Greetings

And how are you All doing this fine day?
I Just wanted to drop in and say hello and
to let you all know that things are fine with
brother Gator!!

I'm hoping my other letter has touched down already
and contact is still made between you & Brother
Shawn Stuller and word has been passed that
he's heavily on my mind recently... so I'm
assuming that he's thinking of me as well.. ^{LOL}

I'm OK, and therapy on my leg is going
good and things seem to be working out OK
and I'm doing the best possible to stay focused
on positive " we do not have time for all
that negative floating around and slam the
door on Satan when he brings his sorry tail
around... "

I have been reaching out to this school, and
I thought things were going good and I'd be
accepted into 2 major courses " but at the
last moment "I heard it's \$750 " woo wee, so
we'll put that on hold for a while and
see what happens later " that's kinda outa
my reach at the moment here " and my first
concern is a pair of shoes. ^{LOL}

It seems the Devil will try his hardest, on
every corner to stop you in doing right (or good)
specially renewing the mind, he knows that his
control over you is finished once you have
learned to choose right thoughts and reject
the wrong ones, But he will attempt to stop you
through discouragement and condemnation just
like this school for \$750. he knew I had

5/1/21
mind & heart set on getting this class going "to get these books, I wrote to these people explaining I have 4 years left of a 25 year sentence and am in a cell 23 hours each day... but the Devil at the last moment decides to put this \$ in my way..

humm ^{LOL} "The Devil will stop you from renewing your mind, or self growth" it's true "every day cant be the best" sure we may have set backs on bad days altogether "man, Just Get back up, Dust yourself off, start again" Simple "

Shoot Rudy.. I'm learning to walk again after this last Knifing Sheesh "I set my mind that "I will not Allow for these people to make me a cripple after all I been through" no way "I fall or fell daily in this cell" and the two Devils in the cell across from me had a gag ol time at my expense "they would make coffee and set and watch me Daily... But Christ Gave Me strenght and soon I could do one Squat" then to without so much pain that I could take "Guess what? They Got bored with me not falling and getting back up.. I Dont fall no more 😊
Thank You Jesus "

When you fail (which you will) that doesnt Mean that you are a failure (Shoot No) it means that we dont possibly do everything correctly.. And Guess what? Along with strenghts we also have weaknesses "Allow Jesus to be strong for you in your weaknesses" Let him be your strength on your weak days!! (Simple)

lord, It would be so easy for me to get Discouraged, Shoot yeah "look at me I went from the biggest Drug Dealer to

the Florida's prison system, high ranking official ID
 A Known Street Organization having everything made
 to giving it all up. I don't have no family and
 hardly no friends. I sell my food to obtain paper
 stamp and envelope to write my hand few of people
 I know. I don't have no personal items now
 from this last stabbing, not even shoes or sweater
 to keep warm when cold. yes, and Guess what?
 Your most terrablest day out there is my best day
 in here... Sit and think of that.. so it would
 be easy to give up. Shoot, Jesus coulda ran
 from that cross. Said (Shoot, I'm not gunna
 do that, that sounds terrible).. ☹️☹️

Man, I tell ya, everyday a struggle for me to
 keep positive. I walk in the Devil's Battlefield
 Daily. But now I keep God beside me, at times
 I beg him to carry me, to hold my hand at
 times, or to talk to when I can't stop from
 crying like a baby. Cry? Lord yes, I get so
 sad. I'm 45 now, good shape, good mind, but
 at times I miss my mama so bad, I'd cut
 both legs off with a butter knife to be able
 to wrap my arms around her for 10 min.. now!!
 But march forward, in Christ's Gang and
 keeping positive and being strong.

I tell ya people, Christ brought me back
 from a dead life, forgave me from stuff I
 can't even mention. I could have your hair stand
 up... Brought me back to life Brother..
 Do I need a proof? ASK Brother (Shawn)
 God bless our brother 66

I'm healed & forgiven and today I'm new
 and feel awesome inside because Jesus took
