"God is blessing us!"

Special brother Truman,

So blessed to have your letter of 4 August 2020! Here we are truly blessed as temperatures stand cool in these days. The progress toward liberty by the hand of Jesus the Christ is taking shape as I am informed. The prayers of the people are heard and for His glory, Jesus moves the mountains and heals the people. Hallelu Yah! ⁱⁿ I'll do my best for keeping you informed. Some of my grandchildren were catching crappie, bass and blue gill. Sounds like they'd welcome my help, near-the-boat. ⁱⁿ Not as big as the catch at Kasloff.

Your garden sounds great! The pests as challenging as they are, are not as harmful as pesticides and herbicides. The Lord will help us naturally when we trust Him and pay attention. Truly our God is an able provider. Growing up we lived out of the garden and on our own livestock and catch. Groceries at a store, sugar, baking soda, butter and coffee... oh, don't forget some Kool-aid and a candy ~~box~~ bar. ⁱⁿ No sodas! All summer, into fall there were harvests. Over 50 pheasants added to the dinner table annually, as well. Last time we went after pheasants I got 9 of the 12 we harvested. (Right place, right time. ⁱⁿ)

So you like the idea of bringing high flying bees to the hive. We learned of necessity. Shoot 'em or lose 'em. ⁱⁿ Once we learned, we never lost 'em.

Acts 5:29... "We ought to obey God rather than men," Churches closed; Target and riots open. Clearly agenda driven. Agenda, the communists (Democrats) trying to unseat the President. They are not seeking to establish communism; New Deal did that. They are terrified the people are going to wake up and END their communist stronghold, and godless, sin driven destruction. We must prayerfully overcome and call on the name of YHWH Messiah/Jesus the Christ and He will fulfill His promises with us. SO BE IT!

The letter to you enclosed about Rudy Davis & [zip codes] in Sq. brackets is most important.

In 1789, 13 colonies -Union joined to form the

Constitution for the united States of America.

The States & the People control the government.

In 1871, Congress passed an Act of 1871 to

incorporate the "District of Columbia".

Later they named that corp. "UNITED STATES".

All US Codes (laws) & taxes are just voluntary !

US corporation law applies only to people in 10 mile

square around Dist. of Col. & territories they

acquire; PR, Guam. They can't control subjects

beyond limits of the US Constitution.

Title 26 Income Tax Code states specifically the tax

only applies to those living or working in the

"United States" defined as 10 mile square around

District of Columbia & the territories that it acquires

God created and controls man (John Doe).

Men work together to create government & laws.

Corporations form for commerce and profit,

working under laws or face penalties or jail.

The gov. created the fiction ALL CAP name JOHN

some privileges with conditions. But we, the living

men, already have those rights, without gov.

privileges with conditions.

The higher creates & controls the lower, the lower

submits to higher. God controls men, men control

gov. & laws. JOHN DOE is corp. under man's laws,

but John Doe is living man not controlled by gov.

but controlled by God.

Government (or any corp. or contract) can only

control those who consent. US laws are voluntary.

Corporations use your name in all CAPITAL

LETTERS. Why ? Government, banks, utility

companies, they are all private corporations. They

spell your name in all capital letters. JOHN DOE (a

corp) does not have the rights John Doe has. (He is

living man !)

When you learn the difference, you can

gain the power, wealth, freedom JOHN DOE doesn't

have. JOHN DOE (in capitals) on Birth Certif. is a

Thus far, I've not had the privilege of meeting Steve Adams. It is my understanding there were people called "Montana Freeman" as much as 10 years prior to events in 1996, at Justus township, NW of Jordan, Montana. Perhaps Steve has knowledge of others, as well. Largely the people were called "Montana Freeman" by press, as they learned people had referenced "freemen" in legal papers. To my knowledge there was not even an organization self-named "The Montana Freeman". I and my wife and daughter were visitors from North Carolina, on our way to do seminars in Northern California and Oregon (90 days), certainly not part of an "organization" (non-existent) by any name.

Here may be a brief note or photo or something to
know we are caring for you. News Report. The world
has gone crazy over the fake virus. Reports of it are
greatly exaggerated to frighten people to take a
vaccination with a micro chip into our bodies, so Gates
Foundation and One world government can track where
we are, move about, record of our medical conditions,
vaccine history and our finances.

I suggest we protest and do not take any vaccine.
Many people watch TV and newspapers, filling their
head with lies illusions. It is harder but important to

I would certainly welcome the idea of foraging for Moose in your neighborhood.

I can relate to your local Lutheran Church. I grew up in St. Peter's Lutheran Church at Greenc, Iowa. And have much experience with Lutheran congregations in Waterloo/Cedar Falls, Iowa. I don't know who is locked out and locked down there. 26 USC 3501 (c)(3) incorporated, they are not strong enough for saying "NO" to such lock-up orders, I suspect.

As Faith is ever so powerful, I share here a short story for Trust in God about George Mueller, (1805-1898). To glory of Jesus Christ!

ONLY TRUST

"Three hundred children were dressed and seated for breakfast, and a prayer of thanks was offered for the food. But there was no food! Situations like this were not unusual for orphanage director and missionary George Mueller. Here was yet another opportunity to see how God would provide. Within minutes of Mueller's prayer, a baker who couldn't sleep the night before showed up at the door. Sensing that the orphanage could use the bread, he had made three batches. Not long afterward, the town milkman appeared. His cart had broken down in front of the orphanage. Not wanting the milk to spoil, he offered it to Mueller. [300 children had their breakfast as The Lord provided.]

I recommend every family seek out George Mueller's extensive biography and note what our God does. George served many 100s of orphans. Built large homes still serving today and in his latter years served on a foreign mission. A life showing all that "one" can do when trusting God and walking with Jesus in His way. George never asked for nor prayed for a penny—yet The Lord saw to it there was never a debt and all was there when it was needed. "Walk with Jesus!"

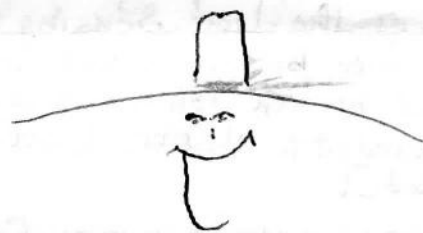

when I've walked through a landscape like this I did not fully appreciate what a blessing it is. Perhaps you can relate, Truman. God is so much greater than we can possibly know. One time we shall see wonders we cannot imagine. An absolute perfection and time will be no more. ~~an~~

It has been my privilege, an extraordinary blessing to receive, study and share an eye-opening book by Pastor Dean Odle, a clear proof and study showing our Bible has been right all along. Our Earth is a FLAT CIRCLE, not a ball flying through space at 600,000 mph. The Sun, Moon and stars are all much smaller and closer than the so-call scientists have been telling, starting about 500 years ago. The firmament is a dome between heaven and earth. There is no curvature - NONE. No, no body has gone to the moon. It and the fabricated image (not a legit photo) of Earth are a deception, an elaborate HOAX/LIE! www.deanodle.org — See for yourself why many previous atheists and agnostics are seeing the evidence the Bible is TRUE and turning to Christ, as well as revelations are affirming our Bible. Evolution is DEAD!
