dear brother Truman, and all,

Continuing in faith and prayer, as we must overcome hartnäckig (stubborn) "powers that be" for the honorable "right thing". I'm blessed with your 5-6-19 letter and "Of Hornets, Horses, and Men" in hand. Prayers and faithful efforts are going forth in purpose for securing long past-due unconditional liberty. Privileged, I shall have a strong testimony as we overcome the powers of darkness in the Lord. Truly goodness and mercy shall follow me (us) all the days of my (our) life and I (we) shall dwell in the house of the Lord forever. ✕ (Ps 23).

You had not sent "Of Hornets..." before. That is a treasure. I take me right there at Kenai with word pictures and all. They of course can sting over and over. Honey bees cannot. I've treasured on Bumble Bees and whoops before to be sure I would learn their vicious, repeated and lasting defensive means. ✍ It sounds as if your Alaskan hornets are a whole lot worse.

By now your potatoes are growing I suspect. I thank God for your blessing. It does seem we are cut out for working with the soil, doesn't it? Before I got out of high school we almost never had veggies nor fruit store bought. The garden was at the center of our lives ~~and~~ hay and grain at the center of our cattle and horses lives. The Lord provided for us all.

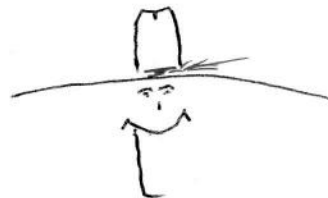

As Chilean Ambassador to Scotland my due, past-due diplomatic immunity is an issue for enforcement via "original jurisdiction of the supreme Court for the united States of America; no the U.S. SUPREME COURT, Inc. We must see what straw breaks the camel's back. The infidels are not the honorable type. As imposters, FRAUD and FORCE are their only stand. All prayers and calls for true justice and true enforcement in law most generously called for, ✍ for ending the dishonor and securing liberty.

2/ Those who have intentionally sought the destruction of the United States of America and total enslavement of the survivors here and worldwide, have unlawfully, anti-Christ gone a long way toward that end while the people have been sleeping. The enemy has had their help with many having no clue. ~~X~~ Too trusting! The WORD has warned us of this.

Another color card with mine and several other photos of P.O.W.s... web connections and such emerged from a Texas source — God is good! I've now been in general gulag since 18 Apr. Lots of funny business. The move was irregular. Papers, etc. were taken unlawfully — makes NO difference. We shall see, as we go. I could say much more but wisdom of The WORD dictates silence is best. The infidels are BROKE and no relief could possibly exist. \$1 silver Dollar erases \$1 million fiat dollars. In algebra —  $+1$  erases  $-1$  million negatives. Their fiat is hopeless. Could it be Trump and Pence know this? There is no fiat, only Real in the WORD.  $-1 \text{ million} \times +1 = 0$ ; negative is 0, that's why. Negative don't exist in Real value. The "People are the state in fact", Texas v. White, 7 Wal. 700 et seq. The "New Deal" is a FRAUD, communist coup d'etat. ~~X~~ Look what happened when we revealed these and other TRUTHS! Millions of people have been slaughtered for supporting those lies! For silencing the TRUTH! Prisons full to overflowing of people whose parents or grandparents would NEVER have faced arrest — It's all LIES, exploitation, destruction. (Jn 10:10). They took our jobs to Golgotha over this; destroyed empire over it and right now they seek for even greater destruction.

You are in my heart and prayers. We are mountain movers. Our Lord is 100% victorious — Keep the faith now and forever.

His servant,  
and yours,  
rex-russell-dean

A.S. His enduring promise is ours!
