Dear Therese,

I am truly blessed  with your letters and contents of 24 June and 9 July. It is much more a blessing than I can express as I receive word. Its especially good learning the doctor's orders have been filled. HalleluYah!

Will wrote a few days ago and shared word he is having success with his garden. No doubt a blessing for him and his folks who he is looking after.

I have been keeping up with reading and writing as we've been caged in our rooms for the last 2 nights, this the 2nd day - baloney and cheese sandwiches - for what I have no idea. It appears clear the unlawful concentration camps are stumbling. They will only mock God so long. 

Not only have I been enjoying the articles you've shared but I've been able to peek interest of fellow travelers sharing them with them, as well.

It is wonderful you are pleased with referral of Dr. Joel. It no doubt will be rewarding as we follow up and you will be able to share with others, as well. It will be well ~~the~~ if the AMA and BIG PHARMA - along with Monsanto get out of the way.

I could see a whole room brightened with the beautiful floral pattern on this page. How about you?

I've been continuing my rewarding study in "UNLOCKING The MYSTERIES of CREATION". It is a wonderful lesson. It makes me anxious for sharing with others. The abuses of declaring DARWIN/EVOLUTION all about deny-
ing our Creator. This TRUTH foundational for honoring Yehovah the Messiah/Jesus, the Christ. Still, and more, thank you!

Americans have been waving flags, standing for "The Star Spangled Banner" at ball games and all the while the land being stolen from our farmers and ranchers by the bankers; the crooked accomplices at B.A.R. and in the so-called courts administering the bankruptcy of the UNITED STATES, Inc.; and the Buck Act STATES, i.e., STATE OF MINNESOTA, which IS NOT Minnesota state — all FRAUD!!! All massive criminal conviction incorporated. Those of us who know, witness and warn, especially Christ-ians are murdered; falsely imprisoned; etc.

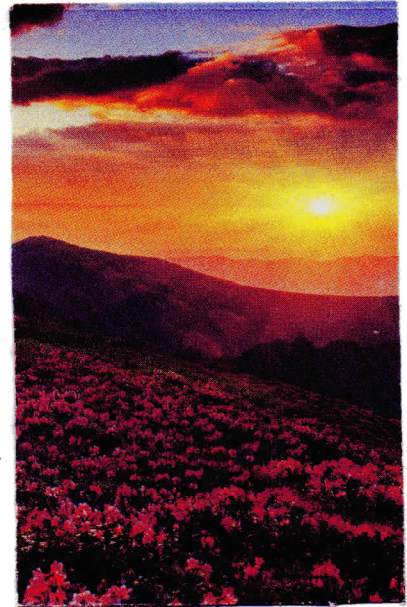

My father taught me over and over, "right is right, wrong is wrong". No tolerance for evil. Our certain victory is in The WORD, John 1:1, 14.

When I was offered the bribe for my silence, "as much money as you want" - all bogus charges go away" by the man who alleged to represent the rabbi ("rabbi" in Russian mafia, the top man/Godfather) I knew we were touching the devil himself. The Russian mafia in New York - the "Mishpuka", Jewish mafia. That offer reminded me and Dana of Shadrach, Meshack, and Abednego in Daniel ch. 3 vs. 16 et seq.; and the devil calling out temptations for Jesus after His 40 days in the wilderness; thus, I knew how to say "NO", and so did Dana.

This is the spiritual battle of the ages. The RACKET that brought the bribe runs the RACKET they call the Criminal Justice System. It is "CRIMINAL". Courts that are NOT courts; administering laws that ARE NOT laws; by criminals that are at B.A.R. who LIE to their clients and the world. They took the BRIBE for membership at B.A.R. All lawyers, all LIES, all FRAUD - Romans 4:15. - They've all sold their souls, if they had one - Many are of their father the devil, Genesis 3:15; ch 4; see John 8:44. The WORD, John 14:7, does NOT LIE!!!

My Dad was right! Right is right, wrong is wrong. Neither I nor Dana ever even considered "The BRIBE".

We have "One" who is our provision and our protector.
"Never" waiver, James 1: 6.  narrow as
the path that leads to salvation and
few there be who find it. The true glory
awaits those who trust in Jesus, Proverbs
3: 5, 6. Yes, Romans 8: 16-17. 

I truly appreciate "The Unshakable Founda-
tions" by Henry M. Morris III. I hold it in my
Bible cover. This is a sound reminder for us all.
And, so glad for seeing "TIME SQUARE CHURCH" I followed
David Wilkeson's lead for several years. The 4 DEC 2005
message resonates today. TRUTH has a way of sticking around.
Numbers 6: 24-27!

I pray blessings for you, dear sister Therese. You are
a dear servant of The Most High. Blessed we shall soon
share more.

with Love, courage and
Thanksgiving,

a servant,

rex-russell-dean

P.S. "rex" -- are we not Kings & priests? My Dad said so;
The WORD (Jn 1:1) says so -- thus "rex"!
