dear Truman,

Truly blessed! Your 7 April letter is blessing me! And I've heard from Pat Shannon, as well. Pat is about 75 years young and his books and heart reflect a lifetime of experience and walking with The Lord Jesus. 

We're confined to our 7'x10' bathroom, bedroom, office, dining room, etc. 22 hours per day and must wear a face mask the two hours we roam the building.

I've never rode horseback where the river was full of hippos. Wow! What a picture! More people are killed in Afrika by hippo than by any other creature. Being experienced as a cowboy, I think it best to stick with cows. Ha! Ha!

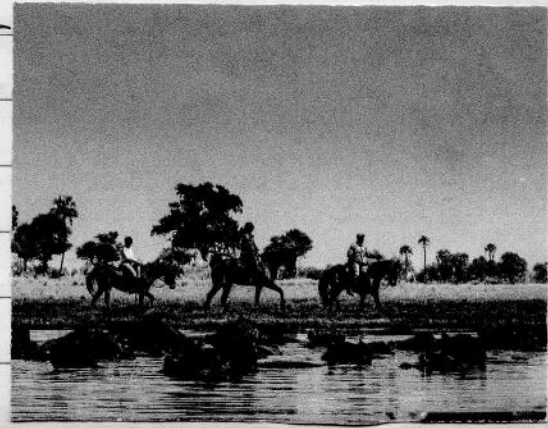

Voice of experience. "We're from the government and we're here to help." That is real terror.

Word is our family are holding up well. And major in-

servicers are working on ending this night mare for myself and others. 🙏

I am truly thankful for your sharing your heart felt prayer in your letter. Truly, you and yours are in my prayers daily. Jesus won the war 2000 years ago. Our victory celebration shall surely come very soon in Jesus' name, Amen. 🙏

The Covid-19 scheme is crushing the One World Communist Order. The soft underbelly of Globalism is ripped wide open. The world-wide Sodom and Gomorrah is in deep dew-dew. We have Jesus and 100s of prayer warriors in array with His angels for a great victorious day.

The nonsensical media and Tollywood are going to see things no man has seen before. They are of their father the devil and all will backfire on them. John 8:32-41. As for me and my house we follow our Lord Jesus Christ.
