God bless you Truman,

Here in presence of your letter 11-2-20, your conversation. Evil cannot ever have victory over our land of Jesus. The wicked fraud will be the fire that burns the wicked ^{who} have lit the flames. Calling on Jesus who has already sealed our victory with His sacred blood. By His stripes we are healed and His atonement our victory now and forever. ☺

Our powerful testimony sure to glorify our Lord Jesus Christ. Let us walk boldly, testifying the more as the powers of darkness raise their ugly heads - Our overwhelming victory certain now and forever. ☺

It is nearing liberty. Of course testimony as I teach grand children for catching fish, that we will also be fishers of men unto the day Jesus shall return to rule the earth as the heavens. ☺ Matthew 5:10, 11 a foundation for affirming what the Lord has been weaving in the tests we have been enduring for a few years. ☺ Our victory sealed by Jesus himself.

No mere hired trustees, i.e. mayors, governors, presidents, have authority for lock-downs, masks, none of it. Emergencies without standing. Travelings are not rulers. Corporations and licensees are the only subjects by consent. Licenses are the proof positive of a conquered country. License is authorization for doing that which is ordinary liberty in a free country. People DO NOT need license-permission for exercising right of private acts, contracts, etc. (IGNORANCE IS NOT BLISS). President of the corporation U.S. nor STATE OF, Inc. has no authority over people, emergency or not. None of it is Kingdom life. Nor can any of it steal us from "The Lamb's Book of Life". ☺
"Acts 5:29" Like Joshua, I advocate standing with YHWH alone!

Truman, you and yours are always in my prayers. And our Lord Jesus Christ hears and answers our prayers. Always thankful for provision, protection, guidance and direction! ~ Proverbs 3:5,6.

I just recently completed reading "HELLSTORM" The Death of Nazi Germany, 1944-1947 by Thomas Goodrich. Such horror. Unspeakable things done by not only Russians but by UK, and United States actors. God knows what was done. No such thing as the good war. Millions of innocents were mercilessly persecuted and murdered. People cannot honor God and the WORD, it seems. My heart was read as I experienced the unspeakable horror reading this account. Nothing to be pleased with. Our corporate sins awful.

Those who say they are Judeans and are not (Gen. 3:15; Rev. 2:8) have been doing their father the Devil's bidding in unspeakable ways. How long can we afford failing for seeing these evil ones? ~ (John 8:44).

A few years ago, I was moved in the spirit to learn how to eliminate frivolous arguments. People argue where no proof can be produced. Some last years. ~~What~~ What nonsense! This little truth can cut it off quickly. And my experience is, "It does!". Now I do firmly believe in the saving redemption of the WORD, our Lord Jesus, Christ. So I encourage anyone I use these true approach on to find out "what IS". But none-the-less, the argument is over! ~

"It does not matter what I believe;
It does not matter what you believe;
What matters is what IS; and
What IS will be what it IS whether I believe it or not!"

I can certainly relate to your boys being your best hunting partners. My Dad, uncles and cousins were successful hunting companions. ~ Before then my sons were getting started, but we were cut off while they were young. My last mule deer were harvested in Montana 1996.

Our Lord has all power in heaven and in earth, Matt. 28:18. I trust the far best is yet to come.

P.S. Hope your Caribou hunt went well. (11-5 my 71st B'day).
