circa mid-2025, I became a TARGET OF the Brian MORRISON MAFIOSO at JCF because I: (a) was getting a 4.0 GPA in college; (b) exposed ABUSE OF POWER of the MORRISON TEAM through First Amendment use of PUBLIC MEDIA; (c) helped others fight State corruption; (d) had filed 100 Letters of Complaint and Grievances on State CORRUPTION; and (e) was pursuing a Second Habeas Corpus in COURT to remove a FAKE FIRST-DEGREE MURDER CONVICTION that an MDOC RECORDS ADMINISTRATOR had falsely put into my MDOC Record without Sixth Amendment trial thereon. Grievance #487 was on Nurse Practitioner Marie Glasgow refusing to provide care for a 69% stenosis (ongoing stroke) in my Right Carotid Bulb (JCF-25-09-1813-12D1; Grievance #487). MORRISON'S MAFIOSO was most aggravated that I had discovered documentation and got an admission of MDOC STAFF that they had put a false UNTRIED FIRST-DEGREE MURDER CONVICTION INTO MY MDOC RECORD to falsely hold me in prison for 38-years when I should have been released in 1997 under the JURY TRIED CONSPIRACY CONVICTION. Because I finally had the documentation to prove the FALSE RECORD, I became a target for MORRISON'S TEAM, as follows:

* 9. Circa 05 SEPTEMBER 2025, two (2) of MORRISON'S INFORMANTS came to me and showed me an alleged picture of, or paper about, a Lt. HUDSON (female) of whom I knew nothing at the time. They made threats of harm about HUDSON and attempted to hand me what they had, which I refused to take reminded me of the same type attempt as to create a false CONSPIRACY CONVICTION, as in paragraph 4.

* 10. On 10 SEPTEMBER 2025, I got an OUT OF PLACE misconduct report for missing a callout (JCF-25-09-1940-27A; Grievance #488), either because I passed-out during my daily ACUTE HEART FAILURE (ATRIAL FIBRILLATION) or because the Housing Unit was so noisy I could not hear the P.A. System while I sat on my ROLLATOR-WALKER waiting to be notified of the callout. At the 21 SEPTEMBER 2025 hearing, I told Lt. HUDSON: (a) my Pager had not notified me of the callout; (b) I was not able to hear any P.A. System notification over the 80 to 100 decibel noise level of the Housing Unit (JCF-25-03-0420-03F; Grievance #471, 06 MAR 2025); and/or (c) I had passed-out from ACUTE HEART FAILURE that occurred while waiting. When I handed HUDSON my medical record, STATEMENT, and MARCH 2025 Grievance #471 on excessive noise level. HUDSON angrily SHOUTED, "I don't care," and found me guilty (based on her racial animosity toward non-black persons). HUDSON HAD BEEN TOLD BY HER CONTROLLER TO GET HOSTILE WITH ME with malicious intent to create a misconduct ticket (JCF-25-09-2029-28B; Grievance # 491). At 21 SEPTEMBER 2025 misconduct hearing, I first LEARNED WHO Lt. HUDSON WAS.

* 11. On 25 SEPTEMBER 2025, I wrote ADW Martin McCALLUM and Warden Brian MORRISON about their JCF INFORMANTS attempting to create a false CONSPIRACY PROSECUTION by attempting to get my fingerprints on a picture of, or paper about Lt. HUDSON (#9 herein)(JCF-25-10-2086-27A; Grievance #492), like MORRISON'S other INFORMANTS attempted in OCTOBER 2019 as said in paragraph 4 herein.

* 12(a). On 26 SEPTEMBER 2025, Lt. ARCHAMBEAU of MORRISON'S TEAM wrote a

false Misconduct Ticket for alleged "THREATENING BEHAVIOR" for my note about the INFORMANTS (JCF-25-10-2086-27A; Grievance #492). I did not see anything threatening in the note. At least four (4) MDOC STAFF said the note was not threatening. Since MORRISON'S MAFIOSO could not falsely manufacture a CONSPIRACY PROSECUTION (paragraph 9 herein), it appears they decided to make a FALSE MISCONDUCT REPORT TO INTERFERE WITH me filing a COURT case in the U.S. Court of Appeals to remove the false First-Degree Murder Conviction an MDOC RECORDS ADMINISTRATOR had put into MDOC records on me (# 8(e) herein).

* 12(b). On 08 OCTOBER 2025, I wrote an American Disability Act COMPLAINT about Brian MORRISON and TEAM deliberately subjecting me to smoke from the illegal drug users put into Housing Unit H (ADA Grievance #495).

* 13(a). From 26 SEPTEMBER 2025 to 08 OCTOBER 2025, during attempted preparation for the Administrative Hearing on the "THREATENING BEHAVIOR" Misconduct Ticket, Hearing Investigator, _____ AUSTIN, refused to obtain: (a) WITNESS STATEMENTS in response TO QUESTIONS I gave to her for witnesses to answer; and (b) MEDICAL and MENTAL HEALTH RECORDS I asked AUSTIN (JCF-25-2207-28E; Grievance #496). This refusal to get MATERIAL EVIDENCE for my defense denied me substantial Due Process at hearing.

* 13(b). On 12 OCTOBER 2025, I filed Grievance that the JCF ADMINISTRATION had confiscated and not returned to me my court documents needed for my prospective FEDERAL HABEAS CORPUS litigation in the U.S. COURT OF APPEALS, of which some were never returned to me and I had to reconstruct them from memory (JCF-25-10-2203-22G; Grievance #497).

* 14. On 22 OCTOBER 2025, I filed Grievance that Hearing Investigator AUSTIN REFUSED TO timely PROVIDE me with a copy of the "THREATENING BEHAVIOR" HEARING REPORT (07 OCT 2025) so I could timely APPEAL THE alleged "THREATENING BEHAVIOR" misconduct. AUSTIN did not deliver the "THREATENING BEHAVIOR" HEARING REPORT TO ME until 19 NOVEMBER 2025, when she was required by Policy PD 03.03.105 to give it to me in one (1) day (JCF-25-10-2260-27A; Grievance #498).

* 15. On 31 OCTOBER 2025, I received the HEARING REPORT (30 OCT 2025) on the OUT OF PLACE Misconduct Ticket. On 04 NOVEMBER 2025, I TIMELY mailed my ADMINISTRATIVE APPEAL of the CLASS II "OUT OF PLACE" HEARING REPORT to Deputy Warden Jimmy JARRETT (#10 herein) by JCF Prison mail to his office.

MORRISON #3, DECLARATION (17 FEB 2026):

* 16. On 19 NOVEMBER 2025 in JCF Housing Unit F, Hearing Investigator AUSTIN untimely sent me the HEARING REPORT for the "THREATENING BEHAVIOR" misconduct (paragraph #14 herein) (JCF-25-2499-27A; Grievance #502). On 25 NOVEMBER 2025, before the 30 day limitation of Policy PD 03.03.105, I timely mailed my REQUEST FOR REHEARING of the CLASS I "THREATENING BEHAVIOR" HEARING REPORT to HEARINGS ADMINISTRATOR, Sean LOCKHART, BUREAU OF LEGAL AFFAIRS, P.O. Box 30003, Lansing, MI 48909, by ID MAIL. On 13 JANUARY 2026, Sean LOCKHART, the MDOC HEARINGS ADMINISTRATOR said my REQUEST FOR REHEARING was never received at the Bureau of Legal Affairs, after I had asked why I had not received the HEARING ADMINISTRATOR'S DECISION (JCF-26-01-0179-28C; Grievance # 515). This is a CONSPIRACY AGAINST RIGHTS (Title 18 USC, Secs. 241 & 245) by MORRISON'S MAFIOSO.

* 17. BOTH MY ADMINISTRATIVE APPEAL of the OUT OF PLACE HEARING REPORT (JCF-25-12-2619-28E; Grievance #507), and MY REQUEST FOR REHEARING of the THREATENING BEHAVIOR HEARING REPORT (JCF-26-01-0179-28C; Grievance #515) never reached their intended destination but were likely confiscated at COTTON CORRECTIONAL FACILITY (JCF) destroyed by BRIAN MORRISON'S MAFIOSO so they did not get to their intended destination. THIS IS ABUSE OF POWER and GROSS VIOLATION OF Due Process, MCL 791.254, and POLICY PD 03.03.105 on misconducts that is also CONSPIRACY AGAINST RIGHTS (Title 18 USC, Secs. 241 & 245).

* 18. When I filed grievances of DECISIONS for MISCONDUCT APPEAL ON OUT OF PLACE (JCF-25-2619-28E; Grievance #507) (JCF-25-12-2650-27A; Grievance #508) and REQUEST FOR REHEARING ON "THREATENING BEHAVIOR" (JCF-26-01-0054-27A; Grievance #512) NOT TIMELY BEING PROVIDED TO ME BY HEARING INVESTIGATOR AUSTIN, Grievance Coordinator Troy COBB falsely rejected the grievances as being on "HEARING PROCESS" when they were grieving a ministerial function of HEARING CLERK AUSTIN. THEREFORE, is no ADMINISTRATIVE REMEDY exists to correct the WRONGFUL ABUSE OF POWER BY MORRISON'S CRIMINAL MAFIOSO for their CONSPIRACY AGAINST RIGHTS (Title 18 USC, Secs. 241 & 245).

* 19. When I discovered that MORRISON AND HIS MAILROOM MAFIOSO had not forwarded my APPEAL OF THE OUT OF PLACE HEARING to Deputy Warden Jimmy JARRETT for decision, or that DECISION ON APPEAL WAS NOT SENT TO ME, I filed a grievance. Grievance Coordinator Troy COBB falsely rejected the grievances as being on "HEARING PROCESS" when they were grieving a ministerial function of sending local prison mail to the designated person (JCF-25-12-2650-27A; Grievance #508). THEREFORE, no ADMINISTRATIVE REMEDY exists to correct the WRONGFUL ABUSE OF POWER BY MORRISON'S CRIMINAL MAFIOSO for CONSPIRACY AGAINST RIGHTS (Title 18 USC, Secs. 241 and 245).

* 20. When I discovered that MORRISON AND HIS MAFIOSO had not forwarded the ID

MAIL holding my REQUEST FOR REHEARING OF THE THREATENING BEHAVIOR HEARING to the HEARINGS ADMINISTRATOR for decision, I filed a grievance (JCF-26-01-0179-28C; 515). Grievance Coordinator Troy COBB falsely rejected the grievances as being on "HEARING PROCESS" when I was grieving a ministerial function of the JCF MAILROOM sending my ID MAIL from JCF to the HEARINGS ADMINISTRATOR in the MDOC DIRECTOR'S BUREAU OF LEGAL AFFAIRS. THEREFORE, no ADMINISTRATIVE REMEDY exists to correct the WRONGFUL ABUSE OF POWER BY MORRISON'S CRIMINAL MAFIOSO and CONSPIRACY AGAINST RIGHTS (Title 18 USC, Secs. 241 and 245).

* 21. In 39 years of prison, I have NEVER BEFORE HAD my ID MAIL to the MDOC Director's OFFICE NOT REACH ITS INTENDED DESTINATION. This is because MORRISON'S CRIMINAL MAFIOSO is corruptly, deliberately and maliciously hiding their wrongs and possible bribe money they accepted from sources outside prison.

* 22. In my defense regarding the OUT OF PLACE misconduct, one of my defenses was Housing Unit H having ambient/environmental noise of 80 to 100 decibels, where I had months before hearing filed a grievance about the excessive and injurious Housing Unit noise level. I stated this was too high a noise level to: (a) hear the P.A. System; (b) wear my Hearing Aids; and (c) had once blown out my Hearing Aids which then had to be repaired circa 22 FEBRUARY 2023 (JCF-25-03-0420-03F; Grievance #471, 06 MAR 2025). On 17 NOVEMBER 2025, after I was released from Temporary Segregation on the "THREATENING BEHAVIOR" misconduct, Brian MORRISON and his MAFIOSO put me into a room with Jerome Hunter #242663 who has a Silvertone BAXs BASS GUITAR AMPLIFIER with an 8-inch speaker that is daily plays music at a harmful audio level of 80 to 110 decibels for most of each day. This is MALICIOUS RETALIATION by MORRISON and his MAFIOSO for me filing the grievance on the excessive and injurious noise level in H Unit, and using the noise level as a defense in the OUT OF PLACE misconduct. When I filed grievance about the RETALIATION through DELIBERATELY SUBJECTING ME TO EXCESSIVE NOISE LEVEL IN THE CELL, Grievance Coordinator Troy COBB falsely rejected the grievances as being on a prisoner when it was on MORRISON and his MAFIOSO. THEREFORE, no ADMINISTRATIVE REMEDY exists to correct the WRONGFUL ABUSE OF POWER BY MORRISON'S CRIMINAL MAFIOSO and CONSPIRACY AGAINST RIGHTS (Title 18 USC, Secs. 241 and 245).

* I declare under penalty the foregoing is true and correct. 28 USC 1746.
