dear Tommie,

Bless you dear brother in Christ
and all of the brothers and
sisters. A joy to hear from you
I have been blessed as shows
on the system "SHANNON". I
suspected that it is of our
dear friend Pat - I am so
thankful and pray the Lord's

blessings for him, as he's done so much for righteousness
sake for the country and the faith in The word (Jn 1:1).
I have no letter prior nor since. I'm hoping a mail
location I have in good, and am authoring a letter of
thanksgiving in hope I can personally extend my
gratitude and some openness as to the road we've
been traveling.

I recently received 3 books; Saboteurs by Thomas
Horn; THE DEEPER STATE by Lt. Col. Robert McGinnis; and,
GODS & THRONES by CARL GALLOPS. I have no way of
knowing who has been so generous for blessing me. I
know of no restrictions, with in reason, re receipt of books,
tho' I must circulate them for keeping my space clear,
after I've read them.

I must leave it up to ~~you~~ ^{him} how I know Pat, ~~knows~~ ^{as I}
feel the snoops do not have any reason for knowing.
Every jot is sorted thru in this 3rd world gulag.
The American people would never believe what is going
on with concentration camps and gulags all across this
land. This is when there are "NO LAWS" that allow for the
first arrest of "The People" - I will soon share a detailed
description of how people are ripped from family and
society with "NO LAW" - political prisoners in "our" own
country.

27 In my heart and my daily prayers I am so very thankful for all the Lord is doing for helping the people come to a full knowledge of the TRUTH and then letting us be blessed with resources for sustaining us and allowing us to share with others without worry for the resources needed for following through.

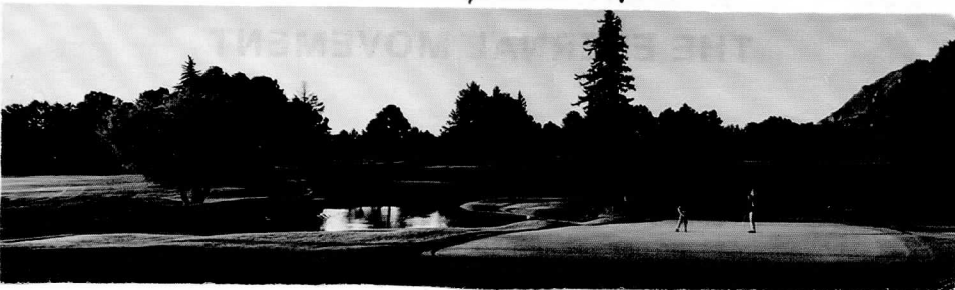

Our brothers and sisters in Christ from all around the world are seeing the gross injustices being poured out on innocent people who should never have even faced arrest. That IS the case right here on this land of the states (people) united. ~~I'm in~~ I'm in my 22nd year; but I know, as Joseph did in Egypt, that our Heavenly Father means all for the good He has before us!

Forgive my limitations. Your letter post-marked 16 October 2017, N. TEXAS took me a few days to answer!

Please forgive me for not using many names in my letters, etc. It is best that I do not needlessly draw attention to our family of brothers and sisters in Christ. May all know I recognize them in my heart and truly love and appreciate them in every way.

I am in my 10th year in the very same condemned "death-row" building. A gulag hidden within the perimeter of FBI Terre Haute. Dubbed "Guantanamo North" it is far short of many of the amenities had by prisoners of war at Guantanamo Bay Cuba. Persecution of Christians is being done right here on this soil. "The enemy hath done this".

Perry Mason - Matlock - LA Law - all LIES! Guilt nor innocence have anything to do with any of this.

→ No, Club-Fed bears NO likeness to this. My foot has not touched grass in over 10 years.

Look how beautiful the sky above can be! It serves as another reminder how good our God is! As I've been blessed His majesty is all around us. I pray those who've been so good to us do not mind that I am seeking to be right with the Lord sharing tything with the kind ministriss who are so faithful in reaching out with daily devotionals, prayer and help through these times of testing. Conservatively I've been blessed with vitamins and mineral supplements for making up for lack of nutrients in the limited food received here. Most of all, I pray those who are so kind and generous to look after others are truly blessed in our journey through this life toward eternal glory — God bless all!

Here, we are blessed in that the Chaplain provides DVDs, Christian messages, for example: "Fireproof"; "Flywheel"; "War Room (prayer closet)"; Many others.

Tonight 5:15pm - 7pm we saw two sermons by Pastor Tony Evans. We have recordings by Kent Howard; and others sustaining Location, etc.

Brother, and all our brothers and sisters, I trust the Lord I will be able for writing more soon. You, each and all are in my heart and prayer.

Because He lives,
we serve by
His mercy and grace,
