dear bro Truman,

So good to have your letter and Christmas card (copies). They didn't give me the "real thing"; some nonsense about fear of drugs.

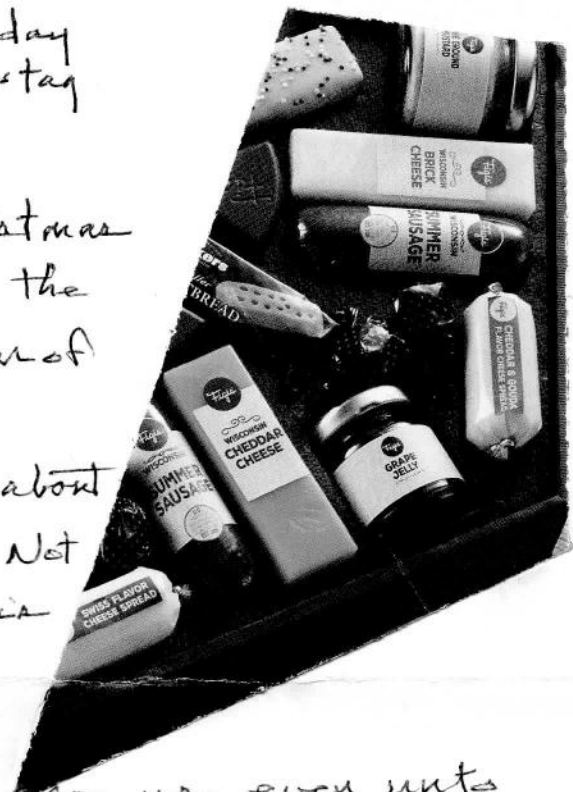

We just have had a "little" winter, about 3-4" of snow and temps in 20s F. Not real winter most places. The Lord is gracious for south central Indiana.

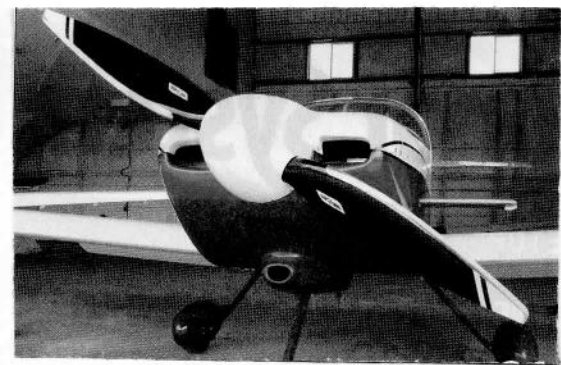

I share your enthusiasm for our Savior's birth and all He has done for us, even unto all eternity. Jesus our Redeemer and example unto life; Matthew, chs. 5, 6, 7.  "Our" faith and trust, in prayer, mountain moving spirit in life now and forever.

We saw word of earthquakes near anchorage on news recently. It sounds like you may, also have experienced quake activity. Thank God it did not damage your home. I was surprised to learn, as of your letter, you had only gotten about 1 foot of snow.

Can almost taste your venison jerky and smoked salmon... I trust you've been enjoying those and the cranberry and chokecherry jellies. 

We can be certain The Lord hears our prayers and is ever present with us. He assures us of these at all times. 

The so-called "government shutdown" exposes the communists in the Potomac Mafia such as Nancy Pelosi who seek to destroy our people by flooding the country (our home) with those who would destroy us. This, while she lavishes

in all the wealth she's managed to steal in 30 years in the U.S. Congress. Such hypocrites are liars (Jn 8:44) and the works of their father the devil they do. The "wall" around her estate won't come down; You can be sure of that. ~~And she won't be inviting any MS-13, etc. into her mansion(s).~~

I've read word of how the Roman Catholic church originated Islam for the destruction of true Christians and the so-called Jews. The resulting wars and contentions continue this day. How awful.

Just a few lines from: E.M. BOUNDS ON PRAYER (19th Century Author).

"It cannot be stated frequently that the life of a Christian is a warfare, an intense conflict, a lifelong contest. It is a battle, moreover, waged against invisible foes, who are ever alert, and ever seeking to entrap, deceive, and ruin the souls of men. The life to which Holy Scripture calls men is no picnic, or holiday junketing. It is no pastime, no pleasure jaunt. It entails effort, wrestling, struggling; it demands the putting forth of the full energy of the full energy of the spirit in order to frustrate the foe and to come off, at the last, more than conqueror. It is no primrose path, no rose-scented dalliance. From start to finish, IT IS WAR. From the hour in which he first draws sword, to that in which he doffs his harness, the Christian warrior is compelled to 'endure hardness like a good soldier.'"

Pastor BOUNDS book is 568 pages on prayer.

He's, as is Paul (Eph. 6:10-19) right about warfare. ☺

This guy would fill the freezer. We last had venison spring of 1996, in Montana. God is so good providing them. ☺

I forgot to mention, when I was a freshman in college, 50 years ago, my band director was Mr. Knudsen. Can you believe it? ☺ It's a funny life, it seems. That year, a friend of mine bought a brand new Dodge Charger off the showroom floor. Some things we never forget — thank God.

1968, Deer season in Iowa, I got a six point buck opening day — about 2 December. There would be many more, thanks be for God.

I've been reading a biography of Adolf Galland. He was one of the most decorated aviator of the German Air Force. He grew up on a farm at Westphalia, the area where my great grandmother, family name, Gallmeyer was born. Both Galland and Gallmeyer are French in origin. A small world. My great grandmother immigrated to the United States at age 3; Galland loved the idea of flight from his earliest memory. He was a generation younger than my great grandparents.

Here we just received another 3" snow. Big deal for south central Indiana — I'll bet winter has not been so mild in Soldotna. ☺

You and yours are in my heart and prayers. The Lord bless you and keep you!

With Love of Christ,
Your fellow servant,
Lex-Russell-Dean
