dear bro Truman,

Greetings! Truly a blessing having your 8-29-20 letter/conversation. Status quo, so far. This week (again) locked in 7'x10' concrete-steel, as they snuff out 2 more from death row. COVID-19 madness multi-

plies. Sunday, 13 September one from next door died of corona. We have no reliable info under these conditions. Prayerfully expecting the liberty train, soon. The Lord knows the day, the hour. [ ]

So many Christians suffering persecution right here on ~~in~~ America. The 18<sup>th</sup>, 19<sup>th</sup> century slave traders who crucified over Lord have now morphed into this. But, greater is He who redeems us than he (prince of darkness) who is in the world.

My grandchildren were in Iowa, fishing in one of two large well stocked ponds near their home. I have eaten many of the fish found in Iowa. Some, of course, I would never eat. The rivers are not clean, so fish from them are not good for years now. Farm chemicals are a problem, #1. All of the municipal sewage is now handled in isolated systems, no longer dumped in flowing water ways. Thank God. [ ]

All the lawless madness of mayors, governors and snotty neighbors telling "The People" what they can and cannot do is an affront to God and His Law. It is slave-trade garbage and has little or no effect on the corona. All about the tyrannical goals of world communism, genocide and slave trading. The people are economic-political SLAVES. When will they wake up. The slave traders hate Christ as real Christians have only One King, Jesus. And He set the captives free. (check out: [www.BARNESREVIEW.COM](http://www.BARNESREVIEW.COM)).

By now, I suspect the moose is in the freezer.

The Lord bless thee and keep thee! Number 6:26-27

your servant,

Rex-Russell-Dean
