1,  
Dear Rudy:

Hi there, I hope you all are Good and life is treating you well and I'm sorry I've not been able to write and fill you in on my life, but please Allow me to do so now.

10-1-17  
I Just have Returned from the Hospital, once Agreed I was Viciously Attacked by my peers "Members of A Gang" for Refusal to Participate in there life style and trafficking of Drugs, yes.. I was Robbed & Bent coming back from the chapel and Stabbed multiple times twice in stomach, once under my left eye, once by my neck & Right leg I had A Artery nicked which was bad.

I was unable to write for 3 months or so now, and I just got Back here to Blackwater C.I., "in confinement" pending transfer and was able to Trade a couple of meal trays to obtain a couple of stamps & envelopes & paper to write you'll see.

If you'll Remember correctly "Our brother Shawn Stuller" Introduced us and I've wrote A few times till this took place, but please Know That your Names Rudy & Trudy was on my mind and I truly seek your prayers about now.

→

2) I'm terribly sorry about this paper situation, but I had everything stolen, and I have no way to replace anything such as writing materials at the moment,, and as embarrassing as it is,, God wanted me to reach out.. So I'm stretching as far as I can <sup>let</sup> I Love you!!!

I'm fine, and hoping I'll be able to land where Shawn Stuller is at, and if possible please tell him I miss & love him completely.

((A message of hope from down under))

God will not ever put too much pain, stress or anything we can't handle in our paths, and we must stand strong and never allow Satan to consume our thoughts to the point we think (Is God Real?) Yes,, He's real and every situation He throws at us,, it's for a reason,, No matter if we don't understand it or not,, He has our backs (praise God)

I've lost most ~~sight~~ sight of my left eye and nerve damage in my right leg,, why? Shoot, I don't know 😊

3) maybe God wanted me to go to the prison hospital to speak to these Dudes on there Death bed's. I did so, Daily & Nightly and brought as much hope as I possible could bring to these souls.. Sure, I'd Much rather of Sent a letter<sup>LOL</sup> or called Ha Shoot,, but,, It was not up to me and I was placed in a situation,, Jesus protected me.. (Thank God)

Spiritually,, I'm Growing daily,, and Completely working on self (all-the-way-around) my first letter I wrote to you to last year when I had that blessing to Meet our brother (Shawn) I was 330 LBS,, big boy.. This morning at medical I got on the scale and it Read 195 LBS (woowee) I lost 135 LBS.. Wow,, I NO longer have Blood pressure problems,, NO longer take Medformin for Diabetes, cholesterol is perfect.. I feel Great... Doc asked me (how Did I do it) (Jesus Saved My life ma'am) she prayed with me <sup>He</sup>

I really wanted to write for a while now,, and it's been heavy on my heart and I do need a major favor if you and All your friends will help me,, Me and Angela need prayers, she's doing so bad out there, working two jobs with two teenagers and her herself Going to school, it's tuff on her and she's a sister in christ and Devoted Strongly..

Please,, please for me, contact Angela Kendrick and let her know she has friends and she's loved and prayed for, please Rudy.. 850-293-8025,, that would be a Major

4/ Blessing for us Both I know and I don't get to call like other inmates because of my situation and they must bring a chair to make me & her schedule and "I need her to know (I'm Great, I love Jesus and Her to and Hold her head up Because we have plenty of Prays).

(60) That would mean a lot "to us both.

I'm not sure what last Shawn has contacted Angela, But please tell him I may be landing where he is at "and that I love him..

And if theres anybody who would like to write to me, please do so, I'm like Angela and not many friends on the inside, No drugs and NO Gang member now, so I lost all that "Good popularity" LOL

Please write me, and I'm looking forward to hearing from you and I promise that I'll do whatever I must to obtain material to send a letter... Please keep me in your prayers.. I love ya'll more than a phat Kid love's Ice cream.. 

God Bless and Remember that Jesus is Magnificent all the way around!

Richard Franklin
